PROPOSED ACTIONS

Resolution No. R2012-14: Amends and restates Resolution No. R2009-15, the Master Resolution in order to update certain provisions.

Resolution No. R2012-15: Authorizes issuance of Sales Tax and Motor Vehicle Excise Tax Refunding Bonds, Series 2012P-1 (Prior Bonds) up to a maximum of \$300,000,000 and authorizes the chief financial officer or the chief executive officer to serve as Sound Transit’s designated representative(s).

Resolution No. R2012-16: Authorizes issuance of Sales Tax Refunding Bonds, Series 2012S-1 (Parity Bonds) up to a maximum of \$200,000,000 and authorizes the chief financial officer or the chief executive officer to serve as Sound Transit’s designated representative(s).

KEY FEATURES

- In 2005, Sound Transit issued \$422,815,000 of Series 2005A Sales Tax Bonds to finance a portion of the Authority’s regional transit system plan. At this time, \$363,115,000, or around 86% of these bonds can be advance refunded (refinanced).
- Refunding, or refinancing, a portion of the Series 2005A Sales Tax Bonds would save Sound Transit no less than \$12,000,000 in net present value interest savings.
- Resolution No. R2012-14 amends and restates the Master Resolution (Resolution No. R2009-15) that governs all Prior Bonds in order to strengthen Sound Transit’s credit and security structure on the Prior Bonds:
 - Changes the Additional Bond Test (ABT) that requires that before additional Prior Bonds may be issued, the taxes pledged to those bonds received during a 12-month period during the previous 18 months must be at least **three** times (rather than **two**) maximum annual debt service on all Prior Bonds in the future.
 - Updates the Sufficiency Test to reflect the change in the ABT. The Sufficiency Test must be met before the Board can reduce the Agency’s sales tax rate to less than nine-tenths of one percent.
 - Amends and restates Resolution No. R2009-15.
- Resolution No. R2012-15:
 - Authorizes issuance of Sales Tax and Motor Vehicle Excise Tax Refunding Bonds, Series 2012P-1 (Prior Bonds) up to a maximum of \$300,000,000.
 - Board approval of this resolution authorizes the chief financial officer and/or the chief executive officer to serve as Sound Transit’s designated representative(s) and to carry

- out the issuance of Sales Tax and Motor Vehicle Excise Tax Refunding Bonds within parameters set forth by the Board in this resolution, per RCW 39.46.040.
 - Establishes those parameters as required by RCW 39.46.040.
- Resolution No. R2012-16:
 - Authorizes issuance of Sales Tax Refunding Bonds, Series 2012S-1 (Parity Bonds) up to a maximum of \$200,000,000.
 - Board approval of this resolution authorizes the chief financial officer and/or the chief executive officer to serve as Sound Transit's designated representative(s) and to carry out the issuance of Sales Tax Refunding Bonds within parameters set forth by the Board in this resolution, per RCW 39.46.040.
 - Establishes those parameters as required by RCW 39.46.040.
- The parameters established by the Board in Resolution No. R2012-15 and Resolution No. R2012-16 include:
 - The aggregate principal amount of refunding bonds backed by both sales taxes and Sound Transit's motor vehicle excise taxes (Prior Bonds) will not exceed \$300,000,000.
 - The aggregate principal amount of refunding bonds backed by sales taxes alone (Parity Bonds) will not exceed \$200,000,000.
 - The true interest cost to Sound Transit for each of the refunding bond issues will not exceed 4%.
 - The minimum net present value savings to Sound Transit must be at least 3%.
 - The final maturity of the new Prior Bonds cannot be later than February 1, 2028 and the final maturity of the new Parity Bonds cannot be later than November 1, 2030.
 - The refunding Prior Bonds and Parity Bonds are required to be issued prior to December 31, 2013.

FISCAL INFORMATION

Refunding Prior Bonds, Series 2012P-1 and Parity Bonds, Series 2012S-1 will reduce the debt service payments related to the 2005A Bonds because of the favorable long term borrowing rates currently available. As a result, total debt service expenditures are expected to be lower than the budgeted level for 2012.

PRIOR BOARD/COMMITTEE ACTIONS

Resolution No. R2009-15: Amended and restated Master Resolution No. R98-47 authorizing sales tax and motor vehicle excise tax bonds of the Authority to be issued in one or more series to finance a portion of the Authority's regional transit system plan.

Resolution No. R2005-02: Authorized the issuance of sales tax bonds of the Authority in the principal amount of not to exceed \$500,000,000 to finance a portion of the Authority's regional transit system plan; fixing certain provisions and covenants of the bonds, including provisions safeguarding the payment of the principal thereof and interest thereon; and authorizing and directing the sale of such bonds.

Resolution No. R2005-07: Provided for the sale and issuance of the Central Puget Sound Regional Transit Authority Sales Tax Bonds, Series 2005A; specifying the amount, maturities, interest rates and other terms of the 2005A Bonds; providing for bond insurance; and ratifying, confirming and approving the purchase contract for the 2005A Bonds and actions of the Chief Financial Officer relating to the sale of the 2005A Bonds.

Resolution No. R99-4: Amended Resolution Nos. R98-47 and R98-48 which authorized the issuance of sales tax and motor vehicle excise tax bonds in order to clarify certain provisions of such resolutions and assure the highest available ratings on the bonds.

TIME CONSTRAINTS

The long term borrowing rates are at record lows, and the rates can move higher at any time. If the Board does not approve the resolutions at this time, the Agency could potentially lose the window of opportunity to save on debt service.

PUBLIC INVOLVEMENT

Not applicable to this action.

