

**Central Link Light Rail Transit Project
Final Supplemental Environmental Impact Statement
North Link**

APPENDIX G
List of Preparers

Appendix G List of Preparers

PUBLIC AGENCIES

Federal Transit Administration (FTA)

John Witmer, Community Planner
M.P.A., University of Washington, 1990
B.S., Economics, University of Kansas, 1984

Sound Transit

James Irish, Link Environmental Manager
M.L.A., Landscape Architecture, University of Washington, 1989
B.A., Philosophy, State University of New York, 1977

Greg Ball, Architectural Manager
B.S.c., Chemistry, University of British Columbia, 1972
B.A., Architecture, University of British Columbia, 1977

Brooke Belman, Community Outreach Specialist
B.A., History, University of Georgia, 1997

Don Billen, Project Manager
M.S., Transportation Systems, University of Washington, 1997
M.P.A., University of Washington, 1997

Ron Endlich, North Link Program Manager
B.A., Geography, University of Washington, 1979

Chris A. Fassero, Project Development Coordinator
B.S., Civil Engineering, Northwest University, 1982
M.U.P., University of Illinois Urbana-Champaign, 2002
B.A., Peace and Global Studies, Earlham College, 1989

Michelle Ginder, Link Project Development Coordinator
M.P.A., Public Administration, University of Washington, 1999
B.A., Political Science, University of California, Santa Barbara, 1995

Phil Harrison
B.A., Political Science, University of Washington, 1972

Charles Joseph, Program Manager, Operations and Maintenance Division
London City and Guilds, 1981

Clifford L. Kurtzweg, Link Senior Civil Engineer – Traffic
BSCE, University of Washington, 1965
MSCE, Transportation Engineering, University of Washington, 1966
Licensed Professional Engineer, State of Washington

Tracy Reed, Project Manager
M.A., Transportation Engineering, University of Washington, 1997
B.A., Physics, The Colorado College, 1991
Scholarship, Architecture, Harvard Graduate School of Design, 1989

Lauren Swift, AICP, Environmental Planner
B.A., Environmental Studies, 1993
M.R.P., Regional Planning, University of North Carolina-Chapel Hill, 1995

Chris Townsend, Senior Environmental Specialist
M.A., Geography, University of Washington, 1993
B.A., Geography, University of Washington, 1991

John Walser, Sound Transit LINK Architect
Bachelor of Architecture, University of Virginia, 1974
Registered Architect, AIA, CSI, CCS

Brian McCarten, Deputy Chief Financial Officer
M.A., Yale University, 1984

Tom Wilson, Right of Way Engineer
B.A., Washington State University, 1988

SOUND TRANSIT CONSULTANTS

Parametrix, Inc. (Primary Consultant for EIS)

Peter Chen, Transportation Planner
B.S., Biology, University of Washington, 2001
B.A., Environmental Studies, University of Washington, 2001

Sandra Fann, Engineer (Transportation)
B.S., Civil Engineering, University of Washington, 1995
B.A., Dance, University of Washington, 1995
Professional Engineer

Jenna Friebe, Engineer (Water Resources)
B.S., Biology/Environmental Science, Oregon State University, 1994
M.S., Environmental Engineering, University of Washington, 1998

Mark Hafs, Landscape Architect (Visual and Aesthetic Resources)
M.A., Landscape Architecture, University of Virginia, 1995
B.A., Landscape Architecture, University of Washington, 1991

Erika Harris, Planner (Executive Summary, Energy, Cumulative Effects)
B.A., Economics, Pacific Lutheran University, 1992
Certificate, Environmental Studies, Pacific Lutheran University, 1992

Shannon Patterson, Transportation Planner
M.S., Transportation Planning, University of Washington, 2001
B.A., Psychology, University of Washington, 1994

John Perlic, Transportation Engineer (Transportation Team Manager)
M.S., Civil Engineering, University of Washington, 1989
B.S., Civil Engineering, West Virginia University, 1983
Professional Engineer

Daryl Wendle, Planner (Consultant Team Project Manager)
M.A., English, New York University, 1988
B.A., English, University of Oregon, 1986

CH2M HILL (Partner Firm for EIS)

Jennifer Arterburn, Editor
M.T.S.C, Technical and Scientific Communication, Miami University, 1997
B.S., English and Journalism, Murray State University, 1993

Mark Assam, Environmental Planner (Environmental Justice)
B.S., Biology, University of Washington, 1990
American Institute of Certified Planners

Lori Durio, Architectural Historian
M.F.A., Historic Preservation, Savannah College of Art and Design, 1995
B.A., English and Political Science, Louisiana State University, 1985

Dan Pitzler, Transportation Economist (Economics)
M.A., Economics, University of Washington, 1985
B.A., Economics, Western Washington University, 1982

