

***Contract with Insight Public Sector, Inc.  
for Software, Hardware & Peripherals***

*Motion No. M2023-96*

*Rider Experience and Operations Committee*

*11/02/23*

# *Why we are here*

- Seeking authorization to exercise a new "piggyback" contract on OMNIA master contract with Insight Public Sector, Inc. for software, hardware, peripherals\*, and related maintenance services in the amount of \$8,000,000 plus taxes.

\*Peripherals = keyboard, mice, etc.

# Overview

## Proposed Action

- Proposed action funds 2.5 base years through April 2026 and two one-year options through April 2028.
- Provides licenses for software used for cybersecurity and Portfolio Services Office, other software, server hardware and peripherals.
- Contract Total: \$8M plus taxes. Funding is covered by the IT department budget and reasonably assumed future IT department budgets included in the existing Long Range Financial Plan.
- ST has used similar contracts in past 6 years.

# *Procurement Information*

- Allows Sound Transit to take advantage of the discounts afforded by this multi-agency procurement mechanism.
- Replaces the Insight Public Sector, Inc. contract expired October 2023.
- The new contract will be executed pursuant to OMNIA Partners master contract with Insight Public Sector, Inc.

# *Benefits to Sound Transit*

- **Competitive pricing:** Insight's pricing allows Sound Transit to purchase workforce hardware and software to meet needs and maximize overall agency budget.
- **System Expansion Project Support:** Provides access to purchase needed hardware and software.
- **Cybersecurity Infrastructure Strengthening:** Ensures robust protection against cyber threats and vulnerabilities by providing access to Information Security software.

*Thank you.*