LEGAL REVIEW

The Sound Transit Legal Department, the Authority’s Bond Counsel (Foster Pepper), and counsel for the underwriters (Orrick) will have authored and/or reviewed all bond related documents.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of The Central Puget Sound Regional Transit Authority that:

Section 1. Definitions. As used in this Resolution, the following words and phrases shall have the meanings hereinafter set forth unless the context clearly indicates that another meaning is intended:

Accreted Value means with respect to any Capital Appreciation Prior Bonds, as of any date of calculation, the sum of the amounts set forth in the Series Resolution as the amounts

representing the initial principal amount of such Capital Appreciation Prior Bonds plus the interest accumulated, compounded and unpaid thereon as of the most recent compounding date, as provided in the Series Resolution authorizing the issuance of such Capital Appreciation Prior Bonds.

For the purpose of calculating Annual Prior Bond Debt Service for purposes of the Future Prior Bonds tests outlined in Section 4 and the Prior Reserve Account Requirement:

(i) in the case of Variable Rate Prior Bonds, the interest rate thereon shall be calculated on the assumption that such Prior Bonds will bear interest during such period at a rate equal to the maximum rate permitted by the Series Resolution authorizing such Prior Bonds; provided, that if a Payment Agreement is executed in connection with a Series of Prior Bonds that has the effect of converting the Variable Rate thereon to a synthetic fixed rate of interest or limiting the range of possible Variable Rates, then for purposes of calculating Annual Prior Bond Debt Service, the assumed interest rate for such Prior Bonds shall be the synthetic fixed rate interest or maximum Variable Rate, as applicable, payable by the Authority under the Payment Agreement for the term of the Payment Agreement;

(ii) if a Payment Agreement is executed in connection with a Series of Prior Bonds that has the effect of converting the fixed rate of interest thereon to a synthetic Variable Rate

and the Authority receives written confirmation that such execution in and of itself will not cause any rating then maintained by any Rating Agency on any Outstanding Prior Bonds to be downgraded, suspended or withdrawn, then for purposes of calculating Annual Prior Bond Debt Service, the assumed interest rate for such Prior Bonds shall be the maximum synthetic Variable Rate payable by the Authority under the Payment Agreement for the term of the Payment Agreement, but if the Authority does not receive such written confirmation, then the assumed interest rate for the Series of Prior Bonds shall be the higher of the fixed rate or the maximum Variable Rate provided for in the Payment Agreement;

(iii) the principal of Variable Rate Prior Bonds subject to a put shall be calculated as if it were due in its entirety on the first date on which the Variable Rate Prior Bonds are subject to a put or, if the put for the Variable Rate Prior Bonds are credit enhanced, then in accordance with the longest amortization permitted under the contract for credit enhancement;

(iv) if a Prior Payment Agreement is executed in connection with a Series of Prior Bonds, the Annual Prior Bond Debt Service shall be adjusted as provided in Section 9;

(v) in the case of Balloon Maturity Prior Bonds, it shall be assumed that the principal of such Balloon Maturity Prior Bonds, together with interest thereon at the rate applicable to such Balloon Maturity Prior Bonds, shall be amortized in equal annual installments over a term set forth in the Series Resolution and that is the lesser of (a) 25 years or (b) the average weighted useful life (expressed in years and rounded to the next highest integer) of the properties and assets constituting the Projects (if any) financed out of the proceeds of such Balloon Maturity Prior Bonds;

(vi) the interest on Balloon Maturity Prior Bonds or Variable Rate Prior Bonds shall be determined at the maximum rate applicable to such Balloon Maturity Prior Bonds or Variable Rate Prior Bonds, but if there is no applicable maximum rate, then at 12% per annum;

(vii) in the case of Capital Appreciation Prior Bonds, the principal and interest portions of the Accreted Value becoming due at maturity, or by virtue of a mandatory sinking fund

deposit, shall be included in the calculation of accrued and unpaid and accruing interest on principal in such manner as is specified in the Series Resolution authorizing such Prior Bonds;

(viii) if the Prior Bonds are Paired Prior Obligations, the interest rate on such Prior Bonds shall be the resulting combined fixed interest rate to be paid by the Authority with respect to such Paired Prior Obligations; and

- a. the principal amount, dated date, maturity schedule, interest rates or rate (or formula), denominations and designation for such Prior Bonds;

l. any other provisions which the Authority deems necessary or desirable in connection with the Prior Bonds of such Series.

The Designated Authority Representative may provide for the sale of a Series of Prior Bonds by competitive sale or by a negotiated sale with purchasers, as identified in the Series Resolution, that have been chosen through a competitive selection process by a Designated Authority Representative after the evaluation of responses to the requests for proposals. The Designated Authority Representative is authorized to specify a date and time of sale of a Series of Prior Bonds, to prepare and deem final a preliminary official statement for a Series of Prior Bonds, to publish a notice of sale or to negotiate the terms of a proposed purchase contract with the purchasers of a Series of Prior Bonds, and to specify other matters in his or her determination necessary, appropriate, or desirable to carry out the sale of a Series of Prior Bonds. The terms of that sale shall be consistent with this Resolution and the Series Resolution. A Series of Prior Bonds shall be delivered to the purchasers as provided in the Series Resolution immediately upon payment to the Authority of the purchase price plus any accrued interest to the date of closing in immediately available federal funds.

If a Series of Prior Bonds is to be sold and issued as Build America Prior Bonds, the Designated Authority Representative is hereby authorized and directed on behalf of the Authority to take such actions and to enter into such agreements as are necessary or appropriate for the Authority to cause to be received from the United States Treasury the applicable federal credit payments in respect of such Build America Prior Bonds.

Section 4. Future Prior Bonds. The Authority may issue Prior Bonds only upon compliance with the following conditions as certified by a Designated Authority Representative:

a. there is no deficiency in the Prior Bond Account and an amount equal to the Prior Reserve Account Requirement (including for the Future Prior Bonds to be issued) shall be on deposit in the Prior Reserve Account;

c. an Authority Prior Bond Certificate is delivered on or prior to the date of issuance of such Future Prior Bonds.

