### New TIFIA Loan Agreement and Refunding of Existing Loans

Meeting:	Date:	Type of action:	Staff contact:
Board	06/24/2021	Final action	<b>Tracy Butler, Chief Financial Officer</b> Heather Rochelle, Grant and Loan Administrator

### Proposed action

**Resolution No. R2021-03:** Authorizes the issuance of the not to exceed \$520,981,378 (plus capitalized interest thereon) sales tax and motor vehicle excise tax bond, series 2021T-1 (Downtown Redmond Project: TIFIA – 2021 – 1006A), to evidence the payment obligations of the Authority pursuant to a TIFIA loan agreement between the Authority and the United States Department of Transportation, acting by and through the Executive Director of the Build America Bureau; and providing for other matters properly relating thereto.

**Resolution No. R2021-04:** Authorizes the issuance of sales tax and motor vehicle excise tax bonds, in one or more series, to evidence the payment obligations of the Authority pursuant to one or more TIFIA loan agreements between the Authority and the United States Department of Transportation, acting by and through the Executive Director of the Build America Bureau, each for the purpose of prepaying, refunding, and/or terminating and canceling an outstanding bond if the interest rate on each loan can be reduced to effect a debt service savings, paying or reimbursing a portion of the costs of certain projects, and paying costs of issuance of the bond; and providing for other matters properly relating thereto.

### Key features summary

- Resolution No. R2021-03 authorizes the execution of a \$521 million Transportation Infrastructure Finance and Innovation Act (TIFIA) Loan Agreement for the Downtown Redmond Link Extension project. This TIFIA loan will match the terms in the Master Credit Agreement and the related TIFIA Loan agreements.
- Resolution No. R2021-04 authorizes the refunding of one or more of the five current TIFIA Loan Agreements with the United States Department of Transportation if the refinancing rate at the time of closing is lower than the existing loan rate and it is economically feasible to do so. The terms of each current TIFIA loan will remain the same.
- The interest rate on each TIFIA loan is fixed at closing at the comparable U.S. Treasury rate plus 0.01%. The range of interest rate over the last month has been between 2.14% to 2.40%.
- Resolution No. R2021-04 would permit the CEO and CFO to refinance the following TIFIA loans if the interest rate will be lower than the existing loan:
  - Northgate Link Extension Project (\$615 million) (3.13%)
  - Lynnwood Link Extension Project (\$658 million) (3.06%)
  - Federal Way Link Extension Project (\$629 million) (2.36%)
  - O&M Facility East Project (\$88 million) (2.73%)
  - East Link Extension Project (\$1.33 billion) (2.38%)

- Closing of the TIFIA loan for the Downtown Redmond Link Extension Project and the refunding of one or more of the other loans is expected to occur by the end of July 2021.
- The TIFIA Agreements pledge to the payment of the TIFIA loans the total agency Sales Tax, MVET and Rental Car Tax.

## **Background**

### Current TIFIA Loans

The Transportation Infrastructure Finance and Innovation Act of 1998 (“TIFIA”) provides federal credit assistance in the form of direct loans to finance surface transportation projects of national and regional significance. In January 2015, Sound Transit closed the East Link TIFIA Loan in the amount of \$1.33 billion. In December 2016, Sound Transit closed the Master Credit Agreement and the Northgate Link Extension Loan in the amount of \$615 million. Subsequently, Sound Transit closed the O&M Facility East loan in June 2017 in the amount of \$87 million, the Lynnwood Link Extension Project in December 2018 in the amount of \$658 million and Federal Way Link Extension Project in December 2019 in the amount of \$629 million.

The loans represent between 20% to 33% of total eligible project cost.

Each agreement is obligated to make interest-only payments for five years. After five years, Sound Transit will make semiannual principal payments plus interest on the outstanding balance as outlined in each of the individual loan amortization schedules. The final maturity of the loans is range from 2055 to 2059. The principal of each TIFIA loan may be prepaid without penalty at any time at the option of Sound Transit.

### Current loans refunding

The refunding of the current loans does the following:

- Prepay, refund and/or terminate and cancel an outstanding bond
- Close the current loans
- Reissue new loans with the exact same loan amounts with the same terms as the original agreements
- New loans will have new fixed rates as long as it is lower than the loans’ current rates

### Downtown Redmond Link Extension Project loan principal amount and maturity

This TIFIA loan is authorized for up to \$521 million of construction and permanent financing for the Downtown Redmond Link Extension Project, which is approximately 33% of eligible capital project costs. The TIFIA Agreement ensures access to financing through 2025, one year after the expected completion of the project, and the TIFIA loan may be drawn down as needed. This TIFIA loan will match the terms in the Master Credit Agreement and the related TIFIA Loan agreements.

