Board	3/22/2012	Final Action	Roger Hansen, Real Property Director	206-689-3366

PROPOSED ACTION

Authorizes the chief executive officer to acquire, dispose, or lease certain real property interests, pay eligible relocation and re-establishment benefits to affected owners and tenants as necessary, and acquire and dispose of property interests owned by public entities including acquisition by condemnation for the North Link – University of Washington Station to Northgate Project between Roosevelt Station and Northgate Station.

KEY FEATURES

- Authorizes acquisition, disposal, or lease of property interests (consisting of partial acquisitions from 67 parcels) in the Roosevelt and the Northgate neighborhoods of the City of Seattle for construction of light rail tunnels for the North Link – University of Washington (UW) Station to Northgate project.
- Authorization for additional acquisitions will be sought from the Board as the precise alignment is determined by further engineering and design.
- The real properties identified in this requested action are included in Exhibit A.

PROJECT DESCRIPTION

The North Link – University of Washington Station to Northgate project is a 4.3-mile extension of light rail from the UW station north under the campus via twin-bored tunnels to an underground Brooklyn Station in the University District, an underground Roosevelt Station along 12th Avenue NE between NE 65th Street and NE 67th Street, and continuing to an elevated station in Northgate. Final design was initiated in late 2010; final design will continue through 2013 with early construction work (demolition and hazardous materials abatement) at underground station locations being initiated in 2012.

FISCAL INFORMATION

In accordance with Sound Transit policy, budgets for specific parcels will be discussed with the Board in executive session. Consistent with the current estimate at completion for real property acquisition, this action and acquisitions of remaining certified properties are affordable within the adopted project budget.

SMALL BUSINESS PARTICIPATION

Not applicable to this action.

BACKGROUND

In April 2006, the Board selected the final route, profile, and station locations for North Link. Sound Transit staff has completed the project schedule and construction contract packaging plan. Initial property acquisitions for North Link stations were authorized by the Board starting in 2010 in order for the project to be completed and operational by 2021. Additional property acquisitions, consisting primarily of tunnel easements, were authorized in September, 2011.

Certain property interests have been identified as necessary for construction of the Link tunnels and other facilities from the Roosevelt station to the Northgate station based upon the current level of design. Sound Transit's authorizing legislation grants the agency the power of eminent domain to accomplish such acquisitions when efforts to reach agreement with property owners are

unsuccessful. The proposed action would authorize the acquisition of 67 partial property acquisitions (tunnel easements) for the light rail tunnels between the Roosevelt and Northgate light rail stations by condemnation to the extent permitted by law if necessary, as needed for the construction, operation and maintenance of the North Link tunnel, guideway and stations between University of Washington Station and Northgate, and the payment of relocation benefits to eligible affected owners and tenants.

The parcels identified in Exhibit A are in the vicinity of the tunnel, guideway, and light rail alignments between the Roosevelt and Northgate Stations as identified in the preferred alternative for North Link.

ENVIRONMENTAL COMPLIANCE

Environmental compliance pursuant to the National Environmental Policy Act (NEPA) and State Environmental Policy Act (SEPA) was completed with the North Link Final Supplemental Environmental Impact Statement (EIS) issued on April 7, 2006. The Federal Transit Administration issued a Record of Decision for North Link in June 2006.

Resolution No. 2011-04: Authorized the chief executive officer to acquire, dispose, or lease certain real property by negotiated purchase, by condemnation (including settlement of condemnation litigation), or entering into administrative settlements, and to pay eligible relocation and re-establishment benefits to affected owners and tenants as necessary for construction for the Brooklyn and Roosevelt stations within the North Link – UW station to Northgate project.

Resolution No. R2010-17: Authorized the chief executive officer to acquire, dispose, or lease certain real property interests by negotiated purchase, by condemnation (including settlement), by condemnation litigation, or by administrative settlement; and to pay eligible relocation and re-establishment benefits to affected parties as necessary for construction, maintenance and operation of a light rail tunnel and stations between the University of Washington station and the Pine Street Stub Tunnel and between the University of Washington station and Northgate.

Resolution No. R2010-04 – Authorized the chief executive officer to acquire, dispose, or lease certain real property by negotiated purchase, by condemnation (including settlement of condemnation litigation), or entering into administrative settlements, and to pay eligible relocation and re-establishment benefits to affected owners and tenants as necessary for staging and station areas for the Brooklyn and Roosevelt Stations within the North Link – UW Station to Northgate project.

Resolution No. R2010-02 – 1) Amended the Adopted 2010 Lifetime Capital Budget for the North Link – UW Station to Northgate project from \$107,176,375 to \$345,499,512 to perform final design, third party coordination, property acquisition, and related tasks, and 2) Amended the North Link – UW Station to Northgate 2010 annual budget by decreasing the Right of Way Acquisition and Permits phase by \$9,000,000 and increasing the Final Design phase by \$9,000,000.

Resolution No. R2006-07 – (1) Selected the final route, profile, and station locations for the North Link Light Rail Project; (2) authorized the necessary steps to complete final design and implementation of the University Link Project.

TIME CONSTRAINTS

A short delay will not impact planned property acquisition work for the North Link – UW Station to Northgate project. A significant delay could impact the acquisition schedule and could ultimately affect the construction schedule for the project.

PUBLIC INVOLVEMENT

Maps of the proposed North Link alignments and construction staging areas were published in the 2003 and 2005 North Link Draft Supplemental Environmental Impact Statements (SEIS) and the 2006 North Link Final Supplemental Environmental Impact Statement and made available to the public. A 45-day comment period on the 2005 draft SEIS began in October 2005 and two public open houses/hearings were held in November 2005.

A public open house took place in June 2010 to inform the public on the start of the North Link project final design phase. An open house was held on May 17, 2011 regarding the Northgate station design progress. Staff also conducted 30% station design open houses on May 23, 2011 for the Roosevelt Station and on June 9, 2011 for the Brooklyn Station. Additional meetings have also been held in the University District and Roosevelt neighborhood over the last year to discuss project design and construction issues, including property acquisition and other project requirements.

On September 12, 2011, a public open house took place to inform property owners affected by the tunnel easements between Brooklyn and Roosevelt Stations of the proposed property acquisition affecting their properties and to share information on anticipated impacts of the tunnel construction and light rail operation.

On March 5, 2012, a public open house took place to inform property owners affected by the tunnel and guideway easements between Roosevelt and Northgate Stations of the proposed property acquisition affecting their properties and to share information on anticipated impacts of the tunnel construction and light rail operation.

In compliance with state law regarding public notification, Sound Transit mailed certified letters to property owners affected by this action on February 22, 2012. Legal notices of this proposed Board action will be published in the Seattle Times newspaper on March 9 and 16, 2012.