Refunding Prior Bonds also may be issued without regard to the requirements of clauses (a), (b) and (c) of Section 4; provided, that the issuance of such Refunding Prior Bonds shall require the delivery of an Authority Prior Bond Certificate if the Annual Prior Bond Debt Service on such Refunding Prior Bonds in any Fiscal Year shall exceed the Annual Prior Bond Debt Service by more than \$5,000 on the Prior Bonds to be refunded were such refunding not to occur.

b. Refunding Prior Bonds may be issued without the requirement of an Authority Prior Bond Certificate for the purpose of refunding (including by purchase) any Prior Bonds for the payment of which sufficient Local Option Taxes are not available.

Section 6. Subordinate Obligations; Obligations Payable From Revenues. The Authority may issue Subordinate Obligations for any purpose of the Authority. The resolution authorizing a series of Subordinate Obligations shall provide that the maturity date of Subordinate Obligations may not be accelerated (not including any indirect acceleration of the maturity thereof through reimbursement obligations to the provider of a credit facility occurring as a result of the mandatory tender for purchase of Subordinate Obligations) and shall further provide that following the occurrence of a Default, Local Option Taxes may not be used to pay the principal of or interest on Subordinate Obligations unless all payments required to be made with respect to principal of and interest on Prior Bonds required to be paid into the Prior Bond Account have been fully paid. In addition, the Authority reserves the right to issue obligations payable from revenues of the Authority other than Local Option Taxes.

Section 7. Prior Bond Account and Prior Reserve Account.

a. *Prior Bond Account.* The special account of the Authority created by the Original Master Resolution for the purpose of paying and securing the payment of the Prior Bonds and designated the "Sales Tax and Motor Vehicle Excise Tax Bond Account" (the "Prior Bond Account") is hereby confirmed. The Prior Bond Account is pledged to the payment of Prior Bonds and shall be held separate and apart from all other accounts of the Authority and shall be a trust account for the Owners of the Prior Bonds.

The Authority hereby irrevocably obligates and binds itself for so long as any Prior Bonds remain Outstanding to set aside or cause to be set aside and pay or cause to be paid into the Prior Bond Account from Local Option Taxes:

- (1) approximately equal monthly deposits such that the amounts projected to be on deposit on the next interest payment date will be sufficient to pay the interest scheduled to become due and redemption premium, if any, on Outstanding Prior Bonds;
- and

(2) approximately equal monthly deposits such that the amounts projected to be on deposit on the next principal payment date will be sufficient to pay maturing principal (including sinking fund redemptions) for Prior Bonds; and

(3) regularly scheduled Payments under a Prior Payment Agreement.

b. *Prior Reserve Account.* The special account of the Authority created by the Original Master Resolution for the purpose of paying and securing the payment of the Prior Bonds and designated the "Sales Tax and Motor Vehicle Excise Tax Reserve Account" (the "Prior Reserve Account") is hereby confirmed. The Prior Reserve Account is pledged to the payment of Prior Bonds, shall be held separate and apart from all other accounts of the Authority and shall be a trust account for the Owners of the Prior Bonds. The Authority hereby covenants that on the date of issuance of each Series of Prior Bonds, the Authority will assure that the amount on hand in the Prior Reserve Account shall be sufficient to meet the Prior Reserve Account Requirement.

The Prior Reserve Account Requirement shall be maintained by deposits of cash, investments, a Qualified Prior Letter of Credit, or Qualified Prior Insurance, or a combination of the foregoing. So long as the municipal bond insurance policy or the municipal bond debt service reserve fund policy for the 1999 Prior Bonds is in effect and the Prior Reserve Account Requirement for the 1999 Prior Bonds and the 2009 Prior Bonds is not fully maintained by deposits of cash and investments, any Qualified Prior Letter of Credit or Qualified Prior Insurance obtained by the Authority to provide for the Prior Reserve Account Requirement must be approved by the provider of the municipal bond insurance policy and the municipal bond debt service reserve fund policy for the 1999 Prior Bonds, or its successor. To the extent that the Authority obtains a Qualified Prior Letter of Credit or Qualified Prior Insurance in substitution for amounts in the Prior Reserve Account, all or a portion of the money on hand in the Prior Reserve Account shall be transferred to the Prior Bond Account or another account as permitted by the Code. In computing the amount on hand in the Prior Reserve Account, Qualified Prior Insurance and/or a Qualified Prior Letter of Credit shall be valued at the face amount thereof,

and all other obligations purchased as an investment of money therein shall be valued at market at least annually. The market value of securities then credited to the Prior Reserve Account shall be determined and any deficiency in the Prior Reserve Account shall be made up in equal monthly installments within six months after the date of such valuation. As used herein, the term "cash" shall include U.S. currency, cash equivalents and evidences thereof, including demand deposits, certified or cashier's checks.

Whenever there is a sufficient amount in the Prior Bond Account and the Prior Reserve Account to pay the principal of, premium, if any, and interest on all Outstanding Prior Bonds, the money in the Prior Reserve Account may be used to pay such principal, premium, if any, and interest. Amounts in the Prior Reserve Account in excess of the Prior Reserve Account Requirement may be withdrawn to redeem and retire Outstanding Prior Bonds and to pay the interest due to such date of redemption and premium, or used for any other lawful purposes. When a Series of Prior Bonds is refunded in whole or in part, money may be withdrawn from the Prior Reserve Account to pay or provide for the payment of Refunding Prior Bonds; provided, that immediately after such withdrawal there shall remain in or be credited to the Prior Reserve Account an amount equal to the Prior Reserve Account Requirement. The Authority also may transfer out of the Prior Reserve Account any money required in order to prevent any Prior Bonds from becoming "arbitrage bonds" under the Code.

