

REGIONAL TRANSIT AUTHORITY

MOTION NO. 39

A motion of the Executive Committee of the Regional Transit Authority for the Pierce, King, and Snohomish Counties region authorizing the execution of an agreement with the Washington State Department of Transportation for surveying, mapping, and photogrammetry services.

Background:

The Regional Transit Authority is a governmental entity vested with all powers necessary to implement a high-capacity transportation system within its boundaries in King, Pierce, and Snohomish Counties as provided in RCW chs. 81.104 and 81.112. On November 5, 1996, Central Puget Sound area voters approved local funding for *Sound Move*, the ten-year plan for regional high-capacity transit. The plan includes three new types of regional transportation, which will be integrated with the local transit systems. The light rail transit portion of *Sound Move* requires detailed, up-to-date engineering maps to be prepared in a timely manner.

Motion:

It is hereby moved by the Executive Committee of the Regional Transit Authority that the Executive Director be authorized to execute an agreement with the Washington State Department of Transportation to provide surveying, mapping, and photogrammetry services for the RTA.

Approved by the Executive Committee of the Regional Transit Authority for the Pierce, King, and Snohomish Counties region at a special meeting thereof on the 14th day of August, 1997.
