

APPENDIX H

NRHP-listed Architectural Historic Properties and Districts in the Plan Area

November 2014

This appendix lists the architectural historic properties and districts in the Plan area that are National Historic Landmarks or are listed in the National Register of Historic Places (NRHP). The list is based on data from the Washington State Department of Archaeology and Historic Preservation (DAHP 2014). The Figure ID numbers in Table H-1 correspond to those ID numbers on Figure H-1 through Figure H-3 while the Figure ID numbers in Table H-2 correspond to those ID numbers on Figure H-4 and Figure H-5. DAHP also maintains records of previously recorded archaeological sites and traditional cultural properties. However, site-specific information about these properties is exempt from public disclosure under state law (RCW 42.56.300) to prevent looting and vandalism.
