1.0 ORCA Program and Governing Terms and Conditions

1.1 Welcome to ORCA, which stands for One Regional Card for All. The ORCA Program allows you to participate in a regional fare payment system that enables you to use a single fare card when traveling on the public transportation services provided by the participating Agencies.

1.2 You may use cash to pay your fare and choose not to participate in the ORCA Program.

1.3 If you choose to use the products and services provided by the Agencies under the ORCA Program (including but not limited to ORCA Cards, ORCA Products, ORCA Websites, and ORCA Customer Services), your use will be subject to and governed by these ORCA Program Terms of Use and the ORCA Program Privacy Statement (both are available at www.orccard.com, www.orccard.biz and at ORCA customer service offices) and such other terms and conditions, disclosures and consents that are contained in the ORCA Program Websites, forms, Business Account agreements and other written materials, all of which may be established, modified or withdrawn from time to time.

1.4 In addition to such ORCA Program-specific terms and conditions, your use of the ORCA Cards and ORCA Products is also subject to all applicable federal, state and local law, regulations, ordinances, codes and policies, including but not limited to each Agency's fares, tariffs, rates, prices, promotional programs, reduced fare programs, time and zone designations, routes, transfer policies, rules of conduct and other terms and conditions that apply to its public transportation services and which may be established, modified or withdrawn from time to time. Such other provisions applicable to public transportation service are available from the Agencies.

- 2.20 "Youth Card" is a type of ORCA Card issued to an individual who is determined to be eligible for reduced fared by one of the Agencies based on the individual's age (6 to 18 years old). A Youth ORCA Card is not transferable.

3.0 Only Authorized ORCA Cards and ORCA Products Accepted

- 3.1 Only an Agency or a Business Account (e.g. your employer or another institution) or an authorized distributor may provide you with an authorized ORCA Card. You may not deface, alter, duplicate an ORCA Card or create a counterfeit ORCA Card. You may not load ORCA Products through an unauthorized means onto an ORCA Card or an unauthorized card. The Agencies do not intend to honor defaced, altered, duplicated or counterfeit cards or otherwise unauthorized cards or products.
- 3.2 The Agencies reserve the right to examine cards, confiscate any that are believed to be unauthorized or hold unauthorized products, and either deny transportation services to, or require payment in cash from, a person presenting unauthorized cards or products as payment for transportation service.

4.0 ORCA Products

4.1 The ORCA Products that may be loaded onto ORCA Cards represent prepaid fares on transportation services provided by ORCA Agencies. The three types of prepaid fares are:

- a. Passes: The electronic equivalent of passes that are valid for use on the transportation service of one or more of the participating Agencies, depending on the type of pass.
- b. E-purse: Prepaid value that may be used to pay a fare or a portion of a fare.
- c. Multi-ride ticket: Prepaid rides that may be used to pay a fare on Washington State Ferries. A multi-ride ticket is route specific.

4.2 ORCA Cards are not, and do not represent, "accounts" or "deposits" and ORCA Products are not "money." They simply represent the transportation fare product for which you have already paid. You may not redeem ORCA Cards and ORCA Products for money or any product or service other than an applicable transportation service provided by an ORCA Agency. Sales of ORCA Products are final and nonrefundable, except for the limited refund of E-purse value available in accordance with Section 5.0 and Section 8.0.

4.3 Value added to an ORCA Card online, by mail, or by phone can take 24-48 hours to reach the ORCA card readers. After that time, you must tap at a reader to activate the value added. If you fail to tap the Card within 60 days, the E-purse value will become inactive and require the Cardholder to contact ORCA Customer Service to restore valid E-purse value (monthly pass value expires and will not be restored).

4.4 Payment shall be made to an Agency or to a Retailer for ORCA Products that are loaded onto an ORCA Card. The electronic record in the ORCA system shall be conclusive evidence of the ORCA Product value that was loaded on an ORCA Card and remains unused or unexpired.