If a deficiency in the Prior Bond Account shall occur prior to a principal or interest payment date on the Prior Bonds, such deficiency shall be made up from the Prior Reserve Account by the withdrawal of cash therefrom for that purpose and by the sale or redemption of obligations held in the Prior Reserve Account in such amounts as will provide amounts in the Prior Bond Account sufficient to pay when due the principal and interest of the Prior Bonds, and if a deficiency still exists immediately prior to a payment date and after the withdrawal of cash, the Authority shall then draw upon any Qualified Prior Letter of Credit or Qualified Prior Insurance for the Prior Bonds, on a pro rata basis, in sufficient amount to make up the deficiency. Such draw shall be made at such times and under such conditions as such

Qualified Prior Letter of Credit or such Qualified Prior Insurance shall provide. If the Authority fails to make any payment required to be made under a reimbursement agreement with the issuer of a Qualified Prior Letter of Credit or Qualified Prior Insurance, the issuer thereof shall be entitled to exercise all remedies available at law or under this Resolution; provided, that no acceleration of the Prior Bonds shall be permitted, and no remedies which adversely affect Owners of the Prior Bonds shall be permitted. Any deficiency created in the Prior Reserve Account by reason of any such withdrawal shall be made up from the next available Local Option Taxes, but in no event later than within one year from Qualified Prior Insurance or a Qualified Prior Letter of Credit or out of Local Option Taxes after making necessary provision for the payments required to be made into the Prior Bond Account within such year.

In making the payments and credits to the Prior Reserve Account required by this Section 7(b), to the extent that the Authority has obtained Qualified Prior Insurance or a Qualified Prior Letter of Credit for specific amounts required pursuant to this section to be paid out of the Prior Reserve Account such amounts so covered by Qualified Prior Insurance or a Qualified Prior Letter of Credit shall be credited against the amounts required to be maintained in the Prior Reserve Account by this Section 7(b). In the event of termination of a Qualified Prior Letter of Credit or if the issuer of the Qualified Prior Insurance or the Qualified Prior Letter of Credit shall no longer meet the requirements for the provider of a Qualified Prior Letter of Credit or Qualified Prior Insurance or be insolvent or no longer in existence, the Prior Reserve Account Requirement shall be satisfied with other Qualified Prior Insurance or another Qualified Prior Letter of Credit, or in equal monthly payments, within twelve months after the insolvency of the issuer of a Qualified Prior Letter of Credit or Qualified Prior Insurance or termination of a Qualified Prior Letter of Credit, out of Local Option Taxes (or out of other money on hand and legally available for such purpose) after making necessary provisions for the payments required to be made into the Prior Bond Account.

c. *Credit Facilities.* To the extent that the Authority shall have obtained a Credit Facility, the Series Resolution may provide additional covenants and prescribe additional procedures with respect to such Credit Facility not inconsistent with this Resolution.

d. *Deposits into Accounts.* For purposes of this Resolution, the Authority shall be considered to have deposited or withdrawn amounts in the Prior Bond Account or Prior Reserve Account or any other account when it credits or debits from within the Authority's Enterprise Fund amounts to such account.

Section 8. Covenants. The Authority hereby makes the following covenants with the Owners of the Prior Bonds for as long as any of the same remain Outstanding:

a. *Tax Levy Covenant.* So long as any Prior Bonds remain Outstanding, the Authority shall levy the Motor Vehicle Tax at a rate of not less than three-tenths of one percent and the Sales Tax at a rate of not less than nine-tenths of one percent; provided, that the Authority may levy the Sales Tax at a rate of not less than eight-tenths of one percent so long as the Sufficiency Test is met. To the extent permitted by law and approved by the voters (if a vote is required), the Authority may, in a Series Resolution or a Supplemental Resolution, pledge to the payment of the Prior Bonds the Motor Vehicle Tax in excess of three-tenths of one percent and the Sales Tax in excess of nine-tenths of one percent.

If the Authority is levying the Sales Tax at a rate less than nine-tenths of one percent and the Sufficiency Test is not met for a Fiscal Year, within 90 days after the end of that Fiscal Year the Authority shall take all action required on its part to increase the rate of the Sales Tax levied, but not to exceed nine-tenths of one percent, for the purpose of meeting the Sufficiency Test.

The Authority shall take all reasonable actions necessary to levy and provide for the continued collection of the Local Option Taxes and the application of those taxes for payment of the Prior Bonds in accordance with this Resolution.

b. *Maintenance of its Facilities.* The Authority will at all times keep and maintain or cause to be maintained its transit facilities and equipment and operate the same and the business or businesses in connection therewith in the manner determined by the Board.

c. *Property and Liability Insurance.* The Authority will maintain insurance or institute a self-insurance program, if such insurance is obtainable at reasonable rates and upon reasonable conditions, against such risks, in such amounts, and with such deductibles as the Board shall deem prudent for the protection of the Authority.

d. *Books and Records.* The Authority will keep books of account and accurate records of all of its revenue, including tax receipts, received from any source whatsoever, and of all costs of administration and maintenance and operation of all of its business that are in accordance with applicable accounting principles as in effect from time to time.

Section 9. Prior Payment Agreements. A Payment made under a Payment Agreement may be secured by a pledge of Local Option Taxes on a parity with the pledge securing the Prior Bonds if the Payment Agreement satisfies the requirements for Future Prior Bonds described in Section 4, taking into consideration regularly scheduled Payments and Receipts (if any) under the Payment Agreement. The following shall be conditions precedent to the use of any Payment Agreement on a parity with the Prior Bonds:

(1) The Authority shall obtain an opinion of Bond Counsel with respect to the due authorization, validity and enforceability of such Payment Agreement, and opining that the action proposed to be taken is authorized or permitted by this Resolution or the applicable provisions of any Supplemental Resolution and will not adversely affect either the exemption from federal income taxation of the interest on any Outstanding Tax-Exempt Prior Bonds or the entitlement to receive from the United States Treasury the applicable federal credit payments in respect of any Outstanding Build America Prior Bonds.

