

Resolution No. R2021-13

Meeting:	Date:	Type of action:	Staff contact:
Board Meeting	09/23/2021	Final Action	Tracy Butler, Chief Financial Officer Jeff Clark, Deputy ED Financial Operations

Proposed action

Authorizes the issuance of Sales Tax and Motor Vehicle Excise Tax Improvement and Refunding Bonds of one or more series to pay, or to reimburse the authority for the payment of, costs of improvements to the Authority's High Capacity Transportation facilities, and to refund all or a portion of certain series of the Authority's outstanding prior bonds, confirms the prior authorization for the remarketing of Series 2015S-2A of the Authority's outstanding parity bonds delegating authority to complete the issuance and refunding of the identified bonds; and provides for other matters properly relating thereto.

Key features summary

- This action responds to the Board's direction to seek opportunities to reduce costs and expand financial capacity.
- Resolution No. R2021-13 authorizes three debt actions which collectively result in significant anticipated savings on interest costs to the Agency:
 1. Mandatory repricing of variable rate debt:
 - No new bonds will be issued as part of this action. The Agency is re-setting the rate of the variable rate debt for the next three year period. It is anticipated that this mandatory action will have a minimal impact on interest payments.
 - The 2015S-2A Bonds are variable rate bonds set to be remarketed every three years. The first remarketing took place in 2018 (Resolution No. R2018-11) This action confirms the prior authorization for the 2nd remarketing/repricing of the 2015S-2A Bonds.
 - This resolution confirms the authorization of the Designated Authority Representative to effect the mandatory remarketing the 2015S-2A Parity Bonds.
 2. Refunding bonds to reduce interest rates:
 - This resolution authorizes the issuance of sales tax and motor vehicle excise tax refunding bonds (2021 Parity Refunding Bonds) not to exceed \$100,000,000.
 - The outstanding 2012P-1 bonds qualify for current refunding and present the opportunity to lower interest rates on these bonds.
 - The anticipated savings of this action is approximately \$16 million and with an increase in financial capacity of approximately \$10 million.
 3. Issue new bonds to lock in low interest rates:
 - Current interest rates provide an opportunity to issue new bonds at near historically low interest rates.

- This resolution authorizes the issuance of sales tax and motor vehicle excise tax improvement bonds (2021 Parity Improvement Bonds) not to exceed \$875,000,000 with two final maturities:
 - 11/1/2030, expected interest rate of ~0.7%
 - 11/2/2050, expected interest rate of ~2.14%
- The anticipated interest rates are significantly lower than what is currently assumed in the financial plan.
- Authority would be delegated to the chief financial officer and/or the chief executive officer to serve as the Designated Authority Representative authority to:
 - Negotiate and approve the final terms of the bonds and the amount of any debt service reserve requirement;
 - Negotiate and approve the terms of bond purchase agreements, disclosure documents and other documents as necessary; and
 - Determine the amount of debt service on 2021 Parity Bonds that will be payable in connection with the issuance of the 2021 Parity Bonds and to amend or cause to be amended the Authority's adopted budgets to include such amounts.
- Authorizes the Designated Authority Representative to approve the final terms of the 2021 Parity Bonds in accordance with the parameters set forth in the resolution, including:
 - The aggregate principal amount of the 2021 Refunding Bonds does not exceed \$100,000,000;
 - The aggregate principal amount of 2021 Parity Improvement Bonds does not exceed \$875,000,000;
 - No closing date for any 2021 Parity Bonds is later than one year after the effective date of this Series Resolution;
 - The true interest cost to the Authority for all 2021 Tax-Exempt Parity Bonds shall not exceed 3.25 percent per annum;
 - There is a minimum net present value savings of 5 percent of the Refunded Bonds calculated by taking into account the overall savings achieved by refunding the Refunded Bonds;
 - The final maturity of the 2021 Parity Bonds of each Series is not later than the date that is 40 years after the Closing Date for that Series; and
 - As of each Closing Date, the principal amount of the Outstanding Parity Bonds, the TIFIA Loan, and any other outstanding non-voted indebtedness of the Authority payable from taxes does not exceed 1.5 percent of the value of the taxable property within the boundaries of the Authority.

Background

As a part of its funding of the capital program, Sound Transit's financial plan requires the issuance of long-term bonds. The Agency issues both fixed and variable rate bonds within a consolidated borrowing program with the goal of minimizing net interest payments over time. Within this program the Agency maintains a series of bond indentures (prior lien, parity lien, junior liens) to minimize borrowing costs and most effectively access the capital markets.

Consistent with Sound Transit's Debt Management Policy and practice, staff thoroughly evaluates all options before any financing transaction to ensure the financing instrument used can meet the Sound Transit's Asset Liability Management goals.