4.5 Use of ORCA Products as a means of fare payment on a given trip will depend on the type of ORCA Product(s) loaded on the ORCA Card and on the policies and restrictions of the Agency providing that trip. For example:

- a. Some products (passes are the most common) are specified to be usable at only one of the Agencies.
- b. A pass product valued at less than the required fare plus E-purse value may be used in combination to cover the full amount of a single fare, if loaded on a single ORCA Card, except on Washington State Ferries.
- c. A single ORCA Card can be used to pay for two or more people traveling together, except on Community Transit's *Swift* service. On Sound Transit, use of a single ORCA Card to pay for multiple riders is only accepted at a ticket vending machine, where the Cardholder may use E-purse value to purchase train tickets for companion(s).

4.6 If an ORCA Product or combination of Products is not usable or is not sufficient to cover the applicable fare, the Cardholder is required to make full fare payment by a means other than an ORCA Card.

4.7 The Agencies reserve the right to change fares at any time. To the extent value remaining on an ORCA Card is not sufficient, the Cardholder is required to make full fare payment by a means other than an ORCA Card.

4.8 The Agencies reserve the right to withdraw from the ORCA Program at any time and not accept ORCA Product(s) as fare payment. In that event, the Cardholder is required to make full fare payment by a means other than an ORCA Card.

4.9 The Agencies reserve the right to establish the terms for the use of the ORCA Card on their transit systems. Some Agency services allow or require a person to pay the fare prior to boarding a vehicle or entering a fare paid area and then requires the customer to present proof of payment while on board. (Examples of such service include Sound Transit's Link light rail and Sounder trains, Community Transit's *Swift* service King County Metro's RapidRide service, and Seattle Streetcar.) To show proof of fare payment on such services, the ORCA Cardholder is required to "tap" the ORCA Card at a yellow card reader before boarding or before entering a designated fare-paid area. (Tapping again within 5 minutes of your original card tap, at any reader on the platform or in the same station area, will reverse the transaction.) Failure to tap before boarding or entering a fare paid area as required by these systems will subject the Cardholder to a fine. The Cardholder must tap the ORCA Card after getting off a Link or Sounder train, which ensures appropriate fare is validated. The failure to tap after getting off these trains will result in the Cardholder being charged the highest fare regardless of distance travelled.

5.0 E-purse

5.1 You may purchase E-purse value in full dollar increments with a minimum of \$5 per load transaction. The maximum amount of E-purse value that may be held on an ORCA Card at any time is \$300. When you add value to your ORCA Card online or by phone it can take 24-48 hours for the value to be available to be loaded onto your Card. You must tap the Card at an ORCA card reader within 60 days to activate the pass or E-purse value. After 60 days, if the Card has not been tapped, the E-purse value will become inactive and require the Cardholder to contact ORCA Customer Service to restore the valid E-purse value.

5.2 E-purse value on an ORCA Card is deducted to cover the full fare of a trip less: any applicable transfer value valid within two hours of the last use of the Card (except no transfer value is recognized on Washington State Ferries); or reduced fares (e.g. youth fares; low income, the Regional Reduced Fare Permit). The amount of E-purse value remaining on your ORCA Card after a transaction will be displayed on the card reader. If the Card fails to accurately display the remaining value, promptly report problems to ORCA Customer Service. If you have an ORCA Business Card provided by your employer or other entity, report problems to the person or entity that gave you the Card.

5.3 If a ride costs more than the E-purse value remaining on an ORCA Card, the Cardholder must add sufficient cash to pay the full fare, unless an Autoload has been established as provided in Section 11.0.

5.4 A Cardholder with a registered, individual ORCA Card (i.e. not a Business Card) who opts to withdraw from the ORCA Program and surrenders said registered individual ORCA Card to an Agency may obtain a refund of the E-purse value that remains unused on the ORCA Card (as specified in Section 8.0).

5.5 A Business Account that surrenders a Business Card to its Lead Agency may obtain a refund of the E-purse value that remains unused on the Business Card, less the applicable administrative fee (as specified in Section 16.0) for each E-purse refund processed. Upon surrender of the ORCA Business Card, it will be blocked and a refund, less the administrative fee, will be mailed to the Business Account. The Agencies cannot distinguish between E-purse value purchased by the Business Account and E-purse value that may have been purchased by the individual Cardholder that used the Business Card. The Lead Agency will provide a refund of remaining E-purse value only to the Business Account that owns and surrenders the Card. The refund policy of the Business Account will govern whether the Business Account, in turn, forwards any of the refund to an individual Cardholder that claims to have personally loaded E-purse value onto the Business Card.

