*Images are early proposal renderings and are subject to change during final design development*
King County Metro Bus Layover

Betterment agreement

- Result of collaborative partnership between Sound Transit and King County Metro, and betterment scope is supported by City of Kent.
- Enables expanded local transit connections to Kent Station.
- Scope includes layover, zero emissions charging infrastructure, and facilities to support transit operators.
- Delivery of betterment scope will require close coordination with City of Kent.
Today's Actions

Resolution M2023-32 Sumner, Kent, and Auburn Parking and Access Improvement Phase Budget Transfer
Amend the adopted 2023 Budget to transfer $2.9M between phases of the Sumner, Kent, and Auburn project

Motion M2023-87 Contract Modification for Design-Build Project Management (DBPM) Services for the Kent Station Parking and Access Improvement Project
Contract modification with HNTB to exercise an option to support delivery of the Kent portion of the Sumner, Kent & Auburn project.
Today's Actions

Motion M2023-88 Agreement with King County Metro for Kent Station Parking and Access Improvement Project
Betterment agreement with King County Metro for a bus layover facility to be delivered as part of the Kent project.

Motion M2023-89 Design-Build Contract Award for the Kent Station Parking and Access Improvement
The total authorized contract with Absher Construction Co. is $71.5M, which includes a contract option of $9M for a King County Metro Bus Layover.
Sumner, Kent, & Auburn SPAI: Board approves HNTB contract modification and Absher Construction Co. contract execution for Kent Station.
Thank you.
