

# ORCA Joint Board Meeting

## September 9, 2019

**Briefing:** Update on approved business rules

**Purpose:** To advise the ORCA Joint Board of the status of business rule updates and new business rule developments that occurred April through August 2019.

**Decisions Required:** None

**Summary:**

There were no business rules updates that require Joint Board action. The Business Managers/Site Managers and the ORCA Steering Committee were the approving bodies for all approved rules.

This update includes thirteen (13) next gen ORCA business rules.

**next gen ORCA business rules**

The language for the below business rules was modernized/updated from their original sources. These rules were approved by the Business Managers/Site Managers.
