COVID-19 precautions

Your health and safety are our priority. Sound Transit’s operators and security staff are wearing masks, in keeping with federal and state mandates, and we’re thoroughly cleaning our vehicles daily. But we need your help too. Here’s what you should do to keep yourself and others safe:

• Wear a mask. Masks are required by federal law, at all times, while you’re onboard transit and while waiting at the bus stop or station.
• Take advantage of touch-free fare payment options like the Transit GO Ticket app or ORCA card.
• Maintain a safe distance from transit operators and fellow riders.
• Report unsanitary conditions, vandalism or anything else that makes you feel unsafe. Text or call ST Security at 206-398-5268.
• Wash your hands frequently and don’t ride if you’re sick.

Precauciones para prevenir el COVID-19

Su salud y seguridad son nuestra prioridad. Los operadores y el personal de seguridad de Sound Transit utilizan mascarillas, de acuerdo con las órdenes federales y estatales, y limpiamos meticulosamente nuestros vehículos a diario. Pero también necesitamos su ayuda. Esto es lo que debe hacer para preservar su propia seguridad y la de otras personas:

• Utilice una mascarilla. La ley federal exige el uso de mascarillas, en todo momento, mientras está a bordo del transporte público y mientras espera en la estación o parada de autobuses.
• Utilice las opciones “sin contacto” para el pago de tarifas, tales como la aplicación Transit GO Ticket o la tarjeta ORCA.
• Manténgase a una distancia segura de los operadores de tránsito y de los otros pasajeros.
• Reporte cualquier condición insalubre, vandalismo o cualquier otra cosa que le haga sentirse inseguro. Envíe un mensaje de texto o llame a Seguridad de ST al 206-398-5268.
• Lávese las manos con frecuencia y no utilice el transporte público si está enfermo.

COVID-19예방책

저희는 여러분의 건강과 안전에 우선순위를 두고 있습니다. 해양捷运 (Sound Transit)의 운전과 안전 관리사들에 의한 장해를 피할 수 있도록 간사한 것이 있습니다. 그리고 자료를 보관하고 있습니다. 다만, 여러분의 협조도 중요합니다. 여러분은 물론 타인의 안전을 보장하기 위해 다음과 같은 조치를 부탁드립니다.

• 마스크를 착용해 주십시오. 연방 법률은 차량 탑승 시 그리고 버스 정류장 및 기차역에서 차량을 기다릴 때에도 항상 마스크를 착용할 것을 요구하고 있습니다.
• Transit GO Ticket 앱 또는 ORCA 카드 등 무접촉 요금 지불 수단을 이용하십시오.
• 차량 운전기사 및 다른 탑승객들과의 안전 거리를 유지하십시오.
• 비위생적인 상태, 기물 파손 행위 또는 신고의 위험을 느끼게 하는 모든 경우에 대해 신고하십시오. ST 보안팀에 206-398-5268로 문자를 보내거나 전화하십시오.
• 손을 자주 씻고 아픈거나 아픈 증상이 있을 경우 송치하지 마십시오.
Меры предосторожности , связанные с COVID-19

Наши приоритеты — ваше здоровье и безопасность. Машинисты и сотрудники службы охраны управления Sound Transit носят маски, следуя указаниям федерального правительства и властей штата. Мы также ежедневно тщательно очищаем транспортные средства. Но нам нужна и ваша помощь. Вот что вы должны делать, чтобы обеспечить себя и других.

• Надевайте маску. Согласно федеральному закону, ношение масок обязательно везде — как в салоне транспортного средства во время поездки, так и при ожидании на автобусной остановке или станции.
• Воспользуйтесь преимуществами бесконтактной оплаты проезда, например, приложением Transit GO Ticket или сервисом Одна региональная карта для всего ORCA.
• Находьтесь на безопасном расстоянии от работников транспорта или других пассажиров.
• Сообщайте о нарушениях санитарных требований или иных обстоятельствах нарушения вашей безопасности. Напишите или позвоните в ST Security по номеру 206-398-5268.
• Регулярно мойте руки и не используйте транспорт, если вы больны.

