

SOUND TRANSIT

MOTION NO. M2005-111

A motion of the Finance Committee of the Central Puget Sound Regional Transit Authority authorizing the Chief Executive Officer to execute a contract with URS Corporation to provide construction management services for the South Tacoma Commuter Rail Station in the amount of \$550,000, with a 10% contingency of \$55,000, for a total authorized contract amount not to exceed \$605,000.

Background:

The South Tacoma Commuter Rail Station will consist of a single side platform, passenger drop off zone, communications building, security hut and parking for approximately 230 vehicles. The single platform will begin north of South 60th Street and will be approximately 600 feet long with appurtenances. A single surface parking lot with two entrances, approximately 230 spaces, landscaping, lighting, signage and utilities (stormwater, irrigation, electrical) will be located at the northeast corner of South 60th and Adams Streets.

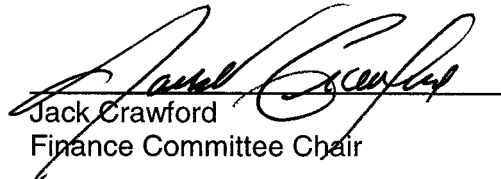

In May 2005, a Request for Proposal was issued for construction management services for the commuter rail station project. URS Corporation was determined to be the highest qualified firm based on Sound Transit procedures for evaluating proposals. The construction management selection process begins at the 60% design review so that construction management is under contract for the 90% constructability review as well as assistance as requested during bidding and pre-construction activities.

Construction is expected to be complete in 2007.

Motion:

It is hereby moved by the Finance Committee of the Central Puget Sound Regional Transit Authority that the Chief Executive Officer is authorized to execute a contract with URS Corporation to provide construction management services for the South Tacoma Commuter Rail Station in the amount of \$550,000, with a 10% contingency of \$55,000, for a total authorized contract amount not to exceed \$605,000

APPROVED by the Finance Committee of the Central Puget Sound Regional Transit Authority at a regular meeting thereof held on October 20, 2005.