JP Morgan, Citigroup, BofA Securities and RBC are the Underwriters, Piper Sandler is the Financial Advisor, Orrick, Herrington & Sutcliffe LLP is the Bond Counsel, Pacifica Law Group LLP is the Disclosure Counsel, and Foster Garvey PC is the Underwriters' Counsel for these actions.

Fiscal Information

This action provides authority to amend budgets to reflect changes to financial amounts in connection with the issuance of the 2021 Parity Bonds.

The 2021 Budget did not assume the issuance of 2021 Parity Bonds. It is possible that bond related costs, such as debt service and issuance costs may be higher than what was included in the 2021 Budget if Sound Transit proceeds with the sale of the 2021 Bonds, and if so, the 2021 budget may need to be amended to reflect this outcome.

Time constraints

The targeted remarketing date for the 2015S-2A Bonds is approximately October 5, 2021. If the Board delays approving this action at the September Board meeting, the Agency will be unable to execute the mandatory purchase and remarketing by November 1 and the 2015S-2A Bonds will be subject to the Delayed Remarketing Rate of 9 percent.

Additionally, the issuance of the 2021 Parity Bonds will enable the agency to lock in low interest rate therefore save on long term interest costs. Delay in approving this action at the September Board meeting could lead to lost market and cost saving opportunities.

Section 4. Authorization and Description of 2021 Parity Bonds.

(a) For the purposes of paying, or reimbursing the Authority for the payment of, a portion of the costs of acquiring, designing, constructing, equipping and installing improvements to high-capacity transportation facilities, making a deposit, if necessary, to the Parity Reserve Account or to any alternate reserve account, paying interest on the 2021 Parity Improvement Bonds during construction, and paying costs of issuing the 2021 Parity Improvement Bonds, the Authority is authorized to borrow money on the credit of the Authority and to issue the 2021 Parity Improvement Bonds in an aggregate principal amount that does not exceed the amount provided for in Section 8 hereof. The 2021 Parity Improvement Bonds may be issued in one or more Series, with such additional designation, all as determined by the Designated Authority Representative pursuant to Section 8. Unless otherwise determined by the Designated Authority Representative pursuant to Section 8, the 2021 Parity Improvement Bonds shall be Tax-Exempt Parity Bonds; shall be issued as fixed-rate Parity Bonds in Authorized Denominations; shall be dated the related Closing Date for each Series of 2021 Parity Improvement Bonds; shall be numbered separately in the manner and with any additional designation as the Bond Registrar deems necessary for identification; and shall bear interest from their date until such 2021 Parity Improvement Bonds bearing such interest have been paid or their payment has been duly provided for, payable semiannually on each Interest Payment Date (commencing on the Interest Payment Date specified by the Designated Authority Representative). The 2021 Parity Improvement Bonds shall mature on November 1 in the years and amounts and shall bear interest at the rates per annum as shall be determined pursuant to Section 8 hereof.

(b) For the purposes of refunding all or a portion of the Refunding Candidates, making a deposit, if necessary, to the Parity Reserve Account or to an alternate reserve account and paying costs of issuing the 2021 Parity Refunding Bonds and effecting the Refunding Plan, the Authority is authorized to borrow money on the credit of the Authority and to issue the 2021 Parity Refunding Bonds in an aggregate principal amount not to exceed the amount provided for in Section 8 hereof. The 2021 Parity

Refunding Bonds shall mature on November 1 in the years and amounts and shall bear interest at the rates per annum as shall be determined pursuant to Section 8 hereof.

(c) Interest on the 2021 Parity Bonds shall be calculated on the basis of a 360-day year consisting of twelve 30-day months.

Any amount received as original issue premium on the 2021 Parity Bonds may be disregarded in determining the principal amount of 2021 Parity Bonds issued within the authorization of this Series Resolution.

Section 5. Redemption of 2021 Parity Bonds. The 2021 Parity Bonds of each Series may be subject to redemption as provided in this Section and in Section 8.

(a) **Optional Redemption.** Pursuant to Section 8, the Designated Authority Representative may determine that any 2021 Parity Bond is (i) subject to redemption at the option of the Authority prior to its maturity date on the dates and at the prices set forth in the Bond Purchase Agreement or (ii) not subject to redemption at the option of the Authority prior to its maturity date. Unless otherwise determined by the Designated Authority Representative pursuant to Section 8, if a 2021 Tax-Exempt Parity Bond is subject to redemption at the option of the Authority prior to its maturity date, it must be subject to such redemption on one or more dates occurring not more than 10 years after the Closing Date of the 2021 Tax-Exempt Parity Bond.