### Interest rate

The interest rate on each TIFIA loan is fixed at closing at the comparable U.S. Treasury rate plus 0.01%. On the day of loan closing, existing loans that benefit from a lower interest rate will be refunded and replacement loans would be executed.

### Source of payment

Debt service on the TIFIA loans is payable from the same sources pledged to the Prior Bonds and Parity Bonds (Sales Tax, MVET and Rental Car Tax, including the ST3 taxes, but not the ST3 property tax).

### Existing covenants

The TIFIA loan includes many of the same covenants made to holders of Prior Bonds and Parity Bonds, including the following: (1) Sound Transit must continue to impose the Sales Tax, MVET (ST3 MVET only) and Rental Car Tax; and (2) Sound Transit must continue to apply the Sales Tax, MVET and Rental Car Tax in the existing order of priority, with payment of the TIFIA loans after all other indebtedness but prior to payment of operating and maintenance expenses. Sound Transit is to maintain 1.1x coverage of pledged taxes over TIFIA debt service prior to issuance of any other agency bonds. Sound Transit is to maintain net debt service coverage of 1.0x coverage of all revenues over all debt service and operating and maintenance expenditures prior to issuance of any other agency bonds. Under each loan agreement, Sound Transit undertakes a number of obligations, including: fund a reserve account equal to six months debt service on all TIFIA loans if in any year tax revenues drop below 1.50x debt service on all bonds payable from the taxes pledged to the payment of the TIFIA loans; and defend the federal government in any litigation that arises in connection with the Projects.

In addition, the TIFIA loan requires Sound Transit to make several additional covenants includes the following: (1) Sound Transit must fund a reserve account equal to six months debt service on all TIFIA loans if in any year tax revenues drop below 1.50 times debt service on all bonds payable from taxes pledged to the payment of the TIFIA loans; (2) Sound Transit must defend the federal government in any litigation that arises in connection with the Projects; and (3) Sound Transit may not acquire the assets of other businesses other than in the course of Sound Transit's ordinary business.

### Reporting, monitoring and compliance with laws

The TIFIA loan requires extensive reporting, monitoring and compliance with laws; some of these requirements are similar to those required as a condition to the receipt of federal operating grants. The TIFIA loan requires that Sound Transit provide a Recovery Plan to the TIFIA Lender upon the occurrence of certain events, including a 5% increase in a Project budget or substantial delay in an expected Project completion date.

### Requirements for issuing additional bonds

The TIFIA loan permits Sound Transit to issue additional bonds only if all other applicable covenants made to those bond holders are satisfied and only if: (1) the Sales Tax, ST3 MVET and Rental Car Tax are forecasted to be sufficient to provide 1.10 times debt service coverage in each year on all bonds payable from those taxes and (2) all revenues of Sound Transit are forecasted to be at least equal to pay debt service and operating and maintenance expenses in each year (1.00 times net revenue). In addition, Sound Transit may not issue additional bonds unless at the time all TIFIA loans are either rated at least "A-" or "A3" or the rating on the TIFIA loans will not be downgraded as a direct result of issuing such additional bonds.

### Prepayment if no capital program being developed

If the Board is not actively engaged in the development of a capital program expanding the Sound Transit system pursuant to a voter approved capital expenditure program, Sound Transit would be required to use half of any Sales Tax, MVET and Rental Car Tax revenue available after payment of debt service and operating and maintenance expenses to prepay the TIFIA loans.

### Remedies upon default

The TIFIA Loan Agreement treats a default by Sound Transit under certain agreements (such as major construction contracts and the interlocal agreements associated with the Projects and any agreement relating to indebtedness of Sound Transit) as a default under the TIFIA loan (also known as a "cross-default"). If Sound Transit were to default in payment or under any of the various covenants made in the TIFIA Loan Agreement, including by cross default, the interest rate on the TIFIA loans could be

increased by 2% and Sound Transit could be debarred from receiving additional federal funds. However, the TIFIA Loan Agreement and related loan agreements do not provide for any acceleration of principal upon a default and the debt service payment schedule would not be affected.

## **Fiscal information**

These TIFIA loans are expected to generate between \$70-\$380 million of additional financial capacity for Sound Transit.

The 2021 budget includes \$668,000 to pay for the TIFIA application fee and related consulting costs required for the issuance of the TIFIA master credit agreement and loans. Ongoing costs related to the TIFIA master credit agreement and loans will be included in future budget requests, including annual fees for rating agency and loan oversight costs.

## **Disadvantaged and small business participation**

Not applicable to this action.

## **Public involvement**

Not applicable to this action.

