

***Consolidated  
Transit Way Agreement  
for Link light rail  
with City of SeaTac***

*System Expansion Committee*

*12/08/22*

# *Why we are here*

- This Consolidated Transit Way Agreement will combine the relevant provisions from three existing agreements
- The City of SeaTac and Sound Transit desire to combine the transit way related provisions of agreements made for three light rail extensions within the city
- This consolidated agreement will provide for consistent management of the transit way throughout the City

# *Existing agreements*

**Development and Transit Way Agreement**  
Airport Link Extension - 2006

**Development and Transit Way Agreement**  
South 200<sup>th</sup> Link Extension - 2012

**Transit Way Agreement**  
Federal Way Link Extension - 2019

# *Key features*

- The need to develop a consolidated transit way agreement was identified in 2019
- The 2019 transit way agreement for the FWLE served as the baseline agreement for consolidation
- The remaining provisions of the development agreements will remain until such provisions are satisfied per the prior agreements

# *Conclusion*

- The agreement is the culmination of a collaborative effort by the City of SeaTac and the Agency
- The agreement will provide consistent language and management of the transit way throughout the city
- City of SeaTac has approved the agreement
- FTA has provided their concurrence to the agreement

*Thank you*
