About the station naming policy and process

Goobaha Sound Transit, oo ay ku jiraan saldhigyada, waa isku xirka u dhexeeya howlaheenna iyo bulshooyinka aan u adeegno. Waa muhiim in magacyada saldhiga Sound Transit ay matalaan xaafadaha iyo meelaha la aadayo.

Sound Transit wuxuu marayaa sedex marxaldood marka magaca la siinayo saldhiga.

Marka hore, waxaanu maraynaa hanaan gudaheena ah si loo garto oo loo qiimeeyo magacyada suuragalka ah oo ku saleysan shuruudaha soo socda. Waxaan dhameystirayna howsha mashruucan horaantii sanadkaan. Magacyada waa in ay:

- Muujiyan dabeecadda deegaanka: xaafadaha, magacyada dariiqyada, astaamaha dhulka iyo meelaha juqraafiyeed.
- Noqo mid si dhib yar oo fudud u akhriya una xusuusta.
- U hoggaansanida qawaaniinta iyo shuruudaha Sharciga Naafada Mareykanka.
- Waa in aanu ka badnaan 30 xaraf.
- Ka fogow tixraacyada ganacsi.
- Ka fogow magacyada ama ereyada la mid ka ah magacyada saldhigga Tareenka ee jira. (Tusaale ahaan Xarunta Kent).

Marka labaad, waxaan xog ka soo uruurineynaa talo soo jeedinta dadweynaha. Waxaan u tageynaa dadweynaha si aan uga helno magacyo suuragal ah bilowga wejiga hore ee naqshadeynta. Halkani waa meeshaad ku talada kaga dhiibaneyso magaca!

Marka saddexaad, oo ah kan ugu dambeeya, Golaha Sound Transit Gaadiidka waxey tixgalinayaan ra'yiga dadweynaha waxeyna gaarayaan go'aanka ugu dambeeya ee magacyada saldhigga loo bixinayo.

Waxaan rajeyneynaa in goluhu uu go'aan ka gaari doono magacyada saldhigga sanadka 2020. Hubso in aad iska diiwaangalisay warsideheenna si aad ula sii socoto horumarka ugu dambeeyay ee mashruuca.

Halkan guji si aad magacyo ugu bixiso saldhigga.

Maxaa xiga?

Dhawaan waxaan bilaabmi doonnaa shaqo ka horeysa dhismaha isku xirka Federal Wal Link Extension. Tan waxaa ka mid ah dib u raridda agbka yutiilitiga iyo duminta dhismayaasha iyo dhismayaasha kale ee wadada ku yaala.

Sound Transit wuxuu la shaqeeyaa xubnaha bulshada inta lagu guda jiro dhismaha. Waxbadan ka baro wixii ku saabsan ballan qaadkeena wanaagsan ee deriska hakan.

Fursado dheeri ah oo lagu miisaami karo safarka South Sound

Sound Transit waxey ka shaqeynaya sidii loo fidin lahaa tareenka fudud Tacoma.

Tacoma Dome Link Extension wuxuu fidin doonaa nidaamka tareenka ee gobolka qiyaastii 10 mayl inta u dhaxaysa Federal Way iyo Tacoma, oo loo qorsheeyay in la furo 2030. Mashruucan waxaa ku jira afar saldhig tareen oo cusub oo ku yaal South Federal Way, Fife, bari Tacoma iyo nawaaxiga Tacoma Dome.

Waxaan sidoo kale darasadeyneynaa seddex goobood oo loogu talagalay Hawlgallada iyo Dayactirka Xarunta oo laga heli doono South King County, lana qorsheeynayo in la furo 2026. Xarunta Hawlgallada iyo Dayactirka Koofurta waxay muhiim u tahay sii socodka nidaamka tareenka in uu sii kordho. Waxay abuuri doontaa ku dhawaad 300 oo shaqooyin leh mushahar lagu nolaan karo ah ee South King County. Booqo bartan si aad waxbadan uga ogaatid mashruucyadan oo uga qeybgal online ka guriga furan ee Tacoma Dome Link Extension iyo Operations and South Maintenance Facility.

Balanqaadkeena bulshada