## **Time constraints**

The targeted closing date for the TIFIA Loan Agreement for Downtown Redmond Link Extension and the refunding of one or more of the current TIFIA loan agreements by July 2021. If the Board delays voting on this action at the June Board meeting, the TIFIA loans cannot be closed as planned and potentially miss interest rate savings opportunities.

“Rental Car Tax” means the rental car sales and use tax authorized by RCW 81.104.160(2).

“Sales Tax” means the sales and use tax authorized by RCW 81.104.170.

“Second Tier Junior Obligations” means each TIFIA Bond, each Outstanding TIFIA Bond that is not prepaid, refunded, and/or terminated and canceled in connection with the issuance of a TIFIA Bond, and any other obligations of the Authority secured by a pledge of or payable from the Pledged Taxes on a parity with the pledge that secures each TIFIA Bond and each Outstanding TIFIA Bond that is not prepaid, refunded, and/or terminated and canceled in connection with the issuance of a TIFIA Bond.

“ST3 Motor Vehicle Tax” means the additional motor vehicle excise tax authorized by RCW 81.104.160 and, subject to voter approval pursuant to Resolution No. R2016-17, adopted by the Board on June 23, 2016, fixed, levied, and imposed on November 29, 2016, for collection commencing January 1, 2017, at the rate of 0.8 percent.

“ST3 Sales Tax” means the additional sales and use tax authorized by RCW 81.104.170 and, subject to voter approval pursuant to Resolution No. R2016-17, adopted by the Board on June 23, 2016, fixed, levied, and imposed on November 29, 2016, for collection commencing January 1, 2017, at the rate of 0.5 percent.

“TIFIA Bond” means, with respect to a Project, the sales tax and motor vehicle excise tax bonds authorized to be issued pursuant to this Resolution, the terms of which are as set forth in the TIFIA Loan Agreement for such Project.

“TIFIA Lender” means the United States Department of Transportation, an agency of the United States of America, acting by and through the Executive Director of the Build America Bureau.

“TIFIA Loan Agreement” means, with respect to a Project, the TIFIA Loan Agreement to be entered into between the TIFIA Lender and the Authority, authorized to be executed, delivered, and performed pursuant to this Resolution, which provides for, subject to the terms and conditions set forth in such TIFIA Loan Agreement, a TIFIA Loan for such Project, with such TIFIA Loan to be evidenced by a TIFIA Bond to be issued for such Project pursuant to this Resolution.

Section 2. Findings and Determinations. The Board finds and determines as follows.

(a) The Board, pursuant to RCW 81.112.130, 81.112.140, and 81.104.180 and the Prior Bond Resolution and Resolution No. 98-48, authorized the issuance of Prior Bonds, secured by a pledge of the Local Option Taxes, to finance improvements for the purpose of providing high-capacity transportation service, and further authorized the issuance of additional Prior Bonds.

(b) The Board, pursuant to RCW 81.112.130, 81.112.140, and 81.104.180 and Resolution Nos. R2009-16 and R2009-18, authorized the issuance of Parity Bonds, secured by a pledge of the Pledged Taxes subordinate to the pledge of Local Option Taxes securing the Prior Bonds, to finance improvements for the purpose of providing high-capacity transportation service and to refund certain then-outstanding bonds of the Authority, and further authorized the issuance of additional Parity Bonds.

(c) Pursuant to Resolution No. R2016-16, adopted by the Board on June 23, 2016, the Board authorized and adopted the Sound Transit 3 Plan as a regional transit system plan to provide additional high capacity transportation facilities in the central Puget Sound region.

(d) Pursuant to Resolution No. R2016-17, adopted by the Board on June 23, 2016, subject to voter approval, the Board fixed, levied, and imposed the ST3 Sales Tax and the ST3 Motor Vehicle Tax on November 29, 2016, for collection commencing January 1, 2017.

(e) The Board, pursuant to Resolution No. R2016-33, designated the ST3 Motor Vehicle Tax and ST3 Sales Tax as Adopted Prior Rate Adjustments, included such taxes as Local Option Taxes, and pledged such taxes to the payment of the Prior Bonds.

(f) The Board, pursuant to Resolution No. R2016-32, (i) pledged the 1996 Motor Vehicle Tax to the payment of Parity Bonds and Junior Obligations and (ii) designated the ST3 Motor Vehicle Tax and ST3 Sales Tax as Adopted Parity Rate Adjustments, included such taxes as Pledged Taxes, and pledged such taxes to the payment of the Parity Bonds and Junior Obligations.