(2) Prior to entering into a Payment Agreement, the Authority shall adopt a Series Resolution which shall:

A. set forth the manner in which the Payments and Receipts are to be calculated and a schedule of Payment Dates;

B. establish general provisions for the rights of parties to Payment Agreements; and

C. set forth such other matters as the Authority deems necessary or desirable in connection with the management of Payment Agreements as are not clearly inconsistent with the provisions of this Resolution.

The Payment Agreement may obligate the Authority to pay, on one or more scheduled and specified Payment Dates, the Payments in exchange for the Payor's obligation to pay or to cause to be paid to the Authority, on scheduled and specified Payment Dates, the Receipts. The Authority may also enter into Payment Agreements that are not reciprocated by the other party to the agreement.

If the Authority enters into a Prior Payment Agreement, Payments shall be made from the Prior Bond Account and Annual Prior Bond Debt Service shall include any regularly scheduled Payments adjusted by any regularly scheduled Receipts during a Fiscal Year or Base Year, as applicable. Receipts shall be paid directly into the Prior Bond Account. Obligations to make unscheduled payments, such as termination payments, may not be entered into on a parity with the Prior Bonds.

Nothing in this section shall preclude the Authority from entering into Payment Agreements with a claim on Local Option Taxes junior to that of the Prior Bonds. Furthermore, nothing in this section shall preclude the Authority from entering into obligations on a parity with the Prior Bonds in connection with the use of Payment Agreements or similar instruments if the Authority obtains an opinion of Bond Counsel that the obligations of the Authority thereunder are consistent with this Resolution.

The Series Resolution may provide for the designation of the federal credit payments in respect of any Build America Prior Bonds as Receipts under a Payment Agreement.

Section 10. Defeasance.

a. *Defeased Bonds.* If the Authority deposits irrevocably with an escrow agent money and/or noncallable Government Obligations which, together with the earnings thereon and without any reinvestment thereof, are sufficient to pay the principal of and premium, if any, on any particular Prior Bonds or portions thereof (the “Defeased Bonds”) as the same shall become due, together with all interest accruing thereon to the maturity date or redemption date, and, in the case of Defeased Bonds to be redeemed prior to maturity, irrevocably calls the Defeased Bonds for redemption on the redemption date, and pays or makes provision for payment of all fees, costs and expenses of that escrow agent due or to become due with respect to the Defeased Bonds, then:

(i) with respect to Defeased Bonds that are Tax-Exempt Prior Bonds, all liability of the Authority with respect to the Defeased Bonds shall cease, the Defeased Bonds shall be deemed not to be Outstanding and the Owners of the Defeased Bonds shall be restricted exclusively to the money or Government Obligations so deposited, together with any earnings thereon, for any claim of whatsoever nature with respect to the Defeased Bonds;

(ii) with respect to Defeased Bonds that are not Tax-Exempt Prior Bonds for which the escrow agent receives an opinion described in clause (c)(ii) below, all liability of the Authority with respect to the Defeased Bonds shall cease, the Defeased Bonds shall be deemed not to be Outstanding and the Owners of the Defeased Bonds shall be restricted exclusively to the money or Government Obligations so deposited, together with any earnings thereon, for any claim of whatsoever nature with respect to the Defeased Bonds; and

(iii) with respect to Defeased Bonds that are not Tax-Exempt Prior Bonds for which the escrow agent receives an opinion described in clause (c)(iii) below, the Authority at any time may terminate its obligations under any of its covenants under this Resolution, other than its covenant to maintain its existence and to make payments when due on the Prior Bonds.

b. *Escrow Agent.* The escrow agent shall hold the money, Government Obligations and earnings described in subsection (a) above in trust exclusively for the Owners of the Defeased Bonds, and that money, Government Obligations and earnings shall not secure any other Prior Bonds. In determining the sufficiency of the money and Government Obligations deposited pursuant to this Section, that escrow agent shall receive, at the expense of the Authority, and may rely upon, a verification report of a firm of nationally recognized independent certified public accountants or other qualified firm acceptable to the Authority and that escrow agent.

c. *Opinions.* In connection with any defeasance under this Section, the escrow agent shall receive, at the expense of the Authority, and may rely upon, an opinion of Bond Counsel to the effect that the defeasance is permitted under the laws of the State and this Resolution and:

(i) with respect to a defeasance described in clause (a)(i) above, an opinion of nationally recognized tax counsel (which may be Bond Counsel) that such defeasance will not, in and of itself, adversely affect the exclusion of interest on the Defeased Bonds from gross income for federal income tax purposes;

(ii) with respect to a defeasance described in clause (a)(ii) above, an opinion of nationally recognized tax counsel (which may be Bond Counsel) confirming that (A) the Authority has received from, or there has been published by, the Internal Revenue Service a ruling or (B) since the date the Defeased Bonds were issued there has been a change in applicable federal income tax law, in either case to the effect that, and based thereon such opinion will confirm that, the Owners of the Defeased Bonds will not recognize income, gain or loss for federal income tax purposes as a result of such defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred; and

(iii) with respect to a defeasance described in clause (a)(iii) above, an opinion of nationally recognized tax counsel (which may be Bond Counsel) confirming that the Owners

of the Defeased Bonds will not recognize income, gain or loss for federal income tax purposes as a result of such defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred.

d. *Administrative Provisions.* Notwithstanding the foregoing provisions of this Section to the contrary, the provisions of this Resolution relating to the execution, authentication, registration, exchange, transfer and cancellation of the Prior Bonds shall apply to the Defeased Bonds.

e. *Additional Means of Defeasance.* The Authority may provide in the Series Resolution for additional means of defeasing a Series of Prior Bonds.

f. *Notice of Defeasance.* Within 30 days after any defeasance of Prior Bonds, the Authority shall provide notice of the defeasance to the Owners of the Prior Bonds so provided for and, if applicable, any notice required under a continuing disclosure undertaking entered into under Section 16.

