

ORCA Autoload Authorization Form

Autoload is the fast, easy way to make sure you can always use your ORCA card. When you authorize Autoload, value is added automatically either:

- As a pass in the new month
- When the E-purse balance is not enough to cover the fare on your current trip

To set up Autoload you must:

- Have a registered ORCA card with a valid product (pass or E-purse) already on the card
- Have a valid credit card
- Agree to Autoload terms and conditions
- Sign and complete the Autoload Authorization form

STEP 1: Autoload terms and conditions

By setting up an Autoload, I authorize automatic, recurring charges against the credit card that I have specified for the valid fare product that I have selected, and I agree to the following terms and conditions.

General Terms

1. I am at least eighteen (18) years of age.
2. All information provided by me in registering my ORCA card and submitting this Autoload authorization is true, accurate and complete. My failure to submit true, accurate, and complete information may result in the cancellation of the Autoload authorization.
3. My Autoload authorization will take effect upon set-up of the Autoload when the card is tapped at an ORCA card reader and shall remain in effect unless I cancel or change as provided below.
4. I authorize each ORCA Agency and their respective service providers to verify the information contained in this Autoload authorization.
5. I may cancel this Autoload authorization by either:
 - a. Cancelling the Autoload at orcacard.com/Manage Autoload, then tapping the card at an ORCA card reader after 48 hours, or
 - b. Mailing a signed Autoload form (printable at orcacard.com) to the address on the form. I understand the Autoload cancellation may not take effect until ten (10) business days after the Autoload form is received and the card is tapped at an ORCA card reader.
6. If the credit card(s) specified by me expires, or if a payment request fails to be authorized, the Autoload will automatically be cancelled for all ORCA cards in a single account that use that credit card to pay for Autoload.
7. If a credit card charge is rejected, reversed or otherwise fails to cover the price of the Autoload product, that product may be blocked to prevent its further use. Regardless of the circumstances, I am responsible for payment of the full value of the Autoload product even if the credit card payment failed to cover the price. The Regional Autoload Management Office may contact you by phone to collect for a failed Autoload payment.
8. If my Autoload is cancelled due to failure of a credit card charge to cover the price of an Autoload product, I may submit a new Autoload Authorization request form.
9. I will promptly update changes to my name, address, telephone number(s), credit card account information and the other information provided by me for this Autoload authorization. Changes may be submitted online or by printing and mailing the online Autoload Authorization form.

Monthly Pass Products (except King County Metro Access)

1. If I have authorized the Autoload of a monthly pass product, the new monthly pass will be loaded automatically onto my ORCA card the first time the card is used in the new month, and the specified credit card will be charged. NOTE: The price charged to the specified credit card will be the full monthly price for an Autoload of a monthly pass product regardless of when, in that month, the ORCA card is first used.
2. I understand that the price of the monthly pass product I have selected to Autoload is subject to change. NOTE: I agree the amount charged to the specified credit card will be based on the price in effect when the next Autoload transaction occurs, until and unless I cancel this Autoload authorization.
3. If I have authorized the Autoload of a monthly regional pass product (PugetPass) at a specified face value, I understand that my authorization may need to be increased to cover a fare increase by one of the ORCA agencies or to cover a higher face value when a youth card converts to an adult card on the cardholder's nineteenth birthday. I understand I will need to cancel the Autoload for the first pass and set-up a new Autoload at a higher face value.

E-purse Transportation Value

If I have authorized Autoload of E-purse transportation value, the amount I have specified will be loaded automatically to my ORCA card, and the specified credit card will be charged when the current E-purse value on my ORCA card is insufficient to pay the fare for my current trip. NOTE: An Autoload of an E-purse will not be performed more than once per day or more than five times in a single month. After the fifth Autoload in one calendar month the E-purse will not revalue, but the Autoload remains intact. Autoload will resume at the beginning of a new month.

King County Metro Access Pass

1. If I have selected to authorize Autoload of a King County Metro Access pass, the credit card payment request will be initiated automatically on the 23rd of each month, until I take action to cancel the Autoload.
2. I understand if the credit card charge is successful, I will receive an email confirmation and the pass purchase will be documented in Accessible Services' records.
3. I understand if the credit card charge is not successful, the pass will not be purchased and the Autoload will be cancelled.
4. I understand the price of the King County Metro Access pass is subject to change and that my authorization will be based on the price in effect at the time the Autoload occurs, until and unless I cancel this Autoload.
5. I understand that I do not need to tap the ORCA card at a card reader to set-up or cancel Autoload for the King County Metro Access pass.