How to pay

On Link and Sounder trains: Pay before boarding. You can purchase a paper ticket at a ticket machine or a digital ticket through the Transit GO Ticket app, or you can use an ORCA card. To pay with ORCA, simply tap your card on one of the yellow readers on the train platform. Because fares are distance-based, ORCA card users must also tap off at their destination to avoid being charged the maximum fare.

Fare enforcement officers periodically board trains to check fares for all passengers onboard. Be ready to show your valid fare (ORCA card, paper ticket, or activated ticket in the Transit GO Ticket app) if asked. To prevent the spread of COVID-19, fare enforcement officers are maintaining limited-contact procedures. (RCW 81.112.210, 81.112.220, 81.112.230)

On Tacoma Link: Rides are free until 2022.

On ST Express buses: Pay as you board the bus. You can pay cash (exact change), tap your ORCA card, or purchase your fare digitally on the Transit GO Ticket app (activate your ticket through the app and show the driver as you board). If you pay cash and have a Regional Reduced Fare Permit (see page 9), show your card to the driver, who will adjust your fare.

ST Express buses do not accept paper transfers from other agencies or paper tickets from Sounder or Link trains.

Ticket machines

All Link and Sounder stations have ticket machines that accept cash, MasterCard, American Express and VISA. Five bus transit centers (Bellevue, Burien, Federal Way, Northgate and Tacoma Dome) also have ticket machines that only sell or reload ORCA cards.

Purchase options

ORCA card: Accepted by most transit agencies in our region, ORCA lets you load monthly passes or cash value onto your card. See page 8 for more information.

Monthly pass: Monthly passes for unlimited trips can save you money overall. Available on ORCA cards only. See page 9 for options.

Regional day pass: Available on ORCA cards only. Each day pass covers unlimited rides with a one-way adult fare up to $3.50 ($1.75 reduced fare). You can add up to 12 day passes on one card. Unused day passes are valid for one year from purchase.

Link or Sounder day pass: Valid all day on date purchased, between train stations printed on ticket.

Single-trip Link or Sounder ticket: One-way tickets valid only for the service and stations printed on the ticket.

Multiple tickets: Buy up to 10 Link or Sounder tickets to/from the same locations in one transaction.

Sounder event tickets: Buy event tickets in advance by choosing the special event train date. You can buy a round trip or single trip (one-way) event ticket.

There are no refunds or replacements. Non-event tickets cannot be purchased in advance. Find more information online at soundtransit.org or call 888-889-6368 / TTY Relay: 711
ORCA card

ORCA, or “one regional card for all,” is the most convenient fare-paying option for frequent transit riders. In addition to Sound Transit, the following agencies accept ORCA cards: Community Transit, Everett Transit, King County Metro, Kitsap Transit (including buses and foot ferries), Pierce Transit, Seattle Streetcar, Seattle Monorail, King County Water Taxi and Washington State Ferries.

Which ORCA is right for you?
Adults (ages 19-64) can purchase a standard ORCA card for $5, but there are several reduced fare options as well:

**ORCA LIFT (ages 19-64):** Qualified low-income riders can get their first ORCA LIFT card at no cost, then pay reduced fares on participating services. To see if you qualify, visit soundtransit.org/orca-lift or call 800-756-5437.

**NEW! Subsidized Annual Pass:** Riders with very low or no income may qualify for free fares, subsidized through Sound Transit’s pilot partnership with King County Metro. Passengers who reside in King, Pierce or Snohomish counties are eligible if enrolled in one of six state benefit programs. To see if you qualify, visit soundtransit.org/orca-lift or call 800-756-5437.

**Senior (ages 65+):** Seniors can pay reduced fares by obtaining an ORCA Regional Reduced Fare Permit (RRFP) card. The first card is free of charge; proof of age required.

**Disabled (ages under 65):** Riders with proof of disability can get an ORCA Disabled Regional Reduced Fare Permit (RRFP) card. The first card is free of charge and automatically pays reduced fares on ORCA participating agencies. Your personal care attendant can also ride free with you by using an ORCA RRFP Personal Attendant card, which can be obtained for free at the same time as your ORCA RRFP card. For eligibility requirements, visit soundtransit.org/rrfp.

**Youth (ages 6-18):** Automatically pay youth fares using an ORCA Youth card. Cards are $5, or free if parents qualify for ORCA LIFT. (Children under age 6 ride free with a fare-paying passenger.)