Section 11. Lost, Stolen, Mutilated or Destroyed Prior Bonds. In case any Prior Bond or Prior Bonds shall be lost, stolen, mutilated or destroyed, the Bond Registrar may execute and deliver a new Prior Bond or Prior Bonds of like date, number and tenor to the Owner thereof upon the Owner paying the expenses and charges of the Authority in connection therewith and upon the Owner filing with the Authority evidence satisfactory to the Authority that such Prior Bond was actually lost, stolen or destroyed (including the presentation of a mutilated Prior Bond) and of ownership thereof, and upon furnishing the Authority with indemnity satisfactory to the Authority.

Section 12. Execution of Prior Bonds. Except as may be provided in a Series Resolution, Prior Bonds shall be executed on behalf of the Authority with the manual or facsimile signatures of the Chair of its Board and its Chief Executive Officer, and shall have the seal of the Authority impressed or a facsimile thereof imprinted thereon.

Only such Prior Bonds as shall bear a certificate of authentication manually executed by the Bond Registrar, shall be valid or obligatory for any purpose or entitled to the benefits of this Resolution. Such certificate of authentication shall be conclusive evidence that the Prior Bonds so authenticated have been duly executed, authenticated and delivered hereunder and are entitled to the benefits of this Resolution.

In case either of the officers of the Authority who shall have executed the Prior Bonds shall cease to be such officer or officers of the Authority before the Prior Bonds so signed shall have been authenticated or delivered by the Bond Registrar, or issued by the Authority, such Prior Bonds may nevertheless be authenticated, delivered and issued and upon such authentication, delivery and issuance, shall be as binding upon the Authority as though those who signed the same had continued to be such officers of the Authority. Any Prior Bond may also be signed and attested on behalf of the Authority by such persons as at the actual date of execution of such Prior Bond shall be the proper officers of the Authority although at the original date of such Prior Bond any such person shall not have been such officer.

Section 13. Adoption of Supplemental Resolutions.

a. *Without Owners' Consent.* The Authority may adopt at any time without the consent or concurrence of the Owner of any Prior Bond, a Supplemental Resolution or Resolutions amendatory or supplemental to this Resolution for any one or more of the following purposes:

(i) To provide for the issuance of a Series of Prior Bonds pursuant to Sections 4 or 5 or to authorize a Prior Payment Agreement pursuant to Section 9;

(ii) To add covenants and agreements of the Authority for the purpose of further securing the payment of the Prior Bonds; provided, that such additional covenants and agreements are not contrary to or inconsistent with the covenants and agreements of the Authority contained in this Resolution or any Series Resolution;

(iii) To prescribe further limitations and restrictions upon the issuance of Prior Bonds and/or Prior Payment Agreements which are not contrary to or inconsistent with the limitations and restrictions in this Resolution or any Series Resolution;

(iv) To surrender any right, power or privilege reserved to or conferred upon the Authority by the terms of this Resolution or any Series Resolution;

(v) To subject additional property, income or revenues to the pledge of this Resolution or confirm as further assurance any pledge or provision for payment of the Prior Bonds created by this Resolution and to make such confirming changes as shall be necessary or desirable in connection therewith;

(vi) To specify the order of priority in which payments are to be made for purposes in the "Fifth" or "Seventh" category of Section 2(b);

(vii) To cure any ambiguity or defect or inconsistent provision in this Resolution or to insert such provisions clarifying matters or questions arising under this Resolution as are necessary or desirable, provided that such modifications shall not materially and adversely affect the security for the payment of any Prior Bonds;

(viii) To qualify this Resolution under the Trust Indenture Act of 1939, as amended, as long as there is no material adverse effect on the security for the payment of Prior Bonds;

(ix) To obtain or maintain a rating with respect to any Series of Prior Bonds;

(x) To modify the provisions of this Resolution to obtain from any Rating Agency a rating on any Series of Prior Bonds or any portion thereof which is higher than the rating which would be assigned without such modification; or

(xi) To modify any of the provisions of this Resolution in any other respect that does not materially and adversely affect the security for the payment of any Prior Bond and will not cause any Rating Agency to lower a rating on any Prior Bonds.

b. *With Owners' Consent.* This Resolution may be amended from time to time by a Supplemental Resolution approved by the Owners of a majority in aggregate principal amount

of the Prior Bonds then Outstanding. Without the specific consent of the Owner of each Prior Bond, no Supplemental Resolution shall (1) permit the creation of a lien or charge on Local Option Taxes superior to the payment of the Prior Bonds; (2) reduce the percentage of Owners which are required to consent to any Supplemental Resolution; or (3) give to any Prior Bond or Prior Bonds any preference over any other Prior Bond or Prior Bonds. No Supplemental Resolution shall change the date of payment of the principal of any Prior Bond, reduce the principal amount or Accreted Value of any Prior Bond, change the rate or extend the time of payment of interest thereof, reduce any premium payable upon the redemption or prepayment thereof, or advance the date upon which any Prior Bond may first be called for redemption prior to its fixed maturity date (except as provided in the Series Resolution authorizing the issuance of such Prior Bond) without the specific consent of the Owner of that Prior Bond; and no such amendment shall change or modify any of the rights or obligations of any Paying Agent or Bond Registrar or other agent or provider of a Credit Facility for a Series of Prior Bonds without its written consent.

c. *Special Amendments.* The Owners from time to time of the Outstanding Prior Bonds, other than the Owners from time to time of Outstanding 1999 Prior Bonds (whose consent shall be required consistent with Section 13(b)), by taking and holding the same, shall be deemed to have consented to the adoption by the Authority of any Supplemental Resolution or Resolutions amendatory or supplemental to this Resolution for any one or more of the following purposes:

(i) After the 1999 Prior Bonds are no longer Outstanding, to delete the Motor Vehicle Tax from the definition of "Local Option Taxes";