5.6 The ORCA Program complies with applicable Washington State Law for escheatment of unused E-purse value.

6.0 Card Registration

6.1 You may participate in the ORCA Program without providing any personal information. If you choose to register your ORCA Card or an ORCA Business Card provided to you by your employer or other entity, the card serial number will be linked to your Personally Identifying Information (see ORCA Privacy Statement for more details). If you choose to register your Card via the Cardholder Website, you will be required to set up an online ORCA account for which you also will be required to provide Personally Identifying Information.

6.2 In registering his/her Card and in creating an online "My ORCA login", the Cardholder agrees to: (a) ensure that all information provided is true, accurate, and complete; (b) promptly notify the Agencies in writing or via the ORCA Website of any changes to his/her name, address, and phone numbers; and (c) receive information about the ORCA Program via email and/or mailings from the Agencies.

6.3 A Cardholder with a registered Card may:

- a. Access information about the Card's use and remaining value by calling ORCA Customer Service or via the Cardholder Website if he/she has an online "My ORCA login".
- b. Report an ORCA Card lost, stolen or damaged and have the Card blocked and replaced in accordance with Section 9.0. Note: a damaged Card will display as lost/stolen in the Card's account history after it has been replaced.
- c. Authorize the Autoload of new ORCA Products in accordance with Section 11.0.

7.0 Lost, Stolen or Damaged Cards

The Cardholder must take all reasonable care to prevent an ORCA Card from being defaced, altered, damaged, lost or stolen. The individual Cardholder or Business Account to whom a Card is issued bears the risk of loss if an ORCA Card is lost, stolen or damaged. A lost, stolen or damaged ORCA Card may remain valid and any ORCA Products loaded on such a Card may continue to be used for transportation services until the Product's value has been used or expires; provided, however, certain types of Cards may be blocked from continued use and replaced as provided in Section 9.0.

8.0 Refunds

8.1 A refund is a benefit of card registration. Refunds will not be provided for unregistered cards.

8.2 A refund may be requested for the E-purse value that remains unused on a registered ORCA card, less the applicable administrative fee (as specified in Section 16.0) for each E-purse refund processed.

8.3 To obtain a refund, the ORCA card must be surrendered to an ORCA customer service office. The ORCA card will be blocked from further use.

8.4 The ORCA agency must establish ownership of original payment method before processing a refund.

8.5 The ORCA agency reserves the right to determine the refund method based on the original method of payment.

8.6 The ORCA agencies are not obligated to provide a refund where proof of ownership or method of payment cannot be established.

8.7 If a transit voucher was used to purchase E-purse value, a refund of that value may be considered taxable income. The ORCA Agencies do not take responsibility for determining whether the refund is taxable. The Cardholder is responsible for reporting taxable income and obtaining tax advice.

8.8 Suspicion of fraudulent activity may result in denial of a refund request. The surrendered card(s) may be retained by the ORCA agency. Fraudulent activity will be reported to the proper authority.

8.9 Refunds of credit card funds may take up to 90 days.

8.10 A Refund Administrative Fee (see Section 16.0) will be deducted from the total amount refunded.

9.0 Blocking and Replacing Certain Cards

9.1 A registered ORCA Card or a Business Card that is reported as lost, stolen or damaged may be blocked and replaced as set forth herein. Unregistered Cards that are not associated with a business account cannot be replaced. See Section 9.7 for lost, stolen or damaged Business Cards.

