Description: Open contracts are contracts that have not been closed. The Purchase Order (PO) expiration date refers to the last day that work can be performed/ordered under the terms of the contract or the date of delivery for goods. Open contracts may have POs with expiration dates in the past in order to pay invoices for work that occurred prior to the PO expiration or for a formal close-out process.

Notes: Award amounts DO NOT include tax estimates that are subject to change.

Description: Open contracts are contracts that have not been closed. The Purchase Order (PO) expiration date refers to the last day that work can be performed/ordered under the terms of the contract or the date of delivery for goods. Open contracts may have POs with expiration dates in the past in order to pay invoices for work that occurred prior to the PO expiration or for a formal close-out process.

Notes: Award amounts DO NOT include tax estimates that are subject to change.