(g) It is in the best interests of the Authority and its taxpayers to issue a TIFIA Bond for a Project for the purpose of prepaying, refunding, and/or terminating and canceling the Outstanding TIFIA Bond for such Project to effect a debt service savings, paying or reimbursing Eligible Project Costs for such Project, and paying costs of issuance of such TIFIA Bond if, in the determination of the Designated Authority Representative, the interest rate per annum to be borne by such TIFIA Bond is at least one basis point (0.01%) lower than the interest rate per annum borne by such Outstanding TIFIA Bond and as a result, a savings will be effected by the difference between the principal and interest cost over the life of such TIFIA Bond and the principal and interest cost over the life of such Outstanding TIFIA Bond but for such prepayment, refunding, and/or termination and cancelation.

(h) The issuance of a TIFIA Bond for a Project for the purpose of prepaying, refunding, and/or terminating and canceling the Outstanding TIFIA Bond for such Project to effect a debt service savings, paying or reimbursing Eligible Project Costs for such Project, and paying costs of issuance of such TIFIA Bond in accordance with the provisions of this Resolution will discharge and satisfy the obligations, pledges, charges, trusts, covenants and agreements of the Authority under such Outstanding TIFIA Bond and the resolutions of the Authority authorizing the issuance of such Outstanding TIFIA Bond, and such Outstanding TIFIA Bond shall no longer be deemed to be outstanding immediately upon the prepayment, refunding, and/or termination and cancelation of such Outstanding TIFIA Bond. To the extent the Outstanding TIFIA Bond for a

Project is not so prepaid, refunded, and/or terminated and cancelled in connection with the issuance of a TIFIA Bond for such Project pursuant to this Resolution, such Outstanding TIFIA Bond shall remain outstanding and in full force and effect and shall remain a Second Tier Junior Obligation secured by the TIFIA Lien on Pledged Taxes, and the Authority shall remain bound by the terms, conditions, and provisions of: (1) with respect to the Outstanding TIFIA Bond for the East Link Light Rail Project, the East Link Resolution and the TIFIA Loan Documents for the East Link Light Rail Project; and (2) with respect to the Outstanding TIFIA Bond for each other Project, the MCA Resolution and the TIFIA Loan Documents for such Project; all of which, in each such case, are hereby reaffirmed, ratified, and confirmed by the Authority.

(i) Pursuant to Resolution No. R2018-24, adopted by the Board on July 26, 2018, the Board adopted an Asset Liability Management Policy that provides, among other things, that unless otherwise justified, a current refunding of debt with more than ten years to maturity requires a minimum present value savings of at least three percent. The Board finds that the minimum savings determined in subsection (g) of this Section (namely, that with respect to each Project for which a TIFIA Bond is issued pursuant to this Resolution, the interest rate per annum to be borne by such TIFIA Bond must be at least one basis point (0.01%) lower than the interest rate per annum borne by the Outstanding TIFIA Bond for such Project) is justified because a savings will be effected by the difference between the principal and interest cost over the life of such TIFIA Bond and the principal and interest cost over the life of such Outstanding TIFIA Bond.

(j) The pledges of taxes made herein and other provisions of this Resolution will benefit the Authority and the TIFIA Lender.

Section 3. Designated Authority Representative; Authorization and Description of TIFIA Bonds.

(a) Designated Authority Representative. Each of the Chief Executive Officer and the Chief Financial Officer of the Authority is appointed as the Designated Authority Representative and is authorized and directed to conduct the sale of a TIFIA Bond for each Project in the manner and upon the terms deemed most advantageous to the Authority, and to approve the terms of the

TIFIA Loan Agreement and the TIFIA Bond for such Project within the parameters set forth in this Resolution.

(b) TIFIA Bonds. The Authority is authorized to borrow money on the credit of the Authority and to issue a TIFIA Bond for each Project for the purpose of prepaying, refunding, and/or terminating and canceling the Outstanding TIFIA Bond for such Project to effect a debt service savings, paying or reimbursing Eligible Project Costs for such Project, and paying costs of issuance of such TIFIA Bond, all as described in, and in accordance with the provisions of, the TIFIA Loan Agreement for such Project.

(1) The maximum principal amount (excluding capitalized interest) of the TIFIA Bond for a Project shall not exceed the maximum principal amount (excluding capitalized interest) of the Outstanding TIFIA Bond for such Project.

(2) The TIFIA Bond for each Project shall be dated the date of its delivery to the TIFIA Lender and shall mature on the Final Maturity Date specified in the TIFIA Loan Agreement for such Project, which Final Maturity Date shall not be later than the stated maturity date of the Outstanding TIFIA Bond for such Project.

