

Projects in Activation

Rider Experience and Operations Committee

4/04/24

Why we are here

- Updates on 2 Line (East Link Starter Line) and 1 Line (Lynnwood Link) extension openings
- Overview of “pre-revenue phase” and key responsibilities
- Role of Asset Transition Office (ATO)

Briefing only, no action required today

New Service 2024

2 Line: East Link Starter Line

- Now Arriving: Saturday, April 27
- Opening Day events start at 10 am

1 Line: Lynnwood Link

- Next Stop: Summer/Fall 2024
- Opening Day announcement coming soon

Pre-Revenue Service: What and Why

- Intent = prepare staff for Revenue Operations. Familiarization with the system, facilities, scenarios, maintenance tests & trials, and Emergency Responder Full Scale Exercise.
- Ensure service headways, and Passenger Experience is what is expected.

What is the Asset Transition Office (ATO)?

Thank you.
