Action Item: Approve INIT Contract Change Order - Mobile App Developer

Purpose: To authorize the Regional Program Manager to process a Contract Change Order with INIT to subcontract with Smashing Ideas for development of the ORCA customer mobile app.

Background: The cost of this Change Order will result in a \$2.62 increase to the overall SI Contract (a \$2.82M capital increase, and a \$197k operating decrease in sum for the 13 years of operations).

Recommendation: The ORCA Steering Committee recommends this Contract Change Order for the Mobile Application Developer.