(b) **Mandatory Redemption.** Pursuant to Section 8, the Designated Authority Representative may determine that any 2021 Parity Bond is designated as a 2021 Term Parity Bond, subject to mandatory redemption prior to its maturity date on the dates and in the amounts set forth in the Bond Purchase Agreement. If a 2021 Term Parity Bond is redeemed at the option of the Authority, defeased, or purchased by the Authority for cancellation, the principal amount of the 2021 Term Parity Bond so redeemed, defeased, or purchased by the Authority for cancellation (irrespective of its actual redemption or purchase price) shall be credited against one or more scheduled mandatory redemption installments for the 2021 Term Parity Bond. The Authority shall determine the manner in which the credit is to be allocated and shall notify the Bond Registrar in writing of its allocation prior to the earliest mandatory redemption date for the 2021 Term Parity Bond for which notice of redemption has not already been given.

(c) **Selection of 2021 Parity Bonds for Redemption.** If fewer than all of the Outstanding 2021 Parity Bonds are to be redeemed at the option of the Authority, the Authority shall select the Series, maturities, and interest rates to be redeemed. If fewer than all of the Outstanding 2021 Parity Bonds of a Series, maturity, and interest rate are to be redeemed, unless otherwise determined by the Designated Authority Representative pursuant to Section 8, DTC shall select 2021 Parity Bonds registered in the name of DTC or its nominee to be redeemed in accordance with the Letter of Representations, and the Bond Registrar shall select all other 2021 Parity Bonds to be redeemed randomly in such manner as the Bond Registrar shall determine.

(d) **Partial Redemption.** All or a portion of the principal amount of any 2021 Parity Bond that is to be redeemed may be redeemed in any Authorized Denomination so long as the 2021 Parity Bonds that are to remain Outstanding are in Authorized Denominations. If less than all of the Outstanding principal amount of any 2021 Parity Bond is redeemed, upon surrender of the 2021 Parity Bond to the Bond Registrar, there shall be issued to the Owner, without charge, a new 2021 Parity Bond (or 2021 Parity Bonds, at the option of the Owner) of the same Series, maturity, and interest rate in any Authorized Denomination in the aggregate principal amount to remain Outstanding.

(e) **Notice of Redemption.** Notice of redemption of each 2021 Parity Bond registered in the name of DTC or its nominee shall be given in accordance with the Letter of Representations. Notice of redemption of each other 2021 Parity Bond, unless waived by the Owner, shall be given by the Bond Registrar not less than 20 nor more than 60 days prior to the date fixed for redemption by first-class mail, postage prepaid, to the Owner at the address appearing on the Bond Register on the Record Date. The requirements of the preceding sentence shall be satisfied when notice has been mailed as so provided, whether or not it is actually received by an Owner.

(f) **Rescission of and Conditions to Optional Redemption.** A notice of optional redemption of 2021 Parity Bonds may state (i) that the Authority retains the right to rescind the redemption notice and the redemption by giving a notice of rescission to the Owners of the 2021 Parity Bonds that were to have been redeemed at any time on or prior to the date fixed for redemption and/or (ii) that the redemption is conditioned on sufficient money being available for such purpose on or prior to the date fixed for redemption or conditioned on the occurrence of any other event. Any notice of optional redemption that is so rescinded shall be of no effect, each 2021 Parity Bond for which a notice of optional redemption has been so rescinded shall remain Outstanding, and the rescission shall not constitute a Default. Any such conditional notice of optional redemption for which sufficient money is not available for such purpose on the date specified, or for which the event upon which redemption is conditioned has not occurred, as the case may be, shall be of no effect, each 2021 Parity Bond for which notice of optional redemption has been so conditioned shall remain Outstanding, and the failure to satisfy such condition to redemption shall not constitute a Default.

(g) **Effect of Redemption Notice.** If notice of redemption has been duly given and not duly rescinded (and in the case of a conditional notice of optional redemption if sufficient money is available for such purpose on the date specified and/or any other event upon which redemption is conditioned has occurred), then on the date fixed for redemption each 2021 Parity Bond so called for redemption shall become due and payable at the redemption price specified in such notice. From and after the date fixed for redemption, if the Authority has provided to the Bond Registrar money for the payment of the redemption price of any 2021 Parity Bond so called for redemption that becomes payable, interest thereon shall cease to accrue, the 2021 Parity Bond shall cease to be Outstanding and to be entitled to any benefit, protection, or security under the 2021 Parity Bond Resolutions, and the Owner of the 2021 Parity Bond shall have no rights in respect thereof except to receive payment of the redemption price upon delivery of the 2021 Parity Bond to the Bond Registrar.

(h) **Purchase by Authority.** The Authority reserves the right, within the requirements of the best long-term financial interests of the Authority, to purchase any or all of the 2021 Parity Bonds offered to the Authority or in the open market at any time at any price acceptable to the Authority, plus accrued interest to the date of purchase.

