

Sound Transit Year in Review 2019 Environmental and Sustainability Targets

Supporting people, planet and prosperity

People

- ✓ Contribute \$4 million to an affordable housing revolving loan fund
- Sign agreement with the Seattle Office of Housing for affordable home ownership projects on agency surplus property in the Rainier Valley*
- ✓ Adopt Equity Policy and strategic plan
- ✓ Fully implement inclusion and EEO staff training
- ✓ Conduct a pay equity audit
- ✓ Implement workplace flexibility policy
- Complete System Access Strategic Plan*
- ✓ Update the noise mitigation policy and associated project delivery noise and vibration protocols

Planet

- Power Link light rail with 100% clean energy*
- ✓ Initiate battery electric bus feasibility study for ST bus services
- ✓ Develop and initiate Non-Revenue Fleet electrification plan
- ✓ Join West Coast Electric Fleets, pledging to expand use of zero-emission vehicles
- Complete four energy efficiency projects at existing sites/facilities*
- ✓ Evaluate agency properties for known or potential contamination and establish a closeout strategy

Prosperity

- ✓ Conduct Climate Vulnerability Assessment for West Seattle to Ballard Link Extension project
- ✓ Initiate LEED Existing Building Operations and Maintenance certification process for Union Station
- ✓ Enable Procurement and Contracts staff to use e-signature to execute contracts
- ✓ Receive 30% of informal Procurement and Contracts offers (bids, quotes or proposals) electronically
- ✓ Increase the number of solicitations that use green procurement methods by 10% over 2018 levels
- ✓ Document protocols for archaeological compliance during construction
- ✓ Propose a procedure to implement Total Cost of Ownership analysis within the agency

* These partially completed targets are on track for finalization in 2020.
