

2024 Executive Committee Work Program

In 2024, the Executive Committee will focus on two areas: 1) transactional matters regarding oversight and review of systemwide programs, and 2) topics of special interest to the committee.

Oversee and review policies, legislative planning, government relations, and communication strategies

This work includes committee actions required for continued progress on the work of Sound Transit's systemwide projects and programs. As in previous years, items will include committee consideration and votes to approve or recommend actions to the Board, including:

- Policies and policy updates
- Legislative agenda and government relations and communications strategies
- Board Officer recommendations
- Chief Executive Officer selection and performance
- Regular briefings on systemwide programs including the Transit Oriented Development and Sustainability programs
- Contracts and contract modifications and other actions related to systemwide programs

Sound Transit staff have compiled a projected list of specific presentations and actions they anticipate bringing before the committee for action by quarter, which is attached.

Topics of Special Interest to the Committee

The Executive Committee will also explore additional areas that are topics of interest to members, responsive to changing circumstances or the public, or emerging issues.
