## Jason Rock

Rider Experience Board members,

On my ride from the Airport to Columbia city today Sep 4th, I noticed the train way going very slowly from the airport north. I started timing as we left Tukwila, and found that, without the delay wait for a southbound train to clear it took us 15 minutes to get to the waiting point for the Rainier Beach station. With the delay for the track to clear it took 19 minutes. The normal scheduled time for this leg is 9 minutes. As we left Rainier Beach, I again started timing. We hit what seemed like every single red light between Rainier Beach and Othello, and it took us 6 minutes to go what is normally scheduled to be a 3 minute leg. This is unacceptably bad operation management, and if this is going to be the service for the next month sound transit will irrecoverably lose transit riders.

That's about all the derogatory related words we've got! I hope this list of derogatory terms was useful to you in some way or another. The words down here at the bottom of the list will be in some way associated with derogatory, but perhaps tenuously (if you've currently got it sorted by relevance, that is). If you have any feedback for the site, please share it here... but please note this is only a hobby project, so I may not be able to make regular updates to the site. Have a nice day! D