(ii) After the 1999 Prior Bonds are no longer Outstanding, to levy the Motor Vehicle Tax at a rate of less than three-tenths of one percent (which rate may be zero);

(iii) To delete Section 14(a) of this Resolution;

(iv) To establish for any one or more Series of Future Prior Bonds a separate reserve account requirement for such Series (which may be zero) and, if applicable, a separate

reserve account or accounts to secure such Series, which Series shall not be secured by the Prior Reserve Account, and which separate reserve account or accounts shall not secure the Prior Bonds secured by the Prior Reserve Account, and in satisfying the conditions to the issuance of Future Prior Bonds that will not be secured by the Prior Reserve Account, to disregard the requirement that an amount equal to the Prior Reserve Account Requirement (including for the Future Prior Bonds to be issued) be on deposit or otherwise provided for in the Prior Reserve Account on or prior to the date of issuance of such Future Prior Bonds;

(v) To permit federal credit payments received in respect of Outstanding Build America Prior Bonds (other than federal credit payments received under a Payment Agreement) to be deposited into the Prior Bond Account and credited against the Local Option Taxes otherwise required to be deposited into the Prior Bond Account; or

(vi) To permit federal credit payments scheduled to be received in any Fiscal Year in respect of Outstanding Build America Prior Bonds (other than federal credit payments received under a Payment Agreement) to be credited against the amount required in that Fiscal Year to pay for the principal of and interest on all Prior Bonds Outstanding in calculating Annual Prior Bond Debt Service for that Fiscal Year.

Section 14. Defaults. Any one or more of the following events shall constitute a "Default" under this Resolution and each Series Resolution:

a. If the Authority shall default in the performance of any obligation with respect to payments into the Prior Bond Account or Prior Reserve Account and such default is not remedied;

b. If default shall be made in the due and punctual payments of the principal of and premium, if any, on any of the Prior Bonds when the same shall become due and payable, either at maturity or by proceedings for redemption or otherwise;

c. If default shall be made in the due and punctual payment of any installment of interest on any Prior Bond;

d. If the Authority shall fail to purchase or redeem Term Prior Bonds in an aggregate principal amount at least equal to the sinking fund requirements for the applicable Fiscal Year; or

e. If the Authority shall default in the observance and performance of any other of the covenants, conditions and agreements on the part of the Authority contained in this Resolution or any Series Resolution and such default or defaults shall have continued for a period of 90 days after discovery by the Authority or written notice to the Authority; provided, that if such failure can be remedied, but not within such 90-day period, and if the Authority has taken all action reasonably possible to remedy such failure within such 90-day period, such failure shall not become a Default for so long as the Authority shall diligently proceed to remedy the Default.

Section 15. Remedies Upon Default. The remedies of the Owners during the continuance of a Default shall, to the extent permitted by law, be governed by this Section.

a. *Prior Bondowners' Trustee.* So long as a Default shall not have been remedied, a Prior Bondowners' Trustee may be appointed by the owners of at least 20% in aggregate principal amount of the Prior Bonds then Outstanding, by an instrument or concurrent instruments in writing signed and acknowledged by such Owners or by their attorneys-in-fact duly authorized and delivered to the Prior Bondowners' Trustee and the Authority. Any Prior Bondowners' Trustee appointed under the provisions of this Section shall be a bank or trust company organized under the laws of the State or the State of New York or a national banking association. The bank or trust company acting as Prior Bondowners' Trustee may be removed at any time, and a successor Prior Bondowners' Trustee may be appointed, by the Owners of a majority in aggregate principal amount of the Prior Bonds, by an instrument or concurrent instruments in writing signed and acknowledged by such Owners or by their attorneys-in-fact duly authorized.

The Prior Bondowners' Trustee appointed in the manner herein provided, and each successor thereto, is hereby declared to be a trustee for the Owners of all the Prior Bonds and

is empowered to exercise all the rights and powers herein conferred on the Prior Bondowners' Trustee.

b. *Suits at Law or in Equity.* The Prior Bondowners' Trustee may upon the happening of a Default, and during the continuance thereof, take such steps and institute such suits, actions or other proceedings in its own name, or as trustee, all as it may deem appropriate for the protection and enforcement of the rights of Owners to collect any amounts due and owing the Authority and pledged to the Prior Bonds, or to obtain other appropriate relief, and may enforce the specific performance of any covenant, agreement or condition contained in this Resolution; provided, that upon the occurrence of a Default, payment of the Prior Bonds shall not be subject to acceleration.

Any action, suit or other proceedings instituted by the Prior Bondowners' Trustee shall be brought in its name as trustee for the Owners and all such rights of action upon or under any of the Prior Bonds or the provisions of this Resolution may be enforced by the Prior Bondowners' Trustee without the possession of any Prior Bonds, and without the production of the same at any trial or proceedings relative thereto except where otherwise required by law, and the Owners of the Prior Bonds, by taking and holding the same, shall be conclusively deemed irrevocably to appoint the Prior Bondowners' Trustee the true and lawful trustee of the Owners of the Prior Bonds, with authority to institute any such action, suit or proceeding; to receive as trustee and deposit in trust any sums becoming distributable on account of the Prior Bonds; to execute any paper or documents for the receipt of such money, and to do all acts with respect thereto that the Owner might have done in person. Nothing in this section shall be deemed to authorize or empower the Prior Bondowners' Trustee to consent to accept or adopt, on behalf of any Owner of any Prior Bond, any plan or reorganization or adjustment affecting the Prior Bonds or any right of any Owner, or to authorize or empower the Prior Bondowners' Trustee to vote the claims of the Owners in any receivership, insolvency, liquidation, bankruptcy, reorganization or other proceeding to which the Authority shall be a party.

c. *Books of Authority Open to Inspection.* The Authority covenants that if a Default shall have happened and shall not have been remedied, the books of record and account of the Authority shall at all times be subject to the inspection and use of the Prior Bondowners' Trustee and to individual Owners.

