

Application for the Community Oversight Panel

Created in 1997, the Community Oversight Panel (COP) independently monitors Sound Transit and its commitment to build and operate the region's high-capacity transit system.

The Sound Transit Board of Directors appoints and tasks COP members with asking hard questions, reviewing details and reporting findings back to the board. Its 15 volunteers represent a variety of interests, professional expertise, experience, and real-life insight. Panel members are appointed to a three-year term and limited to a maximum of three terms.
