

East Link Extension

Construction Alert

June 9, 2017

Island Crest Way Restriping Work

Crews working for Sound Transit and WSDOT will restripe Island Crest Way to address vehicle queuing. Existing pavement markings will be refreshed at this time along Island Crest Way between SE 30th Street and SE 27th Street. New I-90 wayfinding signage will also be installed.

Sound Transit, WSDOT and the City of Mercer Island will continue to monitor traffic queuing.

Work is weather dependent and will include:

- Refreshing existing lane lines and pavement markings
- Install new wayfinding signage for I-90 access

Project Details

Date: Sunday, June 11

Locations: Island Crest Way between SE 30th Street and SE 27th Street

Work hours: Crews will work between 9:00 am and 10:00 pm.

What to expect:

- Crews will refresh existing roadway markings
- Temporary parking restrictions will be in place up to 24 hours before work begins near work areas.
- Crews will work in the existing right of way with traffic control in place. Please follow the direction of flaggers and signage to safely access your destination.

For more information, please contact Sound Transit Community Outreach Specialist Zack Ambrose at zack.ambrose@soundtransit.org or 206-398-5300.

What is Sound Transit building?

The East Link Extension will connect the Eastside's biggest population and employment centers and destinations across King, Pierce and Snohomish counties. When East Link opens, passengers will be able to ride over 50 miles of light rail with other new extensions also open to Lynwood and to Kent/Des Moines.

The 14-mile East Link extension is expected to be open for service in 2023.