(3) The TIFIA Bond for each Project shall bear interest at a fixed rate, calculated by adding one basis point (0.01%) to the rate of securities of a similar maturity as published on the Effective Date in the TIFIA Loan Agreement for such Project in the United States Treasury Bureau of Public Debt's daily rate table for State and Local Government Series (SLGS) securities; provided, that the fixed rate per annum as so calculated shall be at least one basis point (0.01%) lower than the interest rate per annum borne by the Outstanding TIFIA Bond for such Project.

(4) The TIFIA Bond for each Project shall be payable in such amounts and at such times, and shall be subject to prepayment, all in accordance with the provisions of the TIFIA Loan Agreement for such Project.

(5) The TIFIA Bond for each Project shall be issued in the form of Exhibit A to the TIFIA Loan Agreement for such Project and shall conform in all respects to the terms and conditions specified in this Resolution and such TIFIA Loan Agreement.

(6) Payment of principal of and interest on the TIFIA Loan for each Project shall be made as specified in the TIFIA Loan Agreement for such Project, and as recorded on Exhibit E to such TIFIA Loan Agreement, as such exhibit may be amended in accordance with the terms of the such TIFIA Loan Agreement.

(c) Prepayment, Refunding, and/or Termination and Cancellation of Outstanding TIFIA Bonds. The Designated Authority Representative is authorized and directed to determine which, if any, of the Outstanding TIFIA Bonds are to be prepaid, refunded, and/or terminated and canceled. For each Outstanding TIFIA Bond that is to be so prepaid, refunded, and/or terminated and canceled, the Designated Authority Representative shall determine the Refunding/Cancellation Date, and on such Refunding/Cancellation Date, the Authority shall prepay, refund, and/or terminate and cancel such Outstanding TIFIA Bond, in accordance with the provisions of such Outstanding TIFIA Bond, this Resolution, and chapter 39.53 RCW. In connection therewith, the Designated Authority Representative is authorized and directed to execute and deliver the prepayment notice and/or termination letter required by the TIFIA Lender in connection with any such prepayment, refunding, and/or termination and cancellation.

Section 4. Security for TIFIA Bonds. Each TIFIA Bond shall be a Second Tier Junior Obligation secured by the TIFIA Lien on Pledged Taxes. The 1996 Motor Vehicle Tax, the ST3 Sales Tax, and the ST3 Motor Vehicle Tax are pledged to the payment of each TIFIA Bond. Such pledge of the Pledged Taxes to the payment of each TIFIA Bond for the benefit of the TIFIA Lender is subject to the prior pledges that have been and may hereafter be created in favor of the Prior Bonds, the Parity Bonds, the First Tier Junior Obligations, and any other obligations of the Authority issued or incurred in accordance with the provisions of the Prior Bond Resolution, the Parity Bond Master Resolution, and each TIFIA Loan Agreement and secured by a pledge of or

payable from the Local Option Taxes or the Pledged Taxes as described in paragraphs “First” through “Sixth” in Section 6(b) of this Resolution.

Section 5. Approval of TIFIA Loan Agreements. The Authority has negotiated the Draft TIFIA Loan Agreement with the TIFIA Lender, which is incorporated herein by this reference. The Board finds that with respect to each TIFIA Bond to be issued for a Project pursuant this Resolution, the execution, delivery, and performance by the Authority of a TIFIA Loan Agreement for such Project substantially in the form of the Draft TIFIA Loan Agreement are in the Authority’s best interest. The Board therefore approves, with respect to each TIFIA Bond to be issued for a Project pursuant to this Resolution, the TIFIA Loan Agreement for such Project substantially in the form of the Draft TIFIA Loan Agreement, in which the same interest rate (as determined for such TIFIA Bond pursuant to Section 3 of this Resolution) shall be inserted on the Effective Date in such TIFIA Loan Agreement as the interest rate on the TIFIA Loan for such Project, and with such other changes or supplements to the Draft TIFIA Loan Agreement, if any, as are approved by the Designated Authority Representative (such approval to be conclusively evidenced by the execution and delivery thereof), and authorizes its execution and delivery by the Designated Authority Representative on behalf of the Authority.

Section 6. Local Option Tax Accounts and Additional Taxes Accounts; Flow of Funds.

(a) Local Option Tax Accounts. The Authority maintains Local Option Tax Accounts into which it promptly deposits Pledged Taxes upon the receipt thereof. The Authority may create a Tax Stabilization Subaccount in the Local Option Tax Accounts and deposit Pledged Taxes collected in any Fiscal Year into that subaccount or withdraw Pledged Taxes deposited therein from such subaccount and use amounts in such subaccount for any lawful purposes in accordance with the flow of funds set forth in Section 6(b) of this Resolution, and subject to the requirements set forth in the Prior Bond Resolution and the Parity Master Bond Resolution. The Tax Stabilization Subaccount may be the same subaccount of that name established under Section 2(a) of the Prior Bond Resolution. Notwithstanding the foregoing, the Authority may

provide that Additional Taxes shall be deposited into Additional Taxes Accounts, including a separate tax stabilization subaccount therein.

