Important Notes:

Award amounts DO NOT include tax estimates

Bolded PO numbers indicate multiple purchase orders associated with the procurement number; only the most recent PO number is displayed.

* Amounts shown in the Contract Modifications column include: Additional work awarded through planned phases, options exercised and change orders. Project phases and options encompass anticipated work included in the original solicitation. Change orders include unanticipated work related to the original scope of work.

Important Notes:

Award amounts DO NOT include tax estimates

Bolded PO numbers indicate multiple purchase orders associated with the procurement number; only the most recent PO number is displayed.

* Amounts shown in the Contract Modifications column include: Additional work awarded through planned phases, options exercised and change orders. Project phases and options encompass anticipated work included in the original solicitation. Change orders include unanticipated work related to the original scope of work.
