

2020 Proposed Budget

ST Board of Directors

12/19/2019

Why we are here

Request that the Sound Transit Board of Directors:

- Approve Resolution No. R2019-30 to adopt the Proposed 2020 Budget and Transit Improvement Plan.

Agency remains in strong financial condition, budget target based on affordability

1. Stronger tax revenues partially offset rising capital costs; remainder funded with new debt
2. Operating expenses, state of good repair, and reserves are fully funded
3. Operating budget targets based on affordability slows spending growth
4. Available debt capacity remains largely unchanged from 2018*

*Fall 2019 update to Long-range Financial Plan projections