The Authority covenants that if a Default shall happen and shall not have been remedied, the Authority will continue to account, as a trustee of an express trust, for all Local Option Taxes and other accounts pledged under this Resolution or any Series Resolution.

d. *Payment of Funds to Prior Bondowners' Trustee.* The Authority covenants that if a Default shall happen and shall not have been remedied, the Authority, upon demand of the Prior Bondowners' Trustee, shall pay over to the Prior Bondowners' Trustee (i) forthwith, all amounts in the Local Option Tax Accounts, Prior Bond Account, Prior Reserve Account, and any project account created for the deposit of Prior Bond proceeds, and (ii) as promptly as practicable after receipt thereof, all Local Option Taxes subsequently levied and received by the Authority and pledged under this Resolution or any Series Resolution.

e. *Application of Funds by Prior Bondowners' Trustee.* During the continuance of a Default, the Local Option Taxes and other funds received by the Prior Bondowners' Trustee pursuant to the provisions of the preceding paragraph shall be applied by the Prior Bondowners' Trustee first, to the payment of the reasonable and proper charges, expenses and liabilities paid or incurred by the Prior Bondowners' Trustee and second, in accordance with the provisions of Section 2(b) of this Resolution.

In the event that at any time the funds held by the Prior Bondowners' Trustee and the Bond Registrar or Paying Agent for the Prior Bonds shall be insufficient for the payment of the principal of, premium, if any, and interest then due on the Prior Bonds, such funds (other than funds held for the payment or redemption of particular Prior Bonds which have theretofore become due at maturity or by call for redemption) and all Local Option Taxes received or collected for the benefit or for the account of Owners of the Prior Bonds by the Prior Bondowners' Trustee shall be applied as follows:

First, to the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, earliest maturities first, and, if the amount available shall not be sufficient to pay in full any installment or installments or interest maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon, to the persons entitled thereto, without any discrimination or preference; and

Second, to the payment to the persons entitled thereto of the unpaid principal and premium, if any, of any Prior Bonds which shall have become due, whether at maturity or by call for redemption, in the order of their due dates, earliest maturities first, and, if the amount available shall not be sufficient to pay in full all the Prior Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal and premium, if any, due on such date, to the persons entitled thereto, without any discrimination or preference.

f. *Relinquishment of Funds Upon Remedy of Default.* If and whenever all overdue installments of interest on all Prior Bonds, together with the reasonable and proper charges, expenses and liabilities of the Prior Bondowners' Trustee and the Owners of Prior Bonds, their respective agents and attorneys, and all other sums payable by the Authority under this Resolution, including the principal of, premium, if any, and accrued unpaid interest on all Prior Bonds which shall then be payable, shall either be paid by or for the account of the Authority, or provision satisfactory to the Prior Bondowners' Trustee shall be made for such payment, and all Defaults under this Resolution or the Prior Bonds shall be made good or secured to the satisfaction of the Prior Bondowners' Trustee or provision deemed by the Prior Bondowners' Trustee to be adequate shall be made therefor, the Prior Bondowners' Trustee shall pay over to the Authority all money and securities then remaining unexpended and held by the Prior Bondowners' Trustee and thereupon all such funds shall thereafter be applied as provided in this Resolution. No such payment over to the Authority by the Prior Bondowners' Trustee or resumption of the application of Local Option Taxes as provided in this Resolution shall extend to or affect any subsequent Default under this Resolution or impair any right consequent thereon.

g. *Suits by Individual Owners.* No Owner shall have any right to institute any action, suit or proceeding at law or in equity unless a Default shall have happened and be continuing and unless no Prior Bondowners' Trustee has been appointed as herein provided, but any remedy herein authorized to be exercised by the Prior Bondowners' Trustee may be exercised individually by any Owner, in his or her own name and on his or her own behalf or for the benefit of all Owners, in the event no Prior Bondowners' Trustee has been appointed, or with the consent of the Prior Bondowners' Trustee if such Prior Bondowners' Trustee has been appointed; provided, that nothing in this Resolution or in the Prior Bonds shall affect or impair the obligation of the Authority, which is absolute and unconditional, to pay the principal of and interest on the Prior Bonds to the Owners thereof at the respective due dates therein specified, or affect or impair the right of action, which is absolute and unconditional, of such Owners to enforce such payment.

h. *Remedies Granted in Resolution not Exclusive.* No remedy granted in this Resolution to the Prior Bondowners' Trustee or the Owners of the Prior Bonds is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and shall be in addition to every other remedy given under this Resolution or existing at law or in equity on or after the date of adoption of this Resolution.

Section 16. Continuing Disclosure. The Authority may provide for a continuing disclosure undertaking in a Series Resolution, and the Authority hereby agrees to comply with any such undertaking. The right of any Owner or beneficial owner of Prior Bonds to enforce any such undertaking shall be limited to a right to obtain specific enforcement of the Authority's obligations under such undertaking, and any failure by the Authority to comply with the provisions of any such undertaking shall not be a Default.

Section 17. Resolution a Contract. This Resolution shall constitute a contract with the Owners of the Prior Bonds.

Section 18. Severability. If any one or more of the provisions of this Resolution shall be declared by any court of competent jurisdiction to be contrary to law, then such provision or

provisions shall be deemed separable from, and shall in no way affect the validity of, any of the other provisions of this Resolution or of the Prior Bonds issued pursuant to the terms hereof.

Section 19. Reaffirmation. This Master Prior Bond Resolution No. R2012-14 amends, restates, replaces and supersedes Resolution No. R2009-15, which amended, restated, replaced and superseded Resolution No. R98-47. All rights of owners of any Outstanding 1999 Prior Bonds and 2009 Prior Bonds are hereby reaffirmed.
