Appendix G:

Notification Materials
Sound Transit is currently designing the **East Link preferred alternative**, which includes making modifications that were identified by the Sound Transit Board of Directors in May of 2009. Sound Transit’s **East Link project team is seeking public participation at a downtown Bellevue interactive workshop** focused on advancing preliminary engineering.

This workshop will be focused on the downtown Bellevue preferred route and stations, identified by the Sound Transit Board, as well as the tunnel alternatives. Additional public meetings will be scheduled throughout the East Link project area as Sound Transit continues to progress into preliminary engineering along the preferred alternative.

To learn more about East Link public meetings, please visit www.soundtransit.org/eastlink, or contact Katie Kuciema, Community Outreach Specialist at (206) 398-5459 or katie.kuciema@soundtransit.org. The fastest and most reliable way to receive information about the East Link project is to sign up for e-mail updates at www.soundtransit.org/subscribe. For information in alternative formats, call 1-800-201-4900/TTY Relay: 711 or e-mail accessibility@soundtransit.org

**Getting there:** Bellevue City Hall is located near the Bellevue Transit Center, a block west of Interstate 405. City Hall parking is available on a first-come, first-served basis, and is free to those doing business with the city or attending meetings at City Hall. Visitor parking entrance is located on 110th Avenue.
Sound Transit is currently designing the **East Link preferred alternative**, which includes making modifications that were identified by the Sound Transit Board of Directors in May of 2009. Sound Transit’s **East Link project team is seeking public participation at a downtown Bellevue interactive workshop** focused on advancing preliminary engineering. You will have the opportunity to:

- Learn about the East Link light rail system, including a new alternative for downtown Bellevue
- Provide feedback to inform the preliminary engineering of the project
- Tell us more about your community and how East Link can best serve you.

This workshop will be focused on the downtown Bellevue preferred route and stations, identified by the Sound Transit Board, as well as the tunnel alternatives.

Additional public meetings will be scheduled throughout the East Link project area as Sound Transit continues to progress into preliminary engineering along the preferred alternative.

Sound Transit現正籌備著設計輕鐵東線的行走路線。這次的項目包括對理事會之前於2009年5月份通過的路線進行調整。為了能夠更好地服務更多的群衆，Sound Transit這次的輕鐵東線項目非常需要市民的參與。希望您能夠抽時參加我們的關於提高初步工程的互動專題討論會。您將有機會：

- 知道更多關於輕鐵東線系統的知識
- 回應有關初步工程的項目
- 提出如何讓輕鐵東線更好地服務你們社區建議

每一個專題討論會都將著重於該地點附近的路線和輕鐵站。而在整個初步工程項目的過程中我們將會陸續提供更多的討論會。

**Link Light Rail System**

East Link is Sound Transit’s voter-approved project to build light rail between Seattle and Overlake. Sound Transit is also conducting environmental review on the future extension between Overlake and downtown Redmond. The Sound Transit Board of Directors recently identified a preferred East Link alternative with eastside stations serving Mercer Island, south Bellevue, downtown Bellevue, Bel-Red, Overlake, and downtown Redmond, connecting to Seattle via I-90.