Where to get an ORCA card

- Purchase a regular adult ORCA card from ticket machines at stations or at ORCA retail locations, including many Safeway and QFC stores in King, Snohomish and Pierce counties.
- Order at orcacard.com
- Call 888-988-6722
- Reduced-fare ORCA cards (for youth, senior, disabled or low-income passengers) require proof of status. You may order youth and senior cards by mail. Disabled RRFP and ORCA LIFT cards require that you apply in person. Visit soundtransit.org/orcalift to learn more.
• Visit the customer service office of a participating transit agency.

• To order by mail, you can print an order form from orcacard.com, call the number above, or mail your request for an ORCA card order form to: Sound Transit Attn: Customer Service 401 S. Jackson St. Seattle, WA 98104

Load value to your ORCA card
Choose one or both of the following options:

1. Add cash value to your ORCA card
If you ride transit infrequently (less than 18 round trips per month) add funds to the E-purse (electronic purse) option of your ORCA card. Fare is deducted from the available funds in your E-purse per trip. E-purse can be loaded with value between $5 - $300 by phone at 888-988-6722, at ticket vending machines, at retail stores, by mail or at ORCA customer service offices. For locations of ticket vending machines, retail stores, ORCA customer service offices or to download an order form to send by mail, visit ORCACard.com.

2. Add a regional pass to your ORCA card
If you are a regular rider (18+ round trips per month) you can save money by purchasing a regional monthly pass rather than using E-purse to pay for individual fares every day.

Pick your pass based on the fare value of the trip you take most often. For instance, if you commute to and from work five days a week for $2.75 per ride, you’ll save money by purchasing a monthly pass for $99 (see chart). This pass, loaded onto your ORCA card, will give you unlimited trips at that $2.75 fare value and below, all month long, on any participating ORCA transit service throughout the region except Washington State Ferries.

Many riders choose to purchase a pass and keep cash value E-purse on their ORCA card. That way, if you need to transfer to a bus or train with a higher fare, or if you take an occasional ride that costs more, your ORCA card can still get you where you need to go with a simple tap. Visit soundtransit.org/orca for more information.

Priority seating
All Sound Transit trains and buses have seats reserved for seniors and riders with disabilities. If others are using these seats, you may ask the driver or conductor to ask them to move. If you need help on Link, press the red call button on the bottom of the flip-up seats in the wheelchair area.

Service animals
Service animals are welcome on all Sound Transit buses and trains. However, if your service animal is not under your control and is being disruptive or aggressive, you may not be able to ride with the animal until you can properly control it.

Travel training
Our local transit agency partners provide travel training to help people with disabilities and seniors learn to navigate public transit, including how to board with a mobility device. This service is limited during the pandemic lock-down, but advice and virtual training is available. This instruction is free for people with disabilities and seniors. Call 800-201-4900 / TTY: 711 or email accessibility@soundtransit.org.

Paratransit
ADA complementary paratransit service is available in the region to passengers with disabilities who are found to be eligible. Passengers eligible to use this service can use it to connect to Sound Transit’s Link, Tacoma Link and Sounder stations as well as any transit center served by ST Express buses.

To see if you’re eligible, call 206-263-3113 or toll-free 866-205-5001 / TTY: 711, fax 206-205-6490 or email accessible.services@kingcounty.gov.

To connect with Tacoma Link using paratransit, contact Pierce Transit SHUTTLE at 253-984-8216 or fax 253-984-8227 to see if you are eligible. To schedule a paratransit trip, call SHUTTLE reservations and information at 253-581-8100.

FindARide.org
Visit FindARide.org for information about other transportation options covering King, Pierce and Snohomish counties.

Accommodations for people with disabilities
In accordance with the Americans with Disabilities Act, Sound Transit will make reasonable modifications to policy and practice to ensure access for riders with disabilities. To request an accommodation, call 800-201-4900 / TTY Relay: 711 or email accessibility@soundtransit.org.
Citizens’ Accessibility Advisory Committee
The CAAC is a 15-member committee representing the diverse ridership of Sound Transit that meets quarterly to provide feedback on challenges and solutions for people with disabilities and older adults using Sound Transit services. For more information about the CAAC, visit soundtransit.org/get-to-know-us or call 800-201-4900 / TTY Relay: 711 or email accessibility@soundtransit.org.

