Board	02/28/2019	Final action	Dan Abernathy, Executive Project Director – Federal Way Link Extension Soraya Lowry, HCT Development Manager

Proposed action

Authorizes the chief executive officer to execute a Transit Way Agreement with the City of SeaTac to grant Sound Transit non-exclusive use of a light rail transit way within City right-of-way to construct, operate, maintain, and own a light rail transit system for the Federal Way Link Extension.

Key features summary

- The Transit Way Agreement grants Sound Transit non-exclusive use for light rail transit within the City of SeaTac (City) right-of-way.
- The agreement covers elements related to the grants of rights by the City, activities in public rights-of-way during construction, operations, maintenance, and repair in streets and right-of-way.
- Prior to execution of the Full Funding Grant Agreement, the Federal Transit Administration (FTA) requires that a Transit Way Agreement be signed with all cities within the Federal Way Link Extension to demonstrate continuing control of the light rail transit way.
- This action was approved by the SeaTac City Council on January 22, 2019.

Background

The Federal Way Link Extension adds approximately 7.8 miles of light rail from the Angle Lake light rail station at South 200th Street in the City of SeaTac to the City Center area in Federal Way. The extension generally parallels State Route 99 and Interstate 5, with stations at Kent/Des Moines, South 272nd/ Star Lake Park and Ride, and the Federal Way Transit Center. New parking structures will be constructed at each of the three stations.

The Federal Way Link Final Environmental Impact Statement was issued on November 18, 2016, pursuant to the State Environmental Policy Act (SEPA) and National Environmental Policy Act (NEPA) and completing the SEPA process. The Sound Transit Board selected the project route, profile, and stations on January 26, 2017. The Federal Transit Administration issued a Record of Decision on March 6, 2017 and the Federal Highway Administration issued a Record of Decision on March 9, 2017, completing the NEPA process.

On January 26, 2017, the Sound Transit Board defined and selected the Federal Way Link Extension alignment, profile, stations, and associated infrastructure to be built between Angle Lake Station at S. 200th Street and the Federal Way Transit Center in Resolution No. R2017-02.

Projected completion date for Preliminary Engineering Phase: 3Q 2019

Project scope, schedule and budget summary are located on page 81 of the November 2018 Agency Progress Report.

Fiscal information

Although there is no direct fiscal impact associated with this proposed action, the approval of the agreement granting non-exclusive use of light rail transit way within the City of SeaTac right-of-way does establish conditions of which fiscal actions may be required.

Small business participation and apprenticeship utilization

Not applicable to this action.

Public involvement

Throughout the development of the Federal Way Link Extension, Sound Transit has conducted extensive public involvement including mailings, community open houses, presentations and meetings with individuals and neighborhood groups.

Time constraints

A one month delay could impact Sound Transit's overall timeline for securing key third party agreements and delay the full funding grant application submission to the FTA by one month as these are required for the grant application.