Marjorie Press, Deputy PM/Senior Planner
MURP, The George Washington University
BBA, University of Massachusetts

Robert Swope, Senior Environmental Planner (Parklands, Evaluation of Alternatives, Section 4(f))
M.S., Urban Planning, University of Arizona, 1973
M.A., Latin American Studies, University of New Mexico, 1969
B.A., Political Science, Pennsylvania State University, 1967
American Institute of Certified Planners

Lynette White, Graphic Designer
A.A.S., Visual Communications, Shoreline Community College, 1976

Eric Wolin, Environmental Planner (Parklands)
B.A., Planning and Environmental Policy, Western Washington University, 2001

Mary Beth Yansura, Air Quality Scientist (Air Quality)
B.A., Chemistry, Rutgers University, 1988

Herrera Environmental Consultants (Partner Firm for EIS)

Matt Brennan, Environmental Engineer (Ecosystems)
M.S., Civil Engineering, University of Washington, 1996
B.S., Civil Engineering, University of California, Berkeley, 1994
Professional Engineer

Arthur Campbell, Senior Environmental Planner (Alternatives Considered, Construction Impacts,
Electromagnetic Fields)
M.S., Geological Sciences, University of Washington, 1991
B.S., Environmental Studies, University of Washington, 1975
B.S.E., Biomedical Engineering, Duke University, 1973

Bruce Carpenter, LHG, Senior Hydrogeologist
B.A., Geology, Lehigh University, 1971
Registered Hydrogeologist, Washington

Kittie Ford, Senior Environmental Scientist (Ecosystems)
M.U.P., Natural Resource Planning, University of Washington, 1991
B.A., Science Education, Western Washington University, 1979
B.S., Zoology, Oregon State University, 1975
Professional Wetland Scientist
Certified Ecologist
Certified Wetland Delineator

Doug Gresham, Environmental Scientist (Ecosystems)
M.S., Biology, Eastern Washington University 1985
B.S., Biology, Eastern Washington University, 1983

Julie Hampden, Environmental Scientist
M.M.A. (Masters of Marine Affairs), University of Washington, 1999
B.A., Harvard University, Biological Anthropology, 1994

Mark Johnson, Sr. Environmental Planner (Neighborhoods)
B.A., Landscape Architecture, University of Washington, 1986
Registered Landscape Architect

Peter Jowise, Senior Engineer (Hazardous Materials)
M.S., Environmental Engineering, University of Washington, 1982
B.A., Cell Biology, University of California Santa Barbara, 1976

Brynie Kaplan, Environmental Scientist (Ecosystems)
M.S., Marine Science, California State University, 2000
B.S., Marine Biology, Evergreen State College, 1995

Daniel Weiss, Environmental Scientist
B.S. Biology, University of Oregon 1996
Certified Hazardous Materials Manager

Courtois & Associates (Subconsultant for Cultural Historic)

Shirley L. Courtois, Architectural Historian (Historic and Archaeological Resources)
M.A., History of Architecture, University of Wisconsin, 1964
B.A., History of Art, University of Illinois, 1960

Economic and Environmental Consulting Services (Subconsultant for Economics)

Mary Embleton (Economics)
M.S., Applied Economics, Montana State University, 1987
B.S., Political Economy of Natural Resources, University of California, 1982

HWA Geosciences, Inc. (Subconsultant for Geotechnical)

Ralf Boirum
M.S., Geotechnical Engineering, University of Illinois Champaign-Urbana, 1973
B.A., University of Illinois Champaign-Urbana, Civil Engineering, 1972
Professional Engineer

Steven E. Greene, L.G, L.E.G.
M.S., Geology, University of Idaho, 1984
B.A., Geology, University of the Pacific, 1979
B.S., University of the Pacific, Business Administration, 1978
Licensed Engineering Geologist

Huckell Weinman Associates (Subconsultant for Land Use)

Terry McCann, Sr. Planner (Land Use)
M.U.P., Urban Planning, University of Washington
B.A., Landscape Architecture, University of Washington, 1970

Helene Kornblatt, Sr. Planner (Land Use and Economics)
M.A., Architecture and Urban Planning, University of California
B.A., Liberal Arts, University of Pennsylvania

Cathy Wickwire

Cathy Wickwire, Cultural Resources Specialist
M.A., Preservation Studies, Boston University, 1996
B.A., History with Minor Studies in Geology, Whitman College, 1987

Michael Minor and Associates

Michael Minor, President (Noise and Vibration)
B.A., Physics, Whitman College, 1988
B.A., Mathematics, Whitman College, 1988