(b) Flow of Funds. Pledged Taxes deposited in the Local Option Tax Accounts shall be used by the Authority only for the following purposes and in the following order of priority. Additional Taxes deposited in the Additional Taxes Accounts shall be applied by the Authority for the purposes and in the order of priority set forth below, beginning with paragraph “Third.”

First, to make all payments required to be made into the Prior Bond Account in the following order:

- (1) to pay the interest when due on the Prior Bonds (including regularly scheduled payments under any Qualified Hedge for the Prior Bonds); and
- (2) to pay maturing principal (including sinking fund redemptions) of the Prior Bonds;

Second, to make all payments required to be made into the Prior Reserve Account by the Prior Bond Resolution to meet the Prior Reserve Account Requirement and to make all payments required to be made pursuant to a reimbursement obligation in connection with a qualified letter of credit or qualified insurance with respect to the Prior Reserve Account Requirement; provided that, if there is not sufficient money to make all payments under all such reimbursement agreements, the payments will be made to the providers on a pro rata basis;

Third, to make all payments required to be made into the Parity Bond Account in the following order:

- (1) to pay the interest when due on Parity Bonds (including regularly scheduled payment obligations under any Qualified Hedge for the Parity Bonds);
- (2) to pay the maturing principal (including sinking fund redemptions) of Parity Bonds; and
- (3) to reimburse the provider of any Credit Facility (other than a Credit Facility obtained to satisfy all or a part of the Parity Reserve Account Requirement, and other than the provider of a Liquidity Facility), if any, for payments of the principal and/or interest on

Parity Bonds; provided that, if there is not sufficient money to make all payments under all such reimbursement agreements, the payments will be made to the providers on a pro rata basis;

Fourth, to make all payments required to be made (i) into the Parity Reserve Account under any Series Resolution authorizing the issuance of Parity Bonds that are Covered Parity Bonds to meet the Parity Reserve Account Requirement for Covered Parity Bonds and (ii) into a separate reserve account or into a subaccount within the Parity Reserve Account established in a Series Resolution for one or more Series of Parity Bonds that are not Covered Parity Bonds; and to make all payments required to be made pursuant to a reimbursement obligation in connection with a Credit Facility, if any, with respect to the Parity Reserve Account Requirement; provided that, if there is not sufficient money to make all payments under all such Parity Bond reserve account reimbursement agreements, the payments will be made to the providers on a pro rata basis;

Fifth, to make all of the following required payments in the following order (provided that the Authority may specify that payments relating to First Tier Junior Obligations specified in this paragraph “Fifth” and/or in paragraph “Sixth” be made in any other order or priority):

(1) to pay the interest when due on First Tier Junior Obligations (including regularly scheduled payment obligations under any Qualified Hedge for the First Tier Junior Obligations);

(2) to pay the maturing principal (including sinking fund redemptions) of First Tier Junior Obligations; and

(3) to reimburse the provider of any Credit Facility (other than a Credit Facility obtained to satisfy all or a part of any reserve account requirement for First Tier Junior Obligations, and other than the provider of a Liquidity Facility), if any, for payments of the principal and/or interest on First Tier Junior Obligations; provided that, if there is not sufficient money to make all payments under all such reimbursement agreements, the payments will be made to the providers on a pro rata basis;

Sixth, to make all payments required to be made (i) to meet any reserve account requirement for First Tier Junior Obligations and (ii) pursuant to a reimbursement obligation in connection with a Credit Facility, if any, with respect to such reserve account requirement; provided that, if there is not sufficient money to make all payments under all such reserve account reimbursement agreements, the payments will be made to the providers on a pro rata basis;

Seventh, to make all of the following required payments in the following order:

(1) to pay the interest when due on each TIFIA Bond and any other Second Tier Junior Obligations (including regularly scheduled payment obligations under any Qualified Hedge for the Second Tier Junior Obligations);

(2) to pay the maturing principal (including sinking fund redemptions) of each TIFIA Bond and any other Second Tier Junior Obligations; and

(3) to reimburse the provider of any Credit Facility (other than a Credit Facility obtained to satisfy all or a part of any reserve account requirement for Second Tier Junior Obligations, and other than the provider of a Liquidity Facility), if any, for payments of the principal and/or interest on Second Tier Junior Obligations; provided that, if there is not sufficient money to make all payments under all such reimbursement agreements, the payments will be made to the providers on a pro rata basis;

