

# *Hilltop Tacoma Link Extension*

## *Service and Fare Equity Analysis*

*Rider Experience and Operations Committee*

*10/19/22*

# *Why we are here*

- Provide an overview of the results of the Hilltop Tacoma Service and Fare Equity analysis (SAFE).
- Recommend the Hilltop Tacoma Service and Fare Equity Analysis move forward to the full board for approval.

# *Title VI Requirement*

- ST must comply with FTA Title VI regulations as a condition of federal financial assistance.
- SAFE analysis results are to be brought to the Board for consideration and approval and must be included in the Title VI Program.
- Service and fare evaluations help ensure that ST activities do not result in disparate impact discrimination for minority communities or represent a disproportionate burden on low-income populations.

# *HTLE and SAFE Analysis Findings*

- ST will mitigate effects of fare implementation on impacted populations.
- HTLE results in no service-related disparate impacts or disproportionate burdens.
- The proposed changes comply with Title VI regulations.

*Thank you.*