(i) **Failure to Pay 2021 Parity Bonds.** If the principal of any 2021 Parity Bond is not paid when the 2021 Parity Bond is properly presented at its maturity or date fixed for redemption, the Authority shall be obligated to pay interest on the 2021 Parity Bond at, unless otherwise determined by the Designated Authority Representative pursuant to Section 8, the same rate provided in the 2021 Parity Bond from and after its maturity or date fixed for redemption, until the 2021 Parity Bond, principal, premium, if any, and interest, is paid in full or until sufficient money for its payment in full is on deposit in the Parity Bond Account or with an escrow agent to defease the 2021 Parity Bond.

Section 6. Form and Execution of 2021 Parity Bonds. The Designated Authority Representative is authorized to approve the form of the 2021 Parity Bonds of each Series, which shall be prepared in a form consistent with the provisions of the 2021 Parity Bond Resolutions and State law and shall be signed by the Chair of the Board and the Chief Executive Officer, either or both of whose signatures may be manual or in facsimile, and the seal of the Authority or a facsimile reproduction thereof shall be impressed or printed thereon.

Only a 2021 Parity Bond bearing a Certificate of Authentication in the following form, manually signed by the Bond Registrar, shall be valid or obligatory for any purpose or entitled to the benefits of the 2021 Parity Bond Resolutions: (i) with respect to the 2021 Parity Improvement Bonds, "Certificate Of Authentication. This bond is one of the fully registered The Central Puget Sound Regional Transit Authority Sales Tax and Motor Vehicle Excise Tax Improvement Bonds, Series _____, described in the 2021 Parity Bond Resolutions," and (ii) with respect to the 2021 Parity Refunding Bonds, "Certificate Of Authentication. This bond is one of the fully registered The Central Puget Sound Regional Transit Authority Sales Tax and Motor Vehicle Excise Tax Refunding Bonds, Series _____, described in the 2021 Parity Bond Resolutions."

The authorized signing of a Certificate of Authentication shall be conclusive evidence that the 2021 Parity Bond of such Series so authenticated has been duly executed, authenticated, and delivered and is entitled to the benefits of the 2021 Parity Bond Resolutions.

If any officer whose manual or facsimile signature appears on a 2021 Parity Bond ceases to be an officer of the Authority authorized to sign bonds before the 2021 Parity Bond bearing his or her manual or facsimile signature is authenticated or delivered by the Bond Registrar or issued by the Authority, the 2021 Parity Bond nevertheless may be authenticated, issued, and delivered and, when authenticated, issued, and delivered, shall be as binding on the Authority as though that person had continued to be an officer of the Authority authorized to sign bonds. Any 2021 Parity Bond also may be signed on behalf of the Authority by any person who, on the actual date of signing of the 2021

Parity Bond, is an officer of the Authority authorized to sign bonds, although he or she did not hold the required office on the Closing Date of the 2021 Parity Bond.

Section 7. Bond Registrar. The Bond Registrar shall keep, or cause to be kept, at its principal corporate trust office, sufficient books for the registration and transfer of the 2021 Parity Bonds, which shall be open to inspection by the Authority at all times. The Bond Registrar is authorized and directed, on behalf of the Authority, to authenticate and deliver each 2021 Parity Bond transferred or exchanged in accordance with the provisions of the 2021 Parity Bond and the 2021 Parity Bond Resolutions, to serve as the Authority's paying agent for the 2021 Parity Bonds, and to carry out all of the Bond Registrar's powers and duties under the 2021 Parity Bond Resolutions. The Authority reserves the right in its discretion to appoint special paying agents, tender agents, registrars, or trustees in connection with the payment of some or all of the principal of, premium, if any, or interest on the 2021 Parity Bonds of one or more Series. If a new Bond Registrar is appointed by the Authority (other than the Washington State fiscal agent), notice of the name and address of the new Bond Registrar shall be mailed to the Owners of the 2021 Parity Bonds appearing on the Bond Register at the time the Bond Registrar prepares the notice. The notice may be mailed together with the next interest payment due on the 2021 Parity Bonds, but, to the extent practicable, shall be mailed no later than the Record Date for any principal payment or redemption date of any 2021 Parity Bond.

The Bond Registrar shall be responsible for its representations contained in the Bond Registrar's Certificate of Authentication on the 2021 Parity Bonds. The Bond Registrar may become the Owner of 2021 Parity Bonds with the same rights it would have if it were not the Bond Registrar and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as members of, or in any other capacity with respect to, any committee formed to protect the rights of the Owners of the 2021 Parity Bonds.

