

# Sounder 2021 Fare Change

November 2020

## Reducing fares for ORCA LIFT, youth, seniors and riders with disabilities

Sound Transit is considering reducing Sounder fares for our ORCA LIFT (low-income adult) passengers, youth (ages 6-18) and Regional Reduced Fare Permit holders (seniors age 65+ and riders with disabilities).

This reduction would make Sounder more accessible for these groups, and it would simplify Sound Transit's systemwide fare structure by bringing Sounder fares in line with Link light rail and ST Express bus fares for these passenger groups.

The table below outlines our existing Sounder fares, which are based on distance traveled, and our proposed flat fares for these passengers. (We are *not* considering changes to regular adult fares.)

### Existing and proposed Sounder fares

	Current fares*	Proposed fare
ORCA LIFT	\$2.50-\$4.25	\$1.50
Youth	\$2.50-\$4.25	\$1.50
Senior & disabled	\$1.50-\$2.75	\$1.00

\* depending on distance traveled
