

## Resolution No. R2021-09

### Real Property Acquisition for the Stride Bus Rapid Transit SR522 Project

Meeting:	Date:	Type of action:	Staff contact:
System Expansion Committee	09/09/2021	Recommend to Board	Ron Lewis, DECM Executive Director
Board	09/23/2021	Final action	Bernard van de Kamp, Program Executive <b>Amy Pinneo, Real Property Project Manager</b>

### Proposed action

Authorizes the chief executive officer to acquire or lease certain real property interests, including acquisition by condemnation to the extent authorized by law, and to reimburse eligible relocation and reestablishment expenses incurred by affected owners and tenants as necessary for the SR 522/NE 145th Bus Rapid Transit Project.

### Key features summary

- Authorizes the acquisition of all or a portion of 44 parcels. These parcels are located in the cities of Seattle, Shoreline, Lake Forest Park and Kenmore for the Stride Bus Rapid Transit program (BRT) SR 522/NE 145th Project. One of the parcels is owned by King County.
- The properties are required to construct the build out of the transit queue bypass lanes, Business Access and Transit (BAT) lanes, sidewalks and planting strips, and BRT station platforms. Parking facilities have also been identified in preliminary design, however due to realignment, have not advanced in design, beyond 10% due to the adjustment in delivery date specific to these parking garages.
- The real property identified in this requested action is identified in Exhibit A.

### Background

The SR 522/NE 145th BRT Project establishes BRT service along the corridor, primarily operating in business access and transit (BAT) or transit queue bypass lanes for approximately nine miles between Shoreline and Bothell, with separate, connecting service options to Woodinville. Funding for the SR522/NE 145th BRT project was approved by voters in the ST3 Plan.

Project development involves, and has involved to date, planning and preliminary design of BRT elements including routing, roadway and sidewalk improvements; 14 BRT station pairs; and parking facilities. The analysis during the preliminary engineering phase confirmed the station locations and identified speed and reliability project elements such as transit queue bypass lanes and BAT lanes.

Sound Transit issued a State Environmental Policy Act (SEPA) Determination of Non-significance (DNS) for the SR 522/NE 145th BRT Project on March 25, 2021.

Project development is anticipated to be completed by fall of 2021. Currently the project team has developed the project design to a 30 percent level for all project elements except garages, which have to date been designed to the 10 percent level.

Sound Transit will acquire the property rights needed to construct the build out of the transit queue bypass lanes and BAT lanes, sidewalks and planting strips, and BRT station platforms. Sound Transit's authorizing legislation grants the agency the power of eminent domain to accomplish such acquisitions when efforts to reach agreement with property owners are unsuccessful.

**Project status**

Projected completion date for Construction Phase: 2Q 2026

Project scope, schedule and budget summary are located on page 182 of the July 2021 Agency Progress Report.

**Fiscal information**

The authorized project allocation for SR 522/NE 145th Bus Rapid Transit (BRT) Project is \$148,570,000. Within that amount, \$52,081,000 has been allocated to the right of way phase, of which \$380,530 has been previously committed. There is \$51,700,471 of uncommitted funds in the right of way phase, which is sufficient to complete the action.

In accordance with Sound Transit policy, budgets for specific parcels will be discussed with the Board in executive session. Consistent with the current estimate at completion for real property acquisition, this action and acquisitions of remaining certified properties are affordable within the adopted project budget.

**Disadvantaged and small business participation**

Not applicable to this action.

**Public involvement**

Project engagement along the corridor includes local and elected leaders, agency partners, businesses, residents, and other stakeholders to help shape the program. Sound Transit's open, inclusive, and ongoing stakeholder involvement program includes a variety of tools and techniques to inform and engage the public.

The BRT Project's Community Engagement and Communications Plan describes the public participation opportunities that will continue to be conducted throughout project development, including public meetings, property owner engagement, charrettes, briefings, project website, online open houses, printed materials, project hotline, and dedicated outreach staff to engage the public. In 2021, the SR 522/NE 145th BRT Project held one online open house and a series of live virtual town halls along corridor cities, and issued the SEPA DNS for public comment. During the COVID-19 pandemic, Sound Transit leveraged virtual platforms to provide project updates to potentially impacted property owners, members of the general public, and facilitated briefings and meetings with neighborhood associations, IAG members, and stakeholders throughout the area.

Sound Transit has involved stakeholders, the public, and public agencies at the local, regional, and state levels since project development was initiated on the Stride Bus Rapid Transit program in 2018.

In compliance with state law regarding public notification, Sound Transit mailed certified letters to property owners affected by this action on September 2, 2021. Legal notices of this proposed Board action will be published in the Seattle Times newspapers on September 10 and September 17, 2021.

### **Time constraints**

A one-month delay would significantly impact the timing of this project. As ROW acquisition is a critical path to be able to ensure construction can both start and finish on time, it is critical that the acquisition process for this project get started without further delay.

**Legal review** – MV 9/7/21

## Resolution No. R2021-09

A RESOLUTION of the Board of the Central Puget Sound Regional Transit Authority authorizing the chief executive officer to acquire certain real property interests, including acquisition by condemnation to the extent authorized by law, and to reimburse eligible relocation and reestablishment expenses incurred by affected owners and tenants as necessary for the SR522 NE 145th Bus Rapid Transit Project.