This Section and other relevant portions of the 2021 Parity Bond Resolutions shall constitute a "system of registration" as that term is used in RCW 39.46.030.

Section 8. Terms and Sale of 2021 Parity Bonds.

(a) The Board has determined that it is in the best interest of the Authority to delegate to the Designated Authority Representative pursuant to RCW 39.46.040 the authority to determine the manner of sale of the 2021 Parity Bonds of each Series; to determine which Refunding Candidates to be refunded by the 2021 Parity Refunding Bonds; to determine the number of Series of the 2021 Parity Bonds (and the aggregate principal amounts thereof); to designate all or a portion of the 2021 Parity Bonds as "green bonds" and/or as "Covered Parity Bonds"; to provide that all or a portion of the 2021 Parity Bonds shall be secured by a Credit Facility; and to approve the principal amounts, Authorized Denominations, interest rates, Interest Payment Dates, principal payment dates, maturity dates, redemption rights and redemption requirements, if any, prices, Record Dates, Parity Reserve Account Requirements or other reserve requirements, if any, restrictions on transferability, if any, and tax status for the 2021

Parity Bonds, the Bond Registrar, and whether all or a portion of the 2021 Parity Bonds of each Series shall be registered in the name of Cede & Co., as the nominee of DTC, all in the manner provided herein, provided that:

- (1) The aggregate principal amount of the 2021 Refunding Bonds does not exceed \$100,000,000;
- (2) The aggregate principal amount of 2021 Parity Improvement Bonds does not exceed \$875,000,000;
- (3) No Closing date for any 2021 Parity Bonds is later than one year after the effective date of this Series Resolution;
- (4) The true interest cost to the Authority for all 2021 Tax-Exempt Parity Bonds shall not exceed 3.25 percent;
- (5) There is a minimum net present value savings of 5.0 percent of the Refunded Bonds calculated by taking into account the overall savings achieved by refunding the Refunded Bonds;
- (6) The final maturity of the 2021 Parity Bonds of each Series is not later than the date that is 40 years after the Closing Date for that Series; and
- (7) As of each Closing Date, the principal amount of the Outstanding Parity Bonds, the TIFIA Loan, and any other outstanding non-voted indebtedness of the Authority payable from taxes does not exceed 1.5 percent of the value of the taxable property within the boundaries of the Authority.

In determining whether the terms, sale and/or issuance of the 2021 Parity Bonds of each Series comply with the conditions and other provisions of this Section, Bond Counsel may rely upon certificates or reports provided by underwriters, financial advisors or accountants to the Authority in connection with matters that are not legal matters.

In determining the manner of sale, which Refunding Candidates are to be refunded by the 2021 Parity Refunding Bonds; principal amounts, Authorized Denominations, interest rates, Interest Payment Dates, principal payment dates, maturity dates, redemption rights, if any, prices, Record Dates, Parity Reserve Account Requirements or other reserve requirements, if any, restrictions on transferability, if any, tax status, and defeasance provisions, if any, for the 2021 Parity Bonds, the Bond Registrar, minimum savings to be achieved by the Refunding Plan and whether all or a portion of the 2021 Parity Bonds of each Series shall be registered in the name of Cede & Co., as the nominee of DTC, or secured by one or more Credit Facilities, the Designated Authority Representative, in consultation with other Authority officials and staff and advisors, shall take into account those factors that, in his or her judgment, will result in the lowest true interest cost on the 2021 Parity Bonds to their maturity or prior redemption within the requirements of the best long-term financial interests of the

Authority, including financial market conditions and current interest rates for obligations comparable to the 2021 Parity Bonds.

(b) The Designated Authority Representative is authorized to sell the 2021 Parity Bonds of each Series by private placement or by negotiated sale. The Designated Authority Representative is authorized and directed to select the Purchaser with which to negotiate the sale of the 2021 Parity Bonds of each Series. Upon the determination by the Designated Authority Representative that the conditions of this Section have been met, the Designated Authority Representative is authorized to approve and to execute and deliver on behalf of the Authority a purchase contract for the sale of the 2021 Parity Bonds of each Series that is consistent with the terms of the 2021 Parity Bond Resolutions (each, a "Bond Purchase Agreement"). In connection with the sale of the 2021 Parity Bonds that are to be secured by one or more Credit Facilities, the Designated Authority Representative is authorized to execute and deliver documents providing for such terms, conditions and covenants as the Designated Authority Representative may determine are in the best long-term financial interests of the Authority and are consistent with the provisions of this Series Resolution.

(c) The 2021 Parity Bonds of each Series shall be prepared at Authority expense and shall be delivered to or for the account of the Purchaser thereof in accordance with the 2021 Parity Bond Resolutions, with the approving legal opinion of Bond Counsel regarding the 2021 Parity Bonds of such Series.