Eighth, to make all payments required to be made to meet any reserve account requirement for any TIFIA Bond or any other Second Tier Junior Obligations (including payments required to be made into the TIFIA Reserve Account pursuant to Section 15(k) (*Funds and Accounts*) of each TIFIA Loan Agreement executed and delivered pursuant to this Resolution to meet the TIFIA Reserve Account Requirement) and to make all payments required to be made pursuant to a reimbursement obligation in connection with a Credit Facility, if any, with respect to such reserve requirement; provided that, if there is not sufficient money to make all payments under all such reserve account reimbursement agreements, the payments will be made on a pro rata basis;

Ninth, to the payment of fees, administrative costs, and other expenses of the TIFIA Lender;

Tenth, to pay costs of operating and maintaining the Authority and its System, including all of its public transportation facilities and assets, in a state of good repair;

Eleventh, to fund any termination payment in connection with a Qualified Hedge to the extent permitted in each TIFIA Loan Agreement;

Twelfth, upon the occurrence and continuation of a Revenue Sharing Trigger Event, an amount equal to the Excess Taxes for such month, for deposit into the Revenue Sharing Account; and

Thirteenth, for any lawful purpose of the Authority; provided, that the Authority may determine that items in this “Thirteenth” category shall be paid in a specified order of priority.

Section 7. Pledge of Pledged Taxes. From and after the issuance and delivery of each TIFIA Bond and for so long as the TIFIA Bond remains outstanding, the Authority irrevocably obligates and binds itself to impose, collect, and deposit all Pledged Taxes into the Local Option Tax Accounts and the Additional Taxes Accounts, as applicable. All Second Tier Junior Obligations now or hereafter outstanding shall be equally and ratably payable and secured hereunder and under each Series Resolution authorizing their issuance without priority by reason of date of adoption of any such Series Resolution or by reason of their date of sale or delivery; provided, that any Second Tier Junior Obligations also may be payable from and secured by credit enhancement specifically pledged to or provided for those Second Tier Junior Obligations. The Authority may also, at its sole option, apply amounts legally available from any other source to the payment of Second Tier Junior Obligations or to make the deposits required hereunder. The Authority expressly reserves the right (but is not obligated) to include and pledge Additional Taxes, and/or receipts resulting from an Adopted Pledged Taxes Rate Adjustment, as “Pledged Taxes.” The Board has determined that the future inclusion of such Additional Taxes and/or receipts resulting from an Adopted Pledged Taxes Rate Adjustment as Pledged Taxes will benefit the Authority and the owners of Second Tier Junior Obligations.

The TIFIA Bond for each Project is a special limited obligation of the Authority payable from and secured solely by Pledged Taxes, the amounts, if any, in the TIFIA Debt Service Account, the TIFIA Reserve Account, and the Construction Account for such Project and the Pledged Taxes in the Local Option Tax Accounts, the Additional Taxes Accounts, and the Tax Stabilization Subaccount, subject, with respect to the Pledged Taxes, to the prior pledges that have been and may hereafter be created in favor of the Senior Obligations. Each TIFIA Bond is a "Subordinate Obligation" as that term is defined by and under the Prior Bond Resolution and the Parity Bond Master Resolution.

There are hereby pledged for the payment of the TIFIA Bond for each Project (a) amounts in the TIFIA Debt Service Account, the TIFIA Reserve Account, the Revenue Sharing Account, and the Construction Account for such Project, and earnings thereon, and such pledge is hereby declared to be a charge on the amounts in such accounts equal to the charge of any other Second Tier Junior Obligations owed to the TIFIA Lender thereon, and superior to all other charges of any kind or nature, and (b) the Pledged Taxes and amounts in the Local Option Tax Accounts, the Additional Taxes Accounts, and the Tax Stabilization Subaccount and earnings thereon, to the extent amounts and earnings in the Local Option Tax Accounts, the Additional Taxes Accounts, and the Tax Stabilization Subaccount represent revenues from Pledged Taxes, and such pledge is hereby declared to be a prior charge upon the Pledged Taxes and such accounts superior to all other charges of any kind or nature except the charge of the Prior Bonds on Local Option Taxes and such accounts and the charges of the Parity Bonds and the First Tier Junior Obligations on Pledged Taxes and such accounts, and equal to the charge of any other Second Tier Junior Obligations.

Following the occurrence and during the continuance of a default under the Prior Bond Resolution or the Parity Bond Master Resolution or any Series Resolution authorizing the issuance of First Tier Junior Obligations, Local Option Taxes or Pledged Taxes may not be used to pay the principal of or interest on Second Tier Junior Obligations unless all deposits and

payments required to be made with respect to the Senior Obligations have been fully made or paid.

