

West Seattle and Ballard Link Extensions

*System Expansion
Committee Meeting*

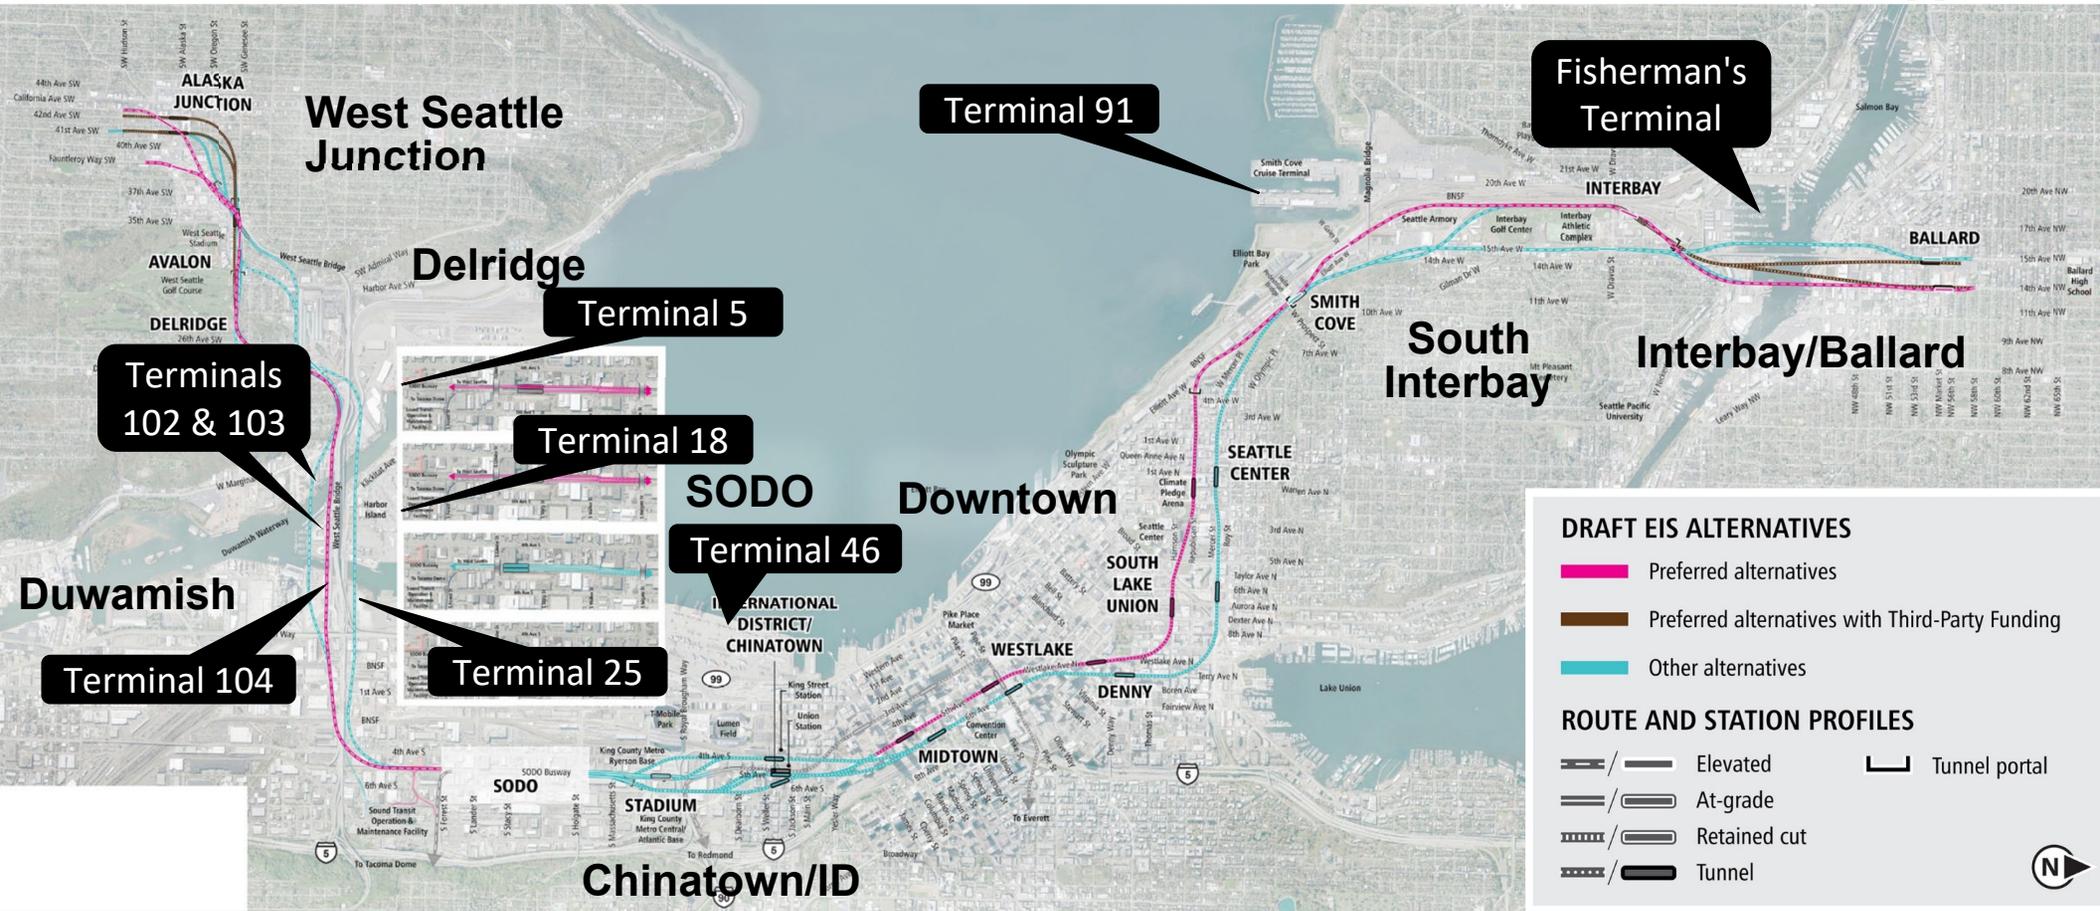

3/10/22

Why we are here

Request a recommendation to the full ST Board for authorization for the CEO to execute **Project Administration Agreements** with **Port of Seattle** and **Northwest Seaport Alliance** on the West Seattle and Ballard Link Extensions project

Draft EIS alternatives

Project Administration Agreements

- Addresses commitment in Section 10.1.2 of the Partnering Agreement to negotiate funding agreements
- Allows for reimbursement to the Port and NWSA for costs of certain services and products
- Following execution of agreements, staff will develop task orders not to exceed CEO's authority