Section 9. Authorization of Disclosure Documents. The Board authorizes and approves the preparation and distribution of one or more preliminary official statements or other disclosure documents in connection with the sale of the 2021 Parity Bonds pursuant to Section 8 and, if required pursuant to the Rule, authorizes the Designated Authority Representative to deem final as of their dates disclosure documents that are in the form of preliminary official statements, except for the omission of information permitted to be omitted under the Rule. The Board further authorizes and approves the preparation, execution by the Designated Authority Representative, and distribution of one or more final official statements or other disclosure documents in connection with the sale of the 2021 Parity Bonds pursuant to Section 8, in each case in the form of the preliminary official statement or other disclosure document, with such modifications and amendments thereto as shall be deemed necessary or desirable by the Designated Authority Representative. Such preliminary official statements, official statements, and other disclosure documents may be prepared and distributed in printed and/or electronic form to the extent permitted by applicable rules of the MSRB and as may be agreed by the Authority and the Purchaser.

Section 10. Preservation of Tax Exemption of Interest on 2021 Tax-Exempt Parity Bonds. The Authority covenants that it will take all actions necessary to prevent interest on any 2021 Tax-Exempt Parity Bond from being included in gross income for federal income tax purposes, and that it will neither take any action nor make or permit any use of proceeds of 2021 Tax-Exempt Parity Bonds or other funds of the Authority treated as proceeds of 2021 Tax-Exempt Parity Bonds at any time during the term of the 2021 Tax-Exempt Parity Bonds that will cause interest on any 2021 Tax-Exempt

Parity Bond to be included in gross income for federal income tax purposes. The Authority also covenants that it will, to the extent the arbitrage rebate requirement of Section 148 of the Code is applicable to the 2021 Tax-Exempt Parity Bonds, take all actions necessary to comply (or to be treated as having complied) with that requirement in connection with the 2021 Tax-Exempt Parity Bonds, including the calculation and payment of any penalties that the Authority has elected to pay as an alternative to calculating rebatable arbitrage, and the payment of any other penalties if required under Section 148 of the Code to prevent interest on any 2021 Parity Bond from being included in gross income for federal income tax purposes. The Designated Authority Representative is authorized and directed to review and update the Authority's written procedures to facilitate compliance by the Authority with the covenants in this Section and the applicable requirements of the Code that must be satisfied after the applicable Closing Date to prevent interest on any 2021 Tax-Exempt Parity Bond from being included in gross income for federal tax purposes.

Section 11. Deposit, Use, Pledge, and Investment of 2021 Parity Bond Proceeds; Establishment of Accounts.

(a) On each Closing Date, from the net sale proceeds of the 2021 Parity Improvement Bonds or other funds of the Authority, the amount equal to the Parity Reserve Account Requirement or other reserve requirement, if any, for the 2021 Parity Improvement Bonds to be issued shall be deposited in the Parity Reserve Account or alternate reserve account or otherwise provided for.

(b) The Authority is authorized and directed to establish the "2021 Project Account" in the Project Fund. On each Closing Date, the net sale proceeds of the 2021 Parity Improvement Bonds remaining after providing for the Parity Reserve Account Requirement or other reserve requirement, if any, pursuant to subsection (a) of this Section shall be deposited in the 2021 Project Account and applied to the payment (or to reimburse the Authority for the payment) of costs of acquiring, designing, constructing, equipping and installing improvements to high-capacity transportation facilities, including interest on all or a portion of the 2021 Parity Improvement Bonds during construction, and to the payment of costs of issuing the 2021 Parity Improvement Bonds.

(c) There are hereby pledged for the payment of the 2021 Parity Improvement Bonds proceeds of the 2021 Parity Improvement Bonds deposited in the 2021 Project Account and in any other account or subaccount established by the Authority to hold proceeds of the 2021 Parity Improvement Bonds, and such pledge is declared to be a charge on the amounts in such accounts superior to all other charges of any kind or nature.

(d) The net proceeds, including premium, if any, received from the sale and delivery of the 2021 Parity Refunding Bonds shall be paid to the Escrow Agent as outlined in Section 12, or into the "2021 Refunding Parity Bond Proceeds Account" of the Authority or such other accounts or subaccounts of the Authority as the Chief Financial Officer may designate and shall be used to (i) carry out the Refunding Plan,

(ii) fund a portion of the Parity Reserve Account Requirement or any alternate reserve account requirements, if necessary, and (iii) pay costs of issuing the 2021 Parity Refunding Bonds and of effecting the Refunding Plan.

The Chief Financial Officer may establish and may transfer, record, allocate or restrict proceeds of the 2021 Refunding Parity Bonds not deposited with the Escrow Agent among such accounts or subaccounts of the Authority and make such transfers, recordings, allocations, restrictions or deposits on terms he or she may deem necessary, appropriate or desirable to carry out the purposes of this Series Resolution.

(e) The Chief Financial Officer may establish and may transfer, record, allocate, or restrict proceeds of the 2021 Parity Refunding Bonds and earnings thereon not deposited into the 2021 Project Account among such accounts or subaccounts of the Authority and make such transfers, recordings, allocations, restrictions, or deposits on terms he or she may deem necessary, appropriate, or desirable to carry out the purposes of this Series Resolution.

(f) Until needed to pay the costs described herein, the Authority may invest principal proceeds of the 2021 Parity Bonds temporarily in any legal investment, and the investment earnings shall be deposited in or credited to such accounts as may be designated by the Designated Authority Representative. Earnings subject to a federal tax or rebate requirement may be withdrawn from any such account and used for those tax or rebate purposes.

Section 12. Refunding of the Refunded Bonds.

(a) **Appointment of Escrow Agent.** The Designated Authority Representative is authorized to appoint an Escrow Agent in connection with the Refunded Bonds.

(b) **Use of 2021 Parity Refunding Bond Proceeds.** Immediately upon the issuance of a Series of 2021 Parity Refunding Bonds, an amount of the proceeds from the sale of such Series of 2021 Parity Refunding Bonds shall be deposited immediately upon the receipt thereof with the Escrow Agent and used to discharge the obligations of the Authority relating to such Refunded Bonds allocated to such Series under the related Series Resolution by providing for the payment of the amounts required to be paid by the Refunding Plan. Any proceeds of a Series of 2021 Parity Refunding Bonds or other money deposited with the Escrow Agent not needed to carry out the Refunding Plan for a Series of Refunded Bonds or to pay costs of issuance of the 2021 Parity Refunding Bonds or other costs of the Refunding Plan shall be returned to the Authority and deposited in the Parity Bond Account to pay interest on such Series of 2021 Parity Refunding Bonds on the first interest payment date or otherwise as determined by the Designated Authority Representative after consultation with Bond Counsel.

(c) **Administration of Refunding Plan.** The Escrow Agent is authorized and directed to make the payments required to be made by the Refunding Plan from the money deposited with the Escrow Agent pursuant to this Series Resolution. All money

deposited with the Escrow Agent and any income therefrom shall be held irrevocably, invested in Defeasance Obligations and applied in accordance with the provisions of Resolution No. R2016-35 and Resolution No. R2012-15 for the Refunded Bonds, the 2021 Refunding Parity Bond Resolutions, chapter 39.53 RCW and other applicable statutes of the State, and the Escrow Agreement. All necessary and proper fees, compensation and expenses of the Escrow Agent and all other costs incidental to the setting up of the related escrow to accomplish the refunding of the Refunded Bonds and costs related to the issuance and delivery of the 2021 Parity Refunding Bonds shall be paid out of the proceeds of the 2021 Parity Refunding Bonds.

(d) **Authorization for Escrow Agreement.** To carry out the Refunding Plan provided for by this Series Resolution, the Chief Financial Officer of the Authority is authorized and directed to execute and deliver to the Escrow Agent one or more Escrow Agreements setting forth the duties, obligations and responsibilities of the Escrow Agent in connection with the payment and redemption of the Refunded Bonds as provided herein.

(e) **Authorization for Replacement Bonds.** If necessary, the Authority may issue replacement bonds in principal amounts reflecting the defeased and nondefeased portions of the Refunding Candidates. The replacement bonds shall be printed, executed and authenticated in the same manner as the related Series of Refunded Bonds.

Section 13. Authority Findings with Respect to Refunding. The Board authorizes the Designated Authority Representative to issue the 2021 Parity Refunding Bonds if it will achieve debt service savings to the Authority, is consistent with Resolution No. R2018-24 and is in the best interest of the Authority and its taxpayers and in the public interest. In making such finding and determination, the Designated Authority Representative will give consideration to the fixed maturities of the 2021 Parity Refunding Bonds and the Refunded Bonds, the costs of issuance of the 2021 Parity Refunding Bonds and the expected income from the investment of the proceeds of the issuance and sale of the 2021 Parity Refunding Bonds pending payment and redemption of the Refunded Bonds. The Board authorizes the Designated Authority Representative to determine which Refunding Candidates are to be refunded by the 2021 Parity Refunding Bonds.

The Designated Authority Representative also may purchase Defeasance Obligations to be deposited with the Escrow Agent, together with the income therefrom, and with any necessary beginning cash balance, which will be sufficient to redeem the Refunded Bonds and will discharge and satisfy the obligations of the Authority under the related Series Resolution with respect to the Refunded Bonds. Immediately upon the delivery of such Defeasance Obligations to the Escrow Agent and the deposit of any necessary beginning cash balance, such Refunded Bonds shall be deemed not to be Outstanding and shall cease to be entitled to any lien, benefit or security under the related Series Resolution authorizing their issuance except the right to receive payment from the Defeasance Obligations and beginning cash balance so set aside and pledged.

Section 14. Redemption of the Refunded Bonds. The Board authorizes the Designated Authority Representative to call for redemption and to give or cause to be given any and all notices necessary, at the times and in the manner required, pursuant to the applicable issuing Resolutions for the Refunded Bonds to effect the redemption of the Refunded Bonds at the earliest dates and times permitted under the applicable resolutions pursuant to which the Refunded Bonds were issued.

Section 15. Remarketing of the 2015S-2A Parity Bonds. In accordance with Resolution No. R2018-11, adopted on May 24, 2018 ("Resolution No. R2018-11"), the Board hereby confirms the authorization of the Designated Authority Representative to remarket the 2015S-2A Parity Bonds, and to give or cause to be given any and all notices necessary, at the times and in the manner required, pursuant to Resolution No. R2018-11 to effect the remarketing of the 2015S-2A Parity Bonds on a date selected by such Designated Authority Representative as permitted under Resolution No. R2018-11. The Board hereby further confirms the authorization of the Designated Authority Representative to execute and deliver all documents necessary or desirable to effect such remarketing, including but not limited to a remarketing circular, in preliminary and final form.

Section 16. Continuing Disclosure.

(a) The Authority covenants and agrees that it will comply with and will carry out all of the provisions of each Continuing Disclosure Certificate. Each Continuing Disclosure Certificate shall be in the form included in the applicable preliminary official statement approved by the Designated Authority Representative pursuant to Section 9, together with such additions or other changes as may be approved by the Designated Authority Representative executing the Continuing Disclosure Certificate. Notwithstanding any other provision of the 2021 Parity Bond Resolutions, failure of the Authority to comply with the Continuing Disclosure Certificate shall not constitute a Default; provided, however, that any Owner or Beneficial Owner may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Authority to comply with its obligations under the Continuing Disclosure Certificate. For purposes of this Section, "Beneficial Owner" means any person that has or shares the power, directly or indirectly, to make investment decisions concerning ownership of any 2021 Parity Bonds (including persons holding 2021 Parity Bonds through nominees, depositories, or other intermediaries).

(b) The Chief Financial Officer or his or her designee is authorized and directed in his or her discretion to take such further actions as may be necessary, appropriate, or desirable to carry out the duties of the Authority set forth in each Continuing Disclosure Certificate, including the following actions:

- (1) Preparing and filing the annual financial information undertaken to be provided;

- (2) Determining whether any listed event has occurred and preparing and disseminating notice of its occurrence;
- (3) Determining whether any person other than the Authority is an “obligated person” within the meaning of the Rule with respect to the 2021 Parity Bonds, and obtaining from such person an undertaking to provide any annual financial information and notice of listed events for that person in accordance with the Rule;
- (4) Selecting, engaging, and compensating designated agents and consultants, including financial advisors and legal counsel, to assist and advise the Authority in carrying out the Authority's duties under the Continuing Disclosure Certificate; and
- (5) Effecting any necessary amendment of the Continuing Disclosure Certificate.

Section 17. Authorized Budget Amendments. The Designated Authority Representative is authorized and directed to determine the amount of debt service on 2021 Parity Bonds that will be payable in connection with the issuance of the 2021 Parity Bonds and to amend or cause to be amended the Authority's adopted budgets to include such amounts.

Section 18. Resolution a Contract. This Series Resolution, together with the Parity Bond Master Resolution and the Continuing Disclosure Certificate, shall constitute a contract with the Owners of the 2021 Parity Bonds.

Section 19. Severability. If any one or more of the provisions of this Series Resolution shall be declared by any court of competent jurisdiction to be contrary to law, then such provision or provisions shall be deemed separable from, and shall in no way affect the validity of, any of the other provisions of this Series Resolution or of the 2021 Parity Bonds issued pursuant to the terms hereof.

Section 20. Ratification of Prior Acts. Any action taken by or on behalf of the Authority and consistent with the intent of this Series Resolution but prior to the effective date of this Series Resolution, including issuing requests for proposals for financing or underwriting services, executing engagement letters for financing or underwriting services based on responses to such requests, preparing and issuing disclosure materials relating to the 2021 Parity Bonds, and executing contracts or other documents, is hereby ratified, approved, and confirmed.

Section 21. Effective Date. Except as otherwise expressly provided herein, this Series Resolution shall take effect immediately upon its adoption.
