2024 Rider Experience and Operations Committee Work Plan

In 2024, the Rider Experience and Operations Committee will focus on two areas: 1) transactional matters to oversee operating plans, transit services, and rider experience, and 2) topics of special interest to the committee.

**Overseeing operating plans, transit services, and rider experience**

This work includes committee actions and recommendations required for oversight of Sound Transit’s operating plans and transit services, as well as activities and communications affecting the rider experience. As in previous years, items will include committee consideration and votes to approve or recommend actions to the Board, including:

- Contracts and contract modifications
- Interlocal and other agreements
- Service planning and transit development plans
- Operating agreements
- Regular review of operational, safety, and security metrics and ridership trends
- Other actions as needed for State of Good Repair projects and enhancements to existing facilities

Sound Transit staff have compiled a projected list of specific actions they anticipate bringing before the committee for action by quarter, which is attached.

**Topics of Special Interest to the Committee**

The Rider Experience and Operations Committee will also explore additional areas that are topics of interest to members, responsive to changing circumstances or the public, or emerging issues.

- Passenger Impact Portfolio Plan (Monthly updates)
- Fare Ambassador Program (Quarterly updates)
- DSTT State of Good Repair including Vertical Conveyances
- 2025 Service Plan and operator availability
- 2024 Service Plan for ST Express
- Discussion on Long term light rail service priorities
- Rail fleet management plan

**Reports Provided to the Committee**

The Rider Experience and Operations Committee will continue to receive monthly agency progress reports on Rider Experience Operational, Safety, Security and Other Metrics, as well as monthly contract reports showing contracts executed and/or modified by the CEO that are related to matters under the Committee’s purview.
