

MOTION NO. M2018-25

A motion of the Board of the Central Puget Sound Regional Transit Authority awarding a performance award and directing the Chief Executive Officer to take the specific actions identified in this motion during the remainder of the 2018 performance period.

BACKGROUND:

In December 2015, the Board entered into a three-year one-month employment agreement with Mr. Rogoff (January 1, 2016 through January 31, 2019). The employment agreement provides that Mr. Rogoff's \$312,900 current salary will automatically increase by 5% to \$328,545 on January 1, 2018.

The employment agreement also provides that the Board may, in its discretion, approve additional compensation, not to exceed 10% of the preceding year's annual base salary, as a performance award based on his work in achieving the Board adopted performance objectives and evaluation criteria established for Mr. Rogoff through Motion No. M2017-36 (Attachment A) and the agency's 2017 milestones (Attachment B).

After reviewing the CEO's performance and evaluation criteria over the past year, the Board directs that CEO take the following actions in the course of performing his duties for the remainder of the 2018 performance period:

Attachment A

Performance Objectives for 2017
Peter M. Rogoff
Chief Executive Officer
Sound Transit
March, 2017

As Adopted by the Board in Motion No. M2017-36

- 1) Strive to accomplish each of the agency's identified 26 milestones for 2017 in the quarter in which they are expected, absent intervening events beyond the agency's control; including:
 - Scheduled additions to Sounder service.
 - Construction milestones for ongoing light rail expansion projects.
 - Initiation of project development activities for major new capital projects.

- 2) Maintain and enhance productive partnerships with the Board of Directors to advance agency mission:
 - Build dialogue and continue to provide meaningful, timely support to the Board on all agency activities.
 - Respond to inquiries and information requests from Board Members in a prompt and thorough manner.
 - Enhance transparency and Board Member review through the improvement of staff presentations. Introduce the use of infographics and clear and consistent terminology when briefing Board Members on budget and contract actions.

- 3) Maintain and grow effective relationships with partner jurisdictions, local, state and federal representatives, and other regional stakeholders:
 - Continue to expand network of regional contacts, especially in those jurisdictions slated to receive future Sound Transit service.
 - Continue to lead effectively at the State and Federal level in advancing Sound Transit's mission, capitalizing on opportunities for further financial assistance when they appear.
 - Maintain strong partnerships with regional stakeholder organizations who are invested in Sound Transit's success.

- 4) Increase agency focus on the quality of the customer experience as Sound Transit operates ever higher volumes of daily passenger traffic.
 - Hire a new "Chief Passenger Experience Officer."
 - Establish new systems and processes to improve customer experience demonstrably.

- Retool Board reporting mechanisms and analytics to more accurately depict trends in the quality of the customer experience.
- 5) Reform agency to deliver on the greatly expanded capital program and those projects already in progress:
- Establish a culture of continuous improvement to strengthen the efficiency of the agency's organization and processes.
 - Finalize Sound Transit's Program Implementation Plan following thorough vetting with peer agencies, local transit partners, regional stakeholders, and the Board.
 - Launch initial major elements of the Implementation Plan, including (but not limited to) the establishment of cross-functional, colocated project teams and a colocated Executive Leadership Team, earlier collaboration with community partners in project development, and expanded use of permitting and development agreements.
- 6) Implement new approach to Transit Oriented Development (TOD):
- Establish a process for expanded stakeholder engagement.
 - Retool approach to consider future TOD opportunities when identifying construction staging areas.
 - Implement several parcel offerings under new statutory authorities.
 - Begin evaluating the policy ramifications of these offering to assist the Board in developing a final TOD policy as scheduled in 2018.
