Ridership Trends by Train

✓ Train 1707 identified for capacity review

Ridership Growth on Train 1707

Customers stand on about 55% of trips, upward trend continues

Add a Car to Train 1707

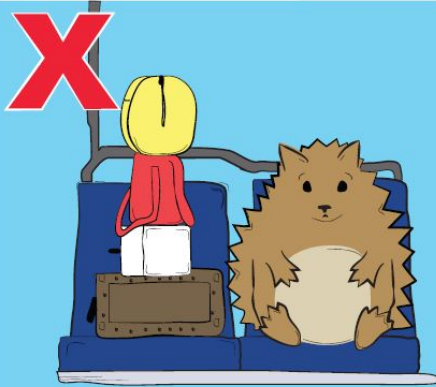

- Options under review:
 1. Reconfigure existing north line consist assignments
 2. Use spare/maintenance pool (new cab car March '18)

Moving Forward

- Board approved budget for procurement of additional cars to make all north line trains 3-car