Accessible vehicle boarding

Sounder
Sounder stations and platforms are accessible for riders with disabilities, seniors and riders with young children in strollers. Each car has a wheelchair area and accessible restroom.

If you need help boarding the train, wait at the top of the ramp on the station platform. The conductor will extend a ramp that will allow for level access. Enter only when the ramp is in place and position your wheelchair in the designated area and set the brake.

Link
Doors are level with the platform; roll or step across the small gap. Position your wheelchair in one of the accessible seating areas and set the brake.

Tacoma Link
At the station, wait where the operator can see you. Look for the accessibility symbol on the door and press the blue button. Wait for the ramp to extend before boarding.

Position your wheelchair in one of the two accessible seating areas and set the brake.

ST Express
All buses have ramps or wheelchair lifts, most near the front door. Wait near the bus stop and the driver will open the ramp or lift. On the bus, position your wheelchair in the priority seating area and set the brake. The driver will help secure your wheelchair in place.

Bad weather or emergencies

Sound Transit and our partner transit agencies may cancel, reduce or reroute service because of construction, bad weather, emergencies or other events. Get the most current information by subscribing to email or text message alerts at soundtransit.org/subscribe.
Parking at Sound Transit facilities

Sound Transit and our operating partners offer automobile parking at many locations. Unless otherwise posted, parking is for transit customers only. Sound Transit may tow vehicles at owners’ expense if parked more than 24 hours or for any other parking regulation violation. For a complete list of parking facilities served by Sound Transit, visit soundtransit.org/parking.

Parking permits

Prior to the COVID-19 pandemic, Sound Transit offered reserved permit parking at many of our most heavily used facilities.

The reserved permit program is temporarily suspended, and free parking is available all day on a first come, first served basis at all Sound Transit facilities.

As transit ridership and service rebound, Sound Transit will reinstate permit parking at any facility that regularly fills before 9 a.m. on weekdays. When this occurs, free reserved permits will be available for carpool. Riders who drive alone to the station will be able to purchase a solo driver parking permit to access reserved parking areas. Discounts will be available for riders qualified for the ORCA LIFT reduced fare program.

For current information on when and where permit fees are in effect, and how to apply, visit soundtransit.org/permitparking.
Trains and buses have limited space. We encourage you to lock your bicycle at the station or park-and-ride before your trip. All Sound Transit facilities have bicycle racks, lockers and/or cages, and we’re installing new BikeLink on-demand lockers at many stations. Learn more at soundtransit.org/bicycles.

You may bring a folding bicycle onboard the bus or train if you hold it on your lap or can fit it under the seat. We do not allow oversized, cargo, tandem, trailers or fueled bicycles (including motorbikes and mopeds). We do allow standard-sized electric bicycles onboard trains.

Sound Transit may occasionally restrict bicycles on trains during periods of extremely high ridership or limited service.

**Bikes at stations and facilities**

Please walk your bicycle at Sound Transit facilities. Only park your bicycle in designated racks, cages or lockers. Sound Transit will remove and store bicycles that riders park incorrectly. In an emergency, leave your bicycle behind. Do not park shared bicycles such as Jump/Lime on Sound Transit station property. Park them on sidewalks or the strips between street parking or the sidewalk. Always park shared bicycles in a way that allows people to move safely and unimpeded.

**On Sounder**

Use the doors marked with a bicycle symbol. Each car can tie down two bikes, and two riders may stand with their bicycles near the doors. If there are four bicycles on a car, please move to the next car. Sounder South trains can accommodate 28 bicycles, while Sounder North trains can accommodate 8 or 12 depending on train length.

**On Link**

Use the doors marked with a bicycle symbol. Each car has two areas for bicycle and luggage storage. Each storage area includes a bicycle hook and is first-come, first-served. One cyclist may also stand with a bicycle near each storage area. If the storage area is full, please move to the next car.

**On Tacoma Link**

Stand with your bicycle near either set of double or center doors. Hold your bicycle with one hand and hold the pole with the other.

**On ST Express**

Each bus has a rack for two or three bicycles on the front. Let the driver know before loading and unloading, always from the curb side of the bus.