No TIFIA Bond is an obligation of the State of Washington or any political subdivision thereof other than the Authority. No TIFIA Bond constitutes a lien or charge upon any general fund or upon any money or other property of the Authority not specifically pledged thereto.

Section 8. Future Bonds. The Authority may issue Future Bonds only in accordance with the provisions of each TIFIA Loan Agreement.

Section 9. No Acceleration. Upon the occurrence of a default under this Resolution, any TIFIA Bond, or any TIFIA Loan Agreement, no payment of any TIFIA Bond shall be subject to acceleration. No Series Resolution authorizing a series of Prior Bonds, Parity Bonds, Junior Obligations, or other obligations for borrowed money secured by a pledge of the Local Option Taxes or the Pledged Taxes shall provide that the maturity date of such Prior Bonds, Parity Bonds, Junior Obligations, or other obligations may be accelerated (not including any indirect acceleration of the maturity thereof through reimbursement obligations to the provider of a credit facility occurring as a result of the mandatory tender for purchase thereof).

Section 10. No Defeasance. The Authority shall not defease any TIFIA Bond without the prior written consent of the TIFIA Lender.

Section 11. Creation of Accounts. The Authority is authorized to create, if necessary, and maintain the accounts described in and for the purposes described in each TIFIA Loan Agreement, including each Construction Account, the Revenue Sharing Account, the TIFIA Debt Service Account, and the TIFIA Reserve Account, and the Authority is hereby directed to create each Construction Account, the Revenue Sharing Account, the TIFIA Debt Service Account, and the TIFIA Reserve Account, to the extent not already created.

Section 12. Contract; Severability. The covenants or agreements contained in this Resolution shall constitute a contract between the Authority and the TIFIA Lender. If any one or more of the covenants or agreements provided in this Resolution to be performed on the part of the Authority shall be declared by any court of competent jurisdiction and final appeal (if any

appeal be taken) to be contrary to law, then such covenant or covenants, agreement or agreements, shall be null and void and shall be deemed separable from the remaining covenants and agreements in this Resolution and shall in no way affect the validity of the other provisions of this Resolution or of any TIFIA Bond or any TIFIA Loan Agreement.

Section 13. General Authorization. Each Designated Authority Representative, or his or her respective designee or designees, is individually authorized to take such actions and to execute such documents as in his or her judgment may be necessary or desirable to carry out the transactions contemplated in connection with this Resolution, and to do everything necessary or desirable (a) for the prompt delivery of each TIFIA Bond to the TIFIA Lender, (b) for the proper application, use, and investment of the proceeds of each TIFIA Bond, or (c) to comply in all respects with the provisions of each TIFIA Bond and each TIFIA Loan Agreement.

Section 14. Authorized Budget Amendments. The Chief Financial Officer of the Authority is authorized and directed to determine the fees and expenses that will be payable in connection with the execution and delivery of each TIFIA Bond and each TIFIA Loan Agreement and to amend or cause to be amended the Authority's adopted budgets to include such amounts.

Section 15. Ratification of Prior Acts. Any action taken by or on behalf of the Authority and consistent with the intent of this Resolution but prior to the effective date of this Resolution, is hereby ratified, approved, and confirmed.

Section 16. Effective Date. This Resolution shall take effect immediately upon its adoption.

ADOPTED by the Board of Directors of the Central Puget Sound Regional Transit Authority at a regular meeting thereof held on \_\_\_\_\_, 2021.

Board Administrator

**CERTIFICATE**

I, the undersigned, Administrator of the Board (the "Board") of the Central Puget Sound Regional Transit Authority (the "Authority"), DO HEREBY CERTIFY:

1. That the attached resolution numbered R2021-04 (the "Resolution") is a true and correct copy of a resolution of the Authority, as finally adopted at a regular meeting of the Board held on the \_\_\_ day of \_\_\_\_\_, 2021, and duly recorded in my office.

2. That said meeting was duly convened and held in all respects in accordance with law (including Proclamation 20-28 made by the Governor of the State of Washington on March 24, 2020, as extended, and acts of the legislative leadership of the State of Washington), and to the extent required by law, due and proper notice of such meeting was given; that a quorum of the Board was present throughout the meeting and a legally sufficient number of members of the Board voted in the proper manner for the adoption of the Resolution; that all other requirements and proceedings incident to the proper adoption of the Resolution have been duly fulfilled, carried out and otherwise observed; and that I am authorized to execute this certificate.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the official seal of the Authority this \_\_\_ day of \_\_\_\_\_, 2021.
