Notes: Projects may include improvements located outside of the analysis area. These are not shown on the exhibits in the Transportation Technical Report.

<sup>a</sup> Many of these projects include other transportation improvements in addition to the listed nonmotorized improvements. Refer to the source document for the complete project description.

<sup>b</sup> Existing nonmotorized facilities to be replaced; project not displayed in the exhibits in the Transportation Technical Report since the nonmotorized facility does not include new infrastructure or the nonmotorized project is located outside of the nonmotorized analysis area.
