

***Right-of-Way Vacation Agreement
with the City of Shoreline for the
Lynnwood Link Extension***

M2020-77

12/10/2020

Why we are here

- Authorize an agreement with the City of Shoreline that represents a creative and collaborative alternative to the typical street vacation compensation process
- Involves Sound Transit compensating the City in future excess land equaling the value of street vacation
- City takes responsibility for construction of a multi-use trail and transportation elements on the compensated parcels
- Formal property transfer will follow Lynnwood Link construction and Real Property Utilization Committee approval.

Right-of-Way Vacation Agreement with the City of Shoreline for the Lynnwood Link Extension

Thank you.
