

***Contract Amendment for
Technical Consulting
Services for Sounder Fleet
Expansion***

7/2/20

Overview

- In April of this year the Board authorized the purchase of 11 vehicles from Bombardier Transportation for Sounder's ST3 expansion.
- This is a joint procurement with North County Transit District (NCTD) and the San Joaquin Regional Rail Commission (SJRRC).
- R2020-07 provided budget for technical consulting services for Sounder and the pass through funding for the consortium partners (for which ST will be fully reimbursed).

Joint Procurement

ST will be fully reimbursed (\$1.8m+) for partner related services via an intergovernmental agreement.

Agency	Vehicles	Total Amount	Comments
NCTD	11	\$ 862,766	
SJRRC	17	\$ 985,966	
SubTot	28	\$ 1,848,733	Total Reimbursement
Souder	8*	\$ 652,081	
Total	36	\$ 2,500,814	Includes Contingency
Note:			
* 3 additional vehicles were already budgeted in original work scope			

RVBA Work Scope:

RVB+A will provide technical services that include:

- Design reviews to ensure alignment with technical specifications
- Quality Assurance from design through acceptance
- In-plant Inspections/representation
- Delivery and Commissioning support (to 2024)
- Coordination among consortium for optimized value

Thank you.