9.2 To block a lost, stolen or damaged registered ORCA Card and obtain a replacement, the individual to whom the Card was issued or the Associated Cardholder must report the missing or damaged Card.

a. For an Adult, Youth or Low Income replacement card:

I. Submit an online report at www.orcacard.com

II. Call ORCA Customer Service at 888-988-6722 / TTY Relay: 711

III. Go to an ORCA customer service office, or

IV. Submit the request by mail with an ORCA Card Order form. A copy of valid identification is required for Youth or Low Income card replacement.

b. A disabled Regional Reduced Fare Permit (RRFP) ORCA replacement card can only be replaced in person at an ORCA customer service office as a photo must be taken.

c. For a senior RRFP ORCA replacement card:

I. Go to an ORCA customer service office; valid identification may be required.

II. Submit the request by mail with an ORCA Card Order form. A copy of valid identification is required.

9.3 A Card block will be initiated within 48 hours after the report of a missing or damaged Card. Reports may be submitted in person at an ORCA customer services office or by phone and processed during Agency business hours. Outside of regular business hours a registered Card can be reported as lost, stolen or damaged online provided the

Card is registered and the Cardholder or Associated Cardholder has a "My ORCA login". See Section 9.2 for restrictions. The risk of continued use of the E-purse and other ORCA Products by an unauthorized person remains with the Cardholder until the Card is blocked. Requests to block are final and may not be withdrawn.

9.4 A person who reports in person at an ORCA customer service office that a registered individual Card is missing or damaged may immediately obtain a replacement ORCA Card by paying the applicable administrative fee. Such replacement Card will be loaded with the unexpired pass product, if any, that had been on the lost, stolen or damaged Card at the time of the report. An E-purse on a blocked Card will be available on the next tap of the replacement Card, approximately six (6) calendar days after the replacement Card is issued. The E-purse amount that remains on the lost, stolen or damaged Card forty-eight (48) hours after the block is initiated in the ORCA system will be restored to the replacement Card via a remote revalue function. The Agencies are not responsible for any use of the E-purse product prior to the Card block taking effect.

9.5 A person who reports via the Cardholder Website or by phone that a registered individual ORCA Card is missing or damaged will be mailed a replacement ORCA Card in approximately five (5) business days following receipt of the report for the missing or damaged Card and payment of applicable administrative fee. The replacement Card will be loaded with the unexpired pass product, if any, that had been on the lost, stolen or damaged Card at the time of the report. An E-purse or multi-ride product from the blocked Card will be available on the next tap, approximately six (6) calendar days after the Card was reported missing or damaged. The E-purse amount or unused rides from a valid multi-ride product that remained on the lost, stolen or damaged Card forty-eight (48) hours after the block was initiated in the ORCA system will be restored to the replacement Card via a remote revalue function. The Agencies are not responsible for any use of the E-purse or multi-ride product prior to the Card block taking effect.

9.6 To block a lost, stolen or damaged Business Card and obtain a replacement, the individual to whom the Card was distributed must report the missing or damaged Business Card to the Business Account that provided the card. The Business Account then must report it to the ORCA system via the Business Account Website or by calling the Lead Agency. A Business Card block will take effect when the report of a missing or damaged Card is processed in the ORCA system. For fastest processing, it is recommended that the report be submitted via the Card block function in the Business Account Website. Reports submitted by email, phone, or regular mail can only be received and processed during Agency business hours. The risk of continued use of the E-purse and other ORCA Products by an unauthorized person remains with the Business Account until the block takes effect. Requests to block are final and may not be withdrawn.

9.7 The Business Account will provide the replacement Business Card to the individual Cardholder and pay the Lead Agency any applicable fee. The unexpired pass product, if any, that had been on the lost, stolen or damaged Card at the time of the report will be loaded when the replacement Card is tapped after approximately two (2) business days. An E-purse or unused rides of a multi-ride product on a blocked Business Card will be restored when the replacement Card is tapped after approximately six (6) business days. The amount restored will be the E-purse value or unused multi-rides which remained on the lost, stolen or damaged Card at the time the block was processed. The Agencies are not responsible for any use of the E-purse or multi-ride product prior to the Card block taking effect.

10.0 Blocking and Replacing Defective Cards

10.1 If an ORCA Card malfunctions, it will be blocked when it is surrendered at an ORCA customer service office or received at the ORCA Regional Mail Center (201 S Jackson St, MS KSC-TR-0108, Seattle WA 98104-3856).

10.2 You may obtain a replacement for the defective Card at the time it is surrendered by paying the applicable administrative fee. Provided, however, the Card will be replaced without a fee if the Card malfunction, as determined by an Agency customer service representative, was caused by a defect in design, material or workmanship and was not caused by misuse, an intentional act, negligence or damage (reasonable wear and tear excepted).

10.3 If the defective Card is surrendered at an ORCA customer service office, the replacement Card will be loaded with the unexpired pass product, if any, that had been on the defective Card at the time the Card was surrendered and the Card block was initiated. An E-purse or unused rides of a multi-ride product from the blocked Card will be

available on the next tap of the replacement Card, approximately six (6) calendar days after the Card was reported missing or damaged. The E-purse amount or unused rides of a multi-ride product that remained on the defective Card forty-eight (48) hours after the block was initiated in the ORCA system will be restored to the replacement Card via a remote revalue function. The Agencies are not responsible for any use of the E-purse or multi-ride product prior to the Card block taking effect.

10.4 If the defective Card was surrendered to the ORCA Regional Mail Center, a replacement Card will be mailed to the Cardholder within five (5) business days of receipt of the Card and any applicable fee paid by check or money order. The replacement Card will be loaded with the unexpired pass product, if any, that had been on the defective Card at the time the Card was surrendered and the block was initiated. An E-purse or multi-ride product from a blocked Card will be available on the next tap of the replacement Card, approximately six (6) calendar days after the replacement Card is issued. The E-purse amount or unused multi-ride product that remained on the defective Card forty-eight (48) hours after the block was initiated in the ORCA system will be restored to the replacement Card via a remote revalue function. The Agencies are not responsible for any use of the E-purse or multi-ride product prior to the Card block taking effect.

10.5 A defective Card cannot be replaced online.

11.0 Autoload Program

11.1 A registered Cardholder or Associated Cardholder may authorize automatic reloading of ORCA Products and automatic payment by recurring credit card transactions. Autoload may be authorized for ORCA passes or E-purse. A Cardholder or Associated Cardholder may also authorize Autoload for a combination of E-purse and a monthly pass. The list of passes that can be loaded via Autoload is posted on www.orcacard.com. Autoload cannot be authorized on a Card provided by a Business Account.

11.2 In authorizing an Autoload, the Cardholder or Associated Cardholder agrees to:

- a. Ensure that all information provided to ORCA is true, accurate, and complete.
- b. Authorize the ORCA Agencies and their respective service providers to verify the information contained in the Autoload authorization.
- c. Promptly notify the ORCA Agencies of any changes to the Cardholder's or Associated Cardholder's name, address, phone number(s), credit card account information and the other information provided in setting up the Autoload authorization. Changes may be submitted online or by using the printable Autoload Authorization form. IMPORTANT CAUTION: If the specified credit card expires or is otherwise cancelled and the payment fails, the Autoload authorization will be cancelled automatically.
- d. Provide a valid credit card account and authorize a recurring transaction against said credit card account for the purchase the ORCA Products at the prices in effect at the time of each transaction.

11.3 If the Autoload of a monthly pass product (other than the King County Metro Access pass) is authorized:

- a. A new monthly pass will be loaded automatically onto the ORCA Card the first time the Card is used in the new month, and the specified credit card will be charged. IMPORTANT CAUTION: The monthly pass product will Autoload with a fare-paying tap at an ORCA card reader. The full price will be charged regardless of when in that month the ORCA Card is first used.
- b. The amount charged to the specified credit card will be based on the price in effect at the time the Autoload occurs, until and unless the Autoload authorization is terminated as provided herein. The price of the monthly pass product is subject to change by the Agencies.

11.4 If the Autoload Authorization specifies a monthly regional pass product, the face value of a Cardholder's specified pass product may become inadequate over time as a result of fare increases or loss of eligibility under a reduced fare program, i.e. Youth, Low Income or RRF. The Cardholder or Associated Cardholder must cancel the Autoload authorization on the original product and set up a new Autoload if a regional pass product with a higher face value is needed.

11.5 If Autoload of the King County Metro Access pass is authorized:

- a. The credit card payment request will be initiated automatically on the 23rd of each month, until action is taken to cancel the Autoload.
- b. If the credit card charge is successful, an email notification will be sent to the email on record for the Primary or Associated Cardholder and the pass purchase will be documented in King County's Accessible Services division.
- c. If the credit card payment is not successful, the pass will not be purchased and the Autoload will be cancelled.
- d. The price of the King County Metro Access pass is subject to change. If Autoload is authorized, the price in effect at the time the Autoload occurs will be charged, until and unless the Autoload is cancelled.
- e. If the Access pass is authorized for Autoload the ORCA Card does not need to be tapped to set up, update or cancel the Autoload or to load the monthly pass.

