# Route 542

## Summary of Changes

542 A

- No change

542 B

- Route 542 would provide new, direct service to the South Lake Union core, and serve current Route 545 stops in the Denny Triangle and Capitol Hill neighborhoods
- Midday service improved on Route 542, running every 20 minutes
- Route 542 would provide service to the South Kirkland Park-and-Ride
- Route 542 would run later in the evening

542 C

- Route 542 would provide new, direct service to the South Lake Union core, and serve current Route 545 stops in the Denny Triangle and Capitol Hill neighborhoods
- Route 542 would run later in the evening
- Improved connections to the Microsoft Campus

## Results

- No change

- Direct service to South Lake Union
- Improved midday and evening service
- Reduced wait times, as buses would run more often during rush hours and midday
- New intra-Eastside connections between South Kirkland, Overlake, and Redmond
- Eastside connections to/from the Denny Triangle and Capitol Hill neighborhoods maintained
- Service to Green Lake maintained via Route 541

- Direct service to South Lake Union
- Improved midday and evening service
- Reduced wait times, as buses would run more often during rush hours
- Reduced walk times due to improved connections to Microsoft Campus
- Eastside connections to/from the Denny Triangle and Capitol Hill neighborhoods maintained
- Service to Green Lake maintained via Route 541

## Join the conversation

There are several ways you can get involved and share your thoughts about the multiple service concepts:
