

System Access Fund

Motion No. M2019-97 Awarding first round of funds

9/26/2019

Why we are here

- Recap of System Access Fund 2019 Call for Projects
- Summarize public comment and online open house input
- Review Executive Committee recommendations
- Action to award first round of System Access Funds

***System Access Fund
Call for Projects Overview***

System Access Fund

What is it?

- The major piece of the \$100M ST3 System Access Program that is divided equally between the five sub-areas (\$20M per subarea)
- Intended to fund projects such as:
 - 🚶 *safe sidewalks*
 - 🚲 *protected bike lanes*
 - ♿ *shared use paths*
 - 🚋 *improved bus-rail integration*
 - 🚗 *new pick-up and drop-off areas*

Approach for Fund Administration

- Conduct a call for projects in 2019
 - » *Call opened Feb 19 and closed Apr 12*
- Make between \$0-\$10M per subarea available
 - » *Program funds between 2019-2025*
- Received 53 applications from 33 jurisdictions requesting more than \$86M

How will projects be chosen?

- Initial Sound Transit evaluation
 - » *Policy criteria: customer experience, equity, connectivity, safety & human health*
 - » *Technical criteria: funding plan, delivery plan*
 - » *A high, medium, or low rating for each criteria*
 - » *An overall rating of highly recommended, recommended, or not recommended for each project*
- Public comment period for rider and resident input (open July 26-August 23, 2019)
- Board action to award funds

Public Comment Summary

Public Comment Period Summary

Input received

- Online open house available between July 26-August 23
 - » *2,659 project-specific survey responses*
 - » *519 evaluation criteria survey responses*
 - » *409 open-ended comments*
- Two comment letters
- 56 letters of support

Public Comment Period Summary

Project-specific survey responses

- Respondents could rate projects as Very Important, Important, or Not Important
- Results largely aligned with Sound Transit's evaluation ratings
- Project-specific survey responses ranged from 119 to 657
