Dear ST Board Exec Committee;

Good news! Chair Dow got Tsimerman back on a penalty schedule. Just need one more strikeout and Tsimerman is done for six months. So let's keep enforcing the Board Public Comment Rules please.

But I need to be really clear here about the state of one part of public comment policing - namely campaigning during public comment. There's no black and white PDC standard so if Tsimerman hurls hate with a side of campaigning... you all stand a good chance of the PDC in your inbox. Working with the Governor's Office's Katheryn Leathers (sp?) and the PDC via a rulemaking appeal to fix this - it's gonna take 45 or so days to effect any kind of result there.

Under "other business" just for the safety of public comment flight let's see you go over the public comment rules. Please. I know one committee chair just about lets anything go... and she's on deck that day, *dammit*.

GO SOUND TRANSIT;
Joe A. Kunzler

P.S. Not germane to anything the Exec Committee deals with but for the official record, I am working on getting Tsimerman prosecuted by the PDC. I want Sound Transit as clear as humanly possible from the *real* fighting and the headlines, ok? Bad enough the PSRC and the City Council of Bellevue are the two centres of conflict. We need Tsimerman banned to keep Sound Transit safe, ok? So let me conclude by sharing with you what I shared with Bellevue Mayor Lynne Robinson...

It is always darkest right before first light, and I believe the first light will be soon. The biggest political fight is right ahead of us - almost certainly 28 September at PDC Headquarters. If the PDC finally moves to prosecute Tsimerman, it will be like the Ukrainians breaching the Ruzsian defense lines. Or Trump finally getting indicted for January the Sixth. Because once the PDC moves to prosecute Tsimerman, I promise a heavy metal race north of lawyers and more to get Tsimerman with everything we can get our hands on. A successful prosecution means defunding. Defunding means closing the sky to hate.
