

Bel-Red/130th Station Fact Sheet

August 2020

Overview

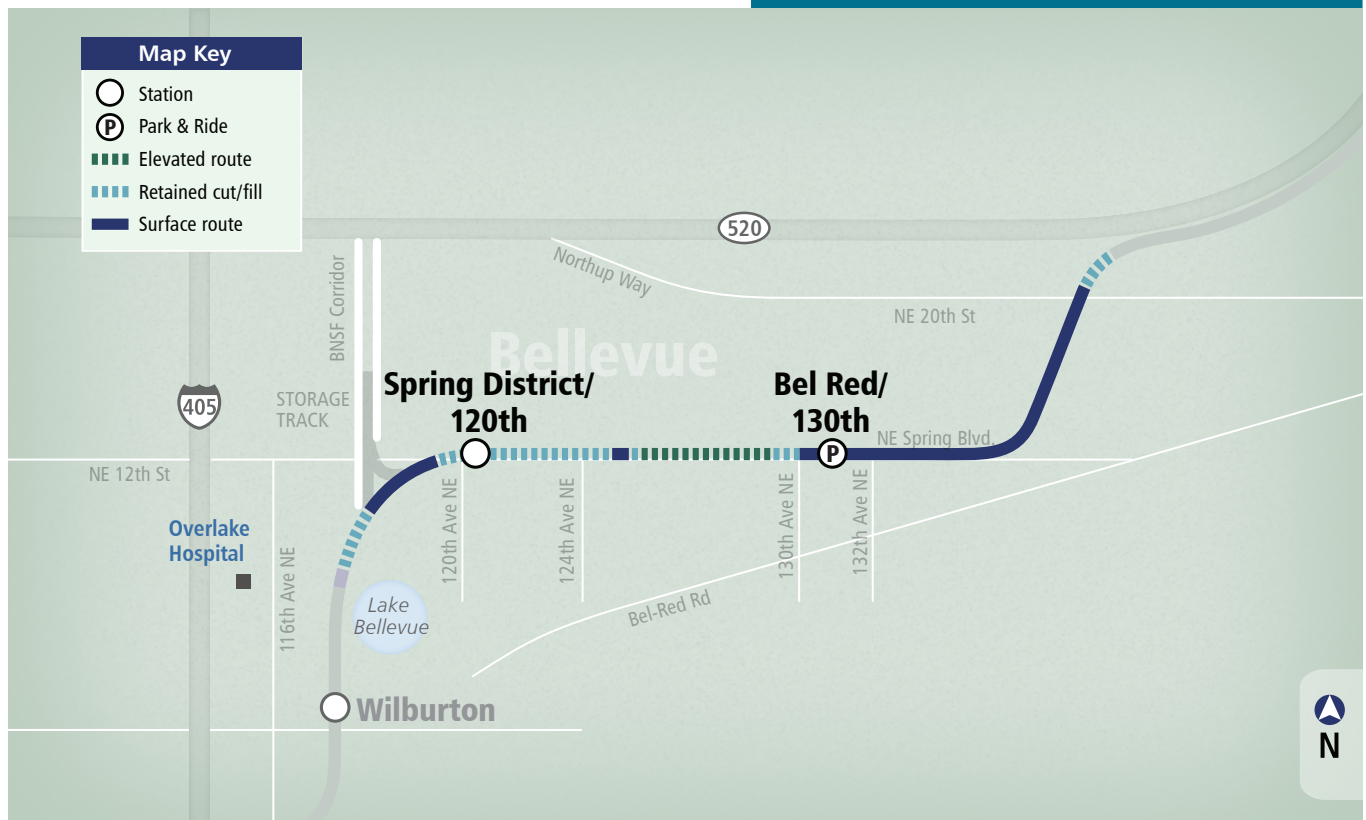

East Link Extension will serve the BelRed corridor in a combination of elevated, at-grade and retained cut alignments located north of Bel-Red Road. Departing from the Spring District/120th Station, light rail continues east under 124th Avenue NE in a retained cut before transitioning to an elevated guideway over the West Tributary of Kelsey Creek. Approaching 130th Avenue NE, light rail descends to an at-grade station between 130th and 132nd avenues NE along NE Spring Boulevard (formerly NE 16th Street). Departing the Bel-Red/130th Station, the route continues at-grade in the center median of NE Spring Boulevard, turns north at 136th Place NE and crosses NE 20th Street before transitioning to an elevated structure and continuing along SR 520 to Overlake in Redmond.

Benefits

- Provides access to high quality, frequent transit service that operates 20 hours per day
- Supports the City of Bellevue’s land use plans for the BelRed corridor; including future development of the Spring District/120th and Bel-Red/130th Station areas as transit-oriented urban communities
- Accomodates future growth and planned transportation improvements
- Provides secure bike storage and new park-and-ride access for riders accessing light rail in BelRed

Travel times (from Bel-Red/130th Station)

- International District/Chinatown= 26 minutes
- University of Washington= 36 minutes
- Bellevue Transit Center= 6 minutes
- Sea-Tac Airport = 61 minutes (with transfer at International District Station)

Bel-Red/130th Station

Located between 130th and 132nd avenues NE, this at-grade station supports future growth in the corridor and will be situated adjacent to a future City of Bellevue transit oriented development project that will include bicycle parking and 300 parking spaces for transit users.
