

Bellevue Downtown Station Fact Sheet

August 2020

Overview

Light rail travels in a tunnel through downtown Bellevue under 110th Avenue NE, turning east at NE 6th Street to a surface station at NE 6th Street. The route transitions to an elevated profile south of NE 6th Street to cross I-405 and 116th Avenue NE. It turns north along the former BNSF Railway corridor to cross NE 8th Street and reaches the elevated Wilburton Station with entrances on the north side of NE 8th Street, and then continues at-grade to 120th Avenue NE.

Benefits

- Provides access to high quality, frequent transit service that operates 20 hours per day
- Approximately 7,000 daily boardings would occur in this segment (2030)
- Light rail in this area would serve the dense central business district of downtown Bellevue, providing access to employment, education, recreation, and the growing medical district and Wilburton area

Travel times (from Bellevue Downtown)

- International District/Chinatown = 20 minutes
- University of Washington = 30 minutes
- SeaTac Airport = 55 minutes (with transfer at International District Station)
- Redmond Technology Center = 10 minutes

Bellevue Downtown Station

A surface station at NE 6th Street serves Downtown Bellevue with close proximity to the existing transit center.

Wilburton Station

Elevated station located just north of NE 8th Street with an entrance at NE 8th Street, passenger drop-off, pedestrian access, and paratransit and bus connections. A new surface walkway from 116th Avenue NE provides pedestrian access to the station's north entrance.
