PROJECT NAME

University Link – University of Washington Station to Pine Street Stub Tunnel

PROPOSED ACTION

Authorizes the chief executive officer to acquire, dispose, or lease certain real property interests by negotiated purchase, by condemnation (including settlement), by condemnation litigation, or by administrative settlement; and to pay eligible relocation and re-establishment benefits to affected parties as necessary for construction, maintenance and operation of a light rail tunnel between the University of Washington Station and the Pine Street Stub Tunnel.

KEY FEATURES of PROPOSED ACTION

- Authorizes Sound Transit's chief executive officer to acquire and dispose of property interests between the University of Washington Station and the Pine Street Stub Tunnel in the City of Seattle which are needed for construction, maintenance and operation of the light rail tunnel.
- Authorizes Sound Transit's chief executive officer to pay relocation and re-establishment benefits to eligible property owners and tenants.
- The real properties identified in this requested action are included in Exhibit A.

BUDGET IMPACT SUMMARY

There is no action outside of the Board-adopted budget; there are no contingency funds required, no subarea impacts, or funding required from other parties other than what is already assumed in the financial plan.

BUDGET and FINANCIAL PLAN DISCUSSION

The adopted 2007 Budget for University Link is \$1.514 billion. Within that amount the budget for the right of way phase is \$135.3 million' \$71.2 million is currently committed. The proposed action would authorize property acquisition and relocation required for construction of the light rail tunnel between the University of Washington Station and the Pine Street Stub Tunnel.

Acquisition and relocation costs for specific parcels are appropriate for discussion with Board members in executive session.

The proposed action is consistent with the current adopted budget. Link is in the process of updating the University Link project budget in preparation for the Full Funding Grant Agreement (FFGA) and the updated Real Estate budget will be included in the overall project budget update which will be submitted to the Board for consideration this fall. This updated budget will be reviewed for affordability as part of the University Link project budget. The action will have no new revenue impact on Sound Transit.

SMALL BUSINESS PARTICIPATION

Not applicable for this action.

PROJECT DESCRIPTION and BACKGROUND for PROPOSED ACTION

In order to build and operate a high capacity transit system consisting of commuter rail service, light rail service, and a program of regional bus service, high occupancy vehicle (HOV) improvements and park-and-ride lot facilities throughout the Central Puget Sound region, it will be necessary for Sound Transit to acquire real property. Sound Transit's authorizing legislation grants the agency the power of eminent domain to accomplish such acquisitions.

Certain property interests have been identified as necessary for the construction, maintenance and operation of the University Link light rail project based upon the current level of design. The proposed action would authorize the acquisition of 237 tunnel easements and other property interests as needed for the construction, operation and maintenance of the light rail tunnel between University of Washington Station and the Pine Street Stub Tunnel and the payment of relocation benefits to eligible affected owners and tenants. Authorization for additional acquisitions consisting mainly of various easements will be sought from the Board as further engineering and design details are completed. Acquisition of 19 properties at the Capitol Hill Station and construction staging area is already proceeding, based on previous Board authorization of Resolution Nos. R2006-08, R2006-04, and R2005-24.

Environmental compliance pursuant to the State Environmental Policy Act (SEPA) for North Link, which includes University Link, was completed with the North Link Final Supplemental Environmental Impact Statement (EIS) issued on April 7, 2006. Environmental compliance pursuant to the National Environmental Policy Act (NEPA) by the Federal Transit Administration was issued by a Record of Decision for North Link on June 7, 2006.

The parcels identified in Exhibit A are at the location of the light rail tunnel identified in the preferred alternative.

Prior Board/Committee Actions

Motion/Resolution Number and Date	Summary of Action
R2006-08 5/11/06	Board authorizes the acquisition and relocation of affected property required in connection for staging and station area for the Capitol Hill Station within the University Link segment of Central Link
R2006-07 4/27/06	Selected the final route, profile, and station locations for the North Link Light Rail Project; selected the University Link portion of North Link to be constructed and operated as part of the Central Link Light Rail project
R2006-04 2/9/06	Board authorizes the protective acquisition and relocation of affected property required in connection with Capitol Hill Light Rail Station Alternative located within the University Link (North Link) project of Central Link.
R2005-24 10/27/05	Board authorizes the protective acquisition and relocation of affected property required in connection with Capitol Hill Light Rail Station Alternative located within the University Link (North Link) project of Central Link.
R2005-20 7/28/05	Modified the preferred route, profiles, and station locations for the North Link Light Rail Project; and identified "University Link" as the preferred segment of North Link for purposes of the final SEIS and for obtaining a New Starts rating from the Federal Transit Administration participation.