WHEREAS, the Central Puget Sound Regional Transit Authority, commonly known as Sound Transit, was formed under chapters 81.104 and 81.112 of the Revised Code of Washington (RCW) for the Pierce, King, and Snohomish Counties region by action of their respective county councils pursuant to RCW 81.112.030; and

WHEREAS, Sound Transit is authorized to plan, construct, and permanently operate a high-capacity system of transportation infrastructure and services to meet regional public transportation needs in the Central Puget Sound region; and

WHEREAS, in general elections held within the Sound Transit district on November 5, 1996, November 4, 2008, and November 8, 2016, voters approved local funding to implement a regional high-capacity transportation system for the Central Puget Sound region; and

WHEREAS, in order to use the property determined to be necessary for the construction, operation and maintenance of Project improvements required under the voter approved high capacity transportation system plans, it is necessary for Sound Transit to acquire by negotiated purchase or to condemn certain rights in the property for public purposes, and to reimburse eligible relocation and reestablishment expenses incurred by affected owners and tenants; and

WHEREAS, the SR522 NE 145th Bus Rapid Transit Project is a component of Sound Transit's high capacity system; and

WHEREAS, Sound Transit has identified certain real properties as necessary for the construction and permanent location of the SR 522 NE 145th Bus Rapid Transit Project and such properties are reasonably described in Exhibit A of this resolution; and

WHEREAS, in order to use the property determined to be necessary for the construction, operation, and permanent location of the SR 522 NE 145th Bus Rapid Transit Project, it is necessary for Sound Transit to acquire by negotiated purchase or to condemn certain lands and rights in property for public purposes, and reimburse eligible relocation and reestablishment expenses incurred by affected owners and tenants; and

WHEREAS, Sound Transit has commissioned or will commission appraisals to determine the fair market value of the properties, and will negotiate in good faith with the owners of the properties authorized to be acquired by negotiated purchase or condemned, with the intent of reaching agreements for the voluntary acquisition of the property for fair market value; and

WHEREAS, the funds necessary to acquire the property by voluntary purchase or to pay just compensation adjudged due after condemnation and the funds necessary to reimburse eligible relocation and reestablishment expenses shall be paid from Sound Transit general funds.

NOW THEREFORE BE IT RESOLVED by the Board of the Central Puget Sound Regional Transit Authority as follows:

SECTION 1. The chief executive officer is hereby authorized to execute such agreements as are customary and necessary for the acquisition of interests in the real property described in Exhibit A (said property to be used for SR 522 NE 145th Bus Rapid Transit Project) and incorporated herein by reference, and for the reimbursement of eligible relocation and reestablishment expenses. In accordance with Sound Transit's Real Property Acquisition and Relocation Policies, Procedures and Guidelines, the acquisition price of the properties may not exceed the fair market value to be determined through the appraisal process; provided that in the event the total of the acquisition, relocation, and reestablishment costs of the properties for the SR 522 NE 145th Bus Rapid Transit Project exceeds Sound Transit's approved budget for right-of-way acquisition (plus contingency), then the chief executive officer must obtain approval from the appropriate committee or the Board, per Resolution No. R2018-40, before the acquisition of the property for the SR 522 NE 145th Bus Rapid Transit Project by purchase or by condemnation and the reimbursement of eligible relocation and reestablishment expenses.

SECTION 2. The chief executive officer or the chief executive's designee is hereby authorized to settle condemnation litigation or enter administrative settlements (a settlement in lieu of initiating condemnation litigation) for the acquisition of interests in the real property described in Exhibit A. Such settlements shall be made only upon the finding of legal counsel that the settlement is consistent with the law and is reasonable, prudent, and in the public interest. Such settlements may not exceed established project budgets. For all other settlements proposed, the chief executive officer must obtain prior approval of the appropriate committee or the Board, per Resolution No. R2018-40.

SECTION 3. The Sound Transit Board deems the SR 522 NE 145th Bus Rapid Transit Project, to be a public use for a public purpose. The Board deems it necessary and in the best interests of the citizens residing within Sound Transit's boundaries to acquire interests in the real property identified in Exhibit A as being necessary for the construction, operation, and permanent location of SR 522 NE 145th Bus Rapid Transit, and affected owners and tenants be reimbursed eligible relocation and reestablishment expenses associated with displacements from the properties.

SECTION 4. The Sound Transit Board finds that the public health, safety, necessity, convenience, and welfare demand and require that interests in the real property described in Exhibit A be immediately acquired, condemned, appropriated, taken and damaged for the construction, operation, and permanent location of the SR 522 NE 145th Bus Rapid Transit Project.

SECTION 5. In addition to the authority granted the chief executive officer in Section 1 above, condemnation proceedings are hereby authorized to acquire all, or any portion thereof, of the properties and property rights and/or rights in those of the properties described in Exhibit A to the extent permitted by law, for the purpose of constructing, owning, and operating a permanent location of the SR 522 NE 145th Bus Rapid Transit Project. The chief executive officer is also authorized to make minor amendments to the legal descriptions of the properties described in Exhibit A, as may be necessary to correct scrivener's errors and/or to conform the legal description to the precise boundaries of the property required for the Project.

SECTION 6. The funds necessary to acquire the property by purchase or to pay just compensation adjudged due after condemnation shall be paid from Sound Transit general funds.

ADOPTED by the Board of the Central Puget Sound Regional Transit Authority at a regular meeting thereof held on \_\_\_\_\_.