Mimi Sheridan and Associates

Mimi Sheridan, AICP (Historic Resources)
M.U.P., specialization in historic preservation planning
B.A., History and Political Science
Society of Architectural Historians

Northwest Archeological Associates

Sharon A. Boswell
B.A., Woodrow Wilson School of Public and International Affairs, 1972
M.A., American History, Native American Studies, University of California, Santa Barbara, 1974
Ph.C. Western American History, University of Washington. All but dissertation. Present

Lorelea Hudson
B.A., Anthropology, University of Washington, 1972
M.A., Anthropology (Archaeology), University of Idaho, 1977
R.P.A., Registered Professional Archaeologist

Christian Miss, Sr. Archaeologist (Archaeological and Cultural Resources)
M.A., Anthropology, Idaho State University, 1978
B.A., Biology, Case Western Reserve University, 1970

LTK

Donald D. Ross
B.S., Electrical Engineering, University of California at Berkeley, 1965
Professional Engineer
Licensed in Washington, California, Texas, Georgia, Maryland, Florida and Massachusetts

F. Ross Holmstrom, Emeritus Professor of Electrical Engineering, University of Massachusetts, Lowell
B.S., Electrical Engineering, University of Washington, Seattle, 1958
M.S., Electrical Engineering, Stanford University, 1961
Ph.D., Electrical Engineering, Stanford University, 1965

PSTC (Civil Design)

Eldon L. Abbott, PE
Parsons Brinkerhoff, Quade & Douglas (Tunnel Engineer),
BSCE, Clarkson University, Potsdam, NY
MSCE (Soil Mechanics), Clarkson College of Technology
Registered Professional Engineer in New York, New Jersey, Massachusetts, Maine and Delaware
(inactive)

Jason Bailey, BRW (CADD Services Manager)
Associate of Science, Computer Drafting, ITT Technical College

Greg Ball, Architectural Manager
B.S.C., Chemistry, University of British Columbia, 1972
B.A., Architecture, University of British Columbia, 1977

Arthur J. Borst, PE, Parsons Brinckerhoff, (Lead Construction Engineer)
BS Civil Engineering - Fairleigh Dickenson Univ.
MSCE - Polytechnic Institute of NY
Registrations: Professional Engineer, Washington, Oregon

Mahlon Clements
Zimmer Gunsul Frasca Partnership (Station Design)
Bachelor of Architecture, University of Notre Dame

Bruce Emory (Manager, Transit Operations)
M.S., Civil Engineering, Georgia Institute of Technology
B.S., Civil Engineering, Princeton University

Jane Farquharson, P.E.
Earth Tech, Inc. (Transportation Planner and Deputy PSTC North Link Project Manager)
B.A. (Honors), Civil Engineering, University of British Columbia, BC
Member, Association of Professional Engineers and Geoscientists of British Columbia
Member, Institute of Transportation Engineers

Gabe Grijalva, P.E.
Line Segment Lead, Roosevelt to Northgate Segment
B.A., Civil Engineering, University of Arizona, 1985

Paul Godlewski, Shannon and Wilson (Geotechnical Manager)
M.S., Civil Engineering, University of Illinois
B.S., Civil Engineering, University of Illinois

Alan Hart, AIA & MAIBC
VIA Architecture (Station Design)
B.A., Urban Systems, University of McGill
B.A., Architecture, University of British Columbia

Douglas King, PE
Earth Tech, Inc. (Cost Estimator)
B.S., Civil Engineering, University of Missouri at Rolla, 1970
M.S., Construction Management, University of Washington, Seattle, 1999
Registered Professional Engineer, WA and MO

Amarjit Marwaha, PBQ & D (Manager, Technical Services)
M.S., Civil/Highways Engineering, Punjab University
B.S., Civil Engineering, Punjab University

Chris McCarthy, EIT
VIA Architecture (Station Design)
M.S., Construction Project Management, University of Reading, England
B.S., Civil Engineering, University of Loughborough, England

Allen Parker, Earth Tech Inc (Manager, North Segment)
M.A., Architecture/Urban Design, University of Pennsylvania
B.A., Architecture, University of Minnesota

Martin P. Schachenmayr
Parsons Brinckerhoff Quade and Douglas (Acting Link Project Control Manager)
M.S., Transportation Planning, Columbia University
B.S., Civil Engineering, Rensselaer Polytechnic Institute

Steve Topley, P.Eng.
Earth Tech Inc.(Lead Alignment Design Engineer)
B.S., Civil Engineering, University of Calgary
Member, Association of Professional Engineers, Geologists and Geoscientists of Alberta
Member, Association of Professional Engineers and Geoscientists of British Columbia

Steven Wolf
Parsons Brinckerhoff Quade and Douglas (Lead Noise & Vibration Specialist)
B.S., Mathematics, Long Island University