CONSEQUENCES of DELAY

Design and construction schedules for University Link assume the availability of the specific properties when needed for construction. Delay in Board approval could affect the timely acquisition of the property and the relocation of affected businesses and residential displacees.

PUBLIC INVOLVEMENT

Maps of the proposed North Link alignments and construction staging areas were published in the 2003 and 2005 North Link draft Supplemental Environmental Impact Statements (EIS) and the 2006 North Link Final Supplemental Environmental Impact Statement and made available to the public. A 45+ day comment period on the 2005 draft SEIS began in October 2005 and two public open houses/hearings were held in November 2005.

Sound Transit staff has held a number of station design workshops, project open houses, and other meetings involving property owners, neighborhood and business groups, and other interested parties throughout the North Link and University Link project area as part of the environmental, preliminary engineering, and final design work completed to date.

Sound Transit project development and real estate staff continue to meet with property owners, business owners, and tenants adjacent to the route and stations in Capitol Hill, the University District, Roosevelt, and Northgate to discuss light rail project progress and design, real estate acquisition, and relocation processes; and listen to individual and neighborhood concerns about the project. A public open house meeting took place in June 2007 to inform the public on the status of the Capitol Hill Station. In addition, 30% station design open houses are scheduled for September 26, 2007 for the Capitol Hill Station and winter 2007 for the University of Washington Station.

In compliance with recent state legislation regarding public notification, Sound Transit mailed certified letters to property owners affected by this action on August 21, 2007. Legal notices of this proposed Board action are to be published in the Sunday Seattle Times/Post-Intelligencer newspapers on September 2 and 9, 2007. In addition, a public meeting is scheduled for September 6, 2007 to provide information and answer questions for affected property owners along the University Link alignment.

Sound Transit will continue an active community outreach program as part of University Link final design, property acquisition, and construction efforts.

RESOLUTION NO. R2007-19

A RESOLUTION of the Board of the Central Puget Sound Regional Transit Authority authorizing the chief executive officer to acquire, dispose, or lease certain real property interests by negotiated purchase, by condemnation (including settlement), by condemnation litigation, or by administrative settlement; and to pay eligible relocation and re-establishment benefits to affected parties as necessary for construction, maintenance and operation of a light rail tunnel between the University of Washington Station and the Pine Street Stub Tunnel.

WHEREAS, a Regional Transit Authority, hereinafter referred to as Sound Transit, has been created for the Pierce, King, and Snohomish County region by action of their respective county councils pursuant to RCW 81.112.030; and

WHEREAS, on November 5, 1996, at a general election held within the Central Puget Sound Regional Transit Authority district, the voters approved local funding for high capacity transit in the Central Puget Sound Region; and

WHEREAS, Sound Transit is authorized to acquire and dispose of property for the construction of high capacity transportation facilities under RCW 81.112.080; and

WHEREAS, in order to acquire the properties determined to be necessary for the construction, operation, and maintenance of University Link – University of Washington Station to Pine Street Stub Tunnel, it is necessary for Sound Transit to acquire by negotiated purchase or to condemn certain lands and rights in property for public purposes, and to pay eligible relocation and re-establishment benefits to affected parties; and

WHEREAS, on July 28, 2005, by Resolution No. R2005-20, the Sound Transit Board identified University Link - Downtown Seattle Transit Tunnel to University of Washington Station as the preferred segment of North Link for purposes of the final SEIS and for obtaining a New Starts rating from the Federal Transit Administration (FTA); and

WHEREAS, on October 27, 2005, through Resolution No. R2005-24, the Board authorized the protective acquisition and relocation of affected property required in connection with the Capitol Hill light rail station alternative; and

WHEREAS, on February 9, 2006, through Resolution No. R2006-04, the Sound Transit Board authorized the protective acquisition and relocation of affected property required in connection with Capitol Hill light rail station; and

WHEREAS on April 27, 2006, through Resolution No. R2006-07, the Sound Transit Board selected the final route, profile and station locations for the North Link light rail project; and

WHEREAS on May 11, 2006, through Resolution No. R2006-08, the Sound Transit Board authorized the acquisition and relocation of affected property required in connection for staging and station area for the Capitol Hill light rail station within University Link; and

WHEREAS, Sound Transit has identified certain real properties as necessary for the construction and permanent location of the University Link – University of Washington Station to Pine Street Stub Tunnel and are reasonably described in Exhibit A of this resolution; and

WHEREAS, on April 7, 2006, environmental compliance pursuant to the State environmental Policy Act (SEPA) for North Link, which includes University Link, was completed with the North Link Final Supplemental Environmental Impact Statement (EIS); and

WHEREAS, on June 7, 2006, Environmental compliance pursuant to the National Environmental Policy Act (NEPA) by the Federal Transit Administration was issued by a Record of Decision for North Link; and

WHEREAS, Sound Transit has conducted public outreach including, but not limited to station design workshops, project open houses, and other meetings involving property owners, neighborhood and business groups and other interested parties throughout the North Link and University Link project area; and

WHEREAS, on August 21, 2007 Sound Transit mailed certified letters to property owners affected by this action in compliance with state law regarding public notification.

