BINGO

November 20

Sound Move

Regional Rapid Transit System | 1996-2026

10:00 a.m. to 2:00 p.m.

Teal = in-person location you must visit
Pink = correctly answer the trivia question at an in-person location
Blue = show physical or digital proof at an in-person location

Birdwatching! This Light Rail Station features a giant neon hummingbird.	**Orca-spotting!** This pod member has no fins, but it carries you across the region with one tap. Show us yours!	**To the Dome!** This multi-modal hub is nearest the iconic Tacoma Dome. ★ *Turn In Location*	**Follow the Wave!** Follow Sound Transit on one social media account.	Tell us your best **Rider Etiquette tip!**
We've had 8 new light rail openings in the past 5 years. **Name all 8!**	**Cheers to 5 Years!** This was the terminus of our 2021 light rail extension.	**Sounder Selfie!** Photograph your commute on the S Line.	**Span it!** This light rail station has an attached 1,100' multi-modal bridge over SR 520.	**It's a LifeSTyle!** Sign up for your guide around the Puget Sound.
World's First! Take a video riding across Lake Washington's floating bridge.	**Think 2009!** This Link Station was the original south terminus.	**Free Space!**	**Got that Dawg in you?** This station is where the Dawgs play.	**Dragons, Phoenixes, Fireballs, oh my!** This light rail station is nearest the historic Chinatown Gate. ★ *Turn In Location*
What was the **First Line of Service** Sound Transit launched?	**Spring into the Future!** This light rail station sits in a neighborhood built around transit and is a true TOD success story.	**Lights, Camera, Action!** This Light Rail Station is nearest to the "10 Things I Hate about You" high school.	**Show off your Commute!** Snap a pic of the Sound from the N Line.	**Shop til you Drop!** Show off your Sound Transit Merch.
Transfer Time! This downtown Eastside hub is where your ride changes direction. ★ *Turn In Location*	**Lock it up!** Park your ride, not your plans. Use BikeLink to rent a locker.	**Icon!** This light rail station is nearest the futuristic, brutalist building by Bertrand Goldberg.	Name our **Performing Arts Center** at Angle Lake Station.	**End of Line!** This northern hub is where the N Line train ends. ★ *Turn In Location*

Celebrate 30 years of Sound Move by collecting stamps in each of the squares. These squares feature a mix of in-person locations, Sound Transit trivia, photo proof of regional commutes, and actions to take. Stamps can only be collected at select **locations**. Completed Bingo cards (five stamped squares in a straight or diagonal line) must be turned in at the designated ★ **Turn In Locations** on the board, by **2 p.m.** on **Nov. 20.** The first 450 people to get a Bingo receive a collectable **Sound Move ORCA card** and everyone who gets a Bingo will be entered to win **cool prizes** listed on the back of this card!