11.6 If Autoload of E-purse value is authorized:

- a. The amount to be added must be specified in full dollar increments of at least \$5 but not more than \$300.
- b. The specified amount will be loaded automatically to the ORCA Card and the specified credit card will be charged when the ORCA Card is tapped to pay a fare and the E-purse value is insufficient to pay the fare of the current trip. IMPORTANT CAUTION: An Autoload of an E-purse will not be performed more than once per day or more than five times in a single month.

11.7 An Autoload authorization shall remain in full force and effect until it is terminated by the Cardholder, Associated Cardholder or by the Agencies as follows:

- a. The Cardholder or Associated Cardholder may terminate his/her Autoload authorization by notifying the Agencies via the Cardholder Website or by submitting a signed written termination notice to the ORCA Regional Mail Center (201 S Jackson St, MS KSC-TR-0108, Seattle WA 98104-3856.) The Autoload termination notice shall specify an effective date that is at least ten (10) business days after the date of submittal of the form.
- b. If the specified credit card expires or is otherwise terminated or if a credit card transaction authorized hereunder is rejected, reversed or otherwise fails to cover the price of an Autoload ORCA Product, that product may be blocked to prevent its further use. Under any circumstance, the Customer is liable for payment of the Autoload value if the credit card transaction failed to cover the price.

11.8 If an Autoload is terminated due to failure of a credit card transaction to cover the price of an Autoload ORCA Product, the Cardholder or Associated Cardholder may submit a new Autoload authorization online or by printing and submitting the Autoload Authorization form.

11.9 An Autoload may be set up on a Youth ORCA Card only by the Associated Cardholder.

11.10 Autoload of day pass products is not available.

12.0 Business Accounts and Business Cards

12.1 An employer, school, social service organization or other entity may apply to enter into a Business Account agreement with a Lead Agency to purchase ORCA Cards and ORCA Products for distribution to its employees, students, clients or other participants in its transportation program.

12.2 Each order for Cards and/or products that a Business Account submits and any other use of ORCA Program will be subject to the agreement and the prices in effect at the time of the order or use. A Business Account is responsible for reviewing the prices and fare information available from the Lead Agency before submitting each order; and shall be deemed to have agreed to pay the amount(s) displayed in the website order process by the act of submitting an order.

12.3 Although a Business Account remains the owner of the Business Cards after distribution, the Cardholder has the following privileges in connection with the use of an ORCA Business Card.

- a. The Cardholder may present an ORCA Business Card, loaded with a valid, applicable ORCA Product, to an ORCA fare transaction processor as proof of payment of all or a portion of a required fare on

transportation service operated by one or more of the ORCA Agencies. (Provided, however, an ORCA Product that is not sufficient to fully pay a fare will not be accepted as partial payment by the Washington State Ferries.) In all cases, a Cardholder will be required to make other payment to the extent a fare is not covered by an ORCA Product.

- b. The Cardholder may individually purchase ORCA Products and load them on the Business Card in addition to whatever ORCA Products have been loaded by the Business Account.
- c. The Cardholder may register his/her name and other contact information with the ORCA System and link such personal information to the serial number of the Business Card provided to him/her. Such registration does not give the Cardholder any ownership rights in the Business Card but does give the Cardholder the right to access the ORCA Cardholder Website to view the Card's transaction history and current stored value and to modify travel zone preferences.
- d. The Cardholder may not set up an Autoload on a Card provided by a Business Account.

12.4 The Business Account is responsible for implementation and enforcement of Cardholder Rules of Use and shall require that the Cardholder, as a condition of receiving a Business Card, sign written Cardholder Rules of Use that include:

- a. A prohibition on the sale or transfer of the Business Card.
- b. Notice that the Cardholder is required to pay any difference between a required fare and the value of the fare product loaded onto the Business Card.
- c.