WHEREAS, Sound Transit has commissioned or will commission appraisals to determine the fair market value of the properties, and will continue to negotiate in good faith with the owners of the properties authorized to be acquired by negotiated purchase or condemned, with the intent of reaching agreements for the voluntary acquisition of the property for fair market value; and

WHEREAS, Sound Transit is in the process of updating the University Link project budget in preparation for submittal of the Full Funding Grant Agreement (FFGA) to the Federal Transportation Administration (FTA); and

WHEREAS, the funds necessary to acquire the property by voluntary purchase or to pay just compensation adjudged due after condemnation and the funds necessary to pay eligible relocation and re-establishment costs shall be paid from the University Link project budget.

NOW THEREFORE BE IT RESOLVED by the Board of the Central Puget Sound Regional Transit Authority as follows:

SECTION 1. The chief executive officer is hereby authorized to execute such agreements as are customary and necessary for the acquisition, lease, or disposal of the real property interests described in Exhibit A (said property to be used for construction, maintenance and operation of a light rail tunnel between the University of Washington Station and the Pine Street Stub Tunnel) and for the payment of eligible relocation and re-establishment costs. In accordance with Sound Transit's adopted Real Property Acquisition and Relocation Policies, Procedures and Guidelines, the acquisition price of the properties shall not exceed the fair market value to be determined through the appraisal process or as provided in Section 2 herein; provided that in the event the total of the acquisition, relocation, and re-establishment

costs of the properties for the project exceeds Sound Transit's approved budget for right-of-way acquisition (plus contingency), then the chief executive officer shall obtain approval from the appropriate committee or the Board, per Resolution 78-1, before the acquisition of the property for the project by purchase or by condemnation and the payment of eligible relocation and re-establishment costs.

SECTION 2. The chief executive officer or her designee is hereby authorized to settle condemnation litigation or enter administrative settlements (a settlement in lieu of initiating condemnation litigation) for the acquisition of the real property interests described in Exhibit A. Such settlements shall be made only upon the finding of legal counsel that the settlement is consistent with the law and is reasonable, prudent, and in the public interest. Such settlements shall not exceed established project budgets. For all other settlements proposed, the chief executive officer shall obtain prior approval of the appropriate committee or the Board, per Resolution 78-1.

SECTION 3. The Board deems the University Link – University of Washington Station to Pine Street Stub Tunnel project to be a public use for a public purpose. The Board deems it necessary and in the best interests of the citizens residing within Sound Transit's boundaries to acquire the property described in Exhibit A as being necessary for the construction, maintenance and operation of a light rail tunnel between the University of Washington Station and the Pine Street Stub Tunnel, and that eligible parties be paid relocation and re-establishment costs associated with displacement from the properties.

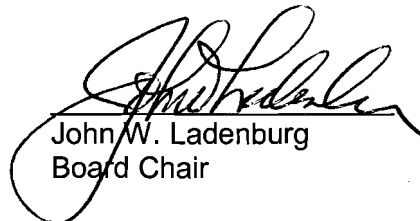

SECTION 4. The Board finds that the public health, safety, necessity, convenience, and welfare demand and require that the properties described in Exhibit A be immediately acquired, condemned, appropriated, taken and damaged for the construction, operation, and permanent location of the Project.

SECTION 5. In addition to the authority granted the chief executive officer in Section 1 above, condemnation proceedings are hereby authorized to acquire all, or any portion thereof, of the properties and property rights and/or rights in those of the properties described in Exhibit A, not owned by a public entity, for the purpose of constructing, owning, and operating a permanent location of the project. The chief executive officer is also authorized to make minor amendments to the legal descriptions of the properties described in Exhibit A, as may be necessary to correct scrivener's errors and/or to conform the legal description to the precise boundaries of the property required for the Project.

SECTION 6. The adopted 2007 Budget for University Link is \$1.514 billion. Within that amount the budget for the right of way phase is \$135.3 million and \$71.2 million is currently committed. The funds necessary to acquire the property by purchase or to pay just compensation adjudged due after condemnation shall be paid from the University Link project budget.

SECTION 7. The chief executive officer is hereby directed to return to the Board to ratify the updated University Link project budget for the total expenditure for actions taken pursuant to this resolution within sixty (60) days of confirmation of the Full Funding Grant Agreement (FFGA).

ADOPTED by the Board of the Central Puget Sound Regional Transit Authority at a regular meeting thereof held on September 13, 2007.
