# *Why we are here*

Seek approval to change the Adult ST Express Bus fare to take effect on March 1, 2025.

# *Background*

This proposal is a continuation of our fare simplification efforts:

- 2016: Regional Fare Forum recommendations to simplify fares
- 2018: Board action to simplify ST Express fares
- 2020: Board action to simplify reduced fares on Sounder
- 2023: Board action to simplify Link fares - move to flat fare

# *Purpose of Proposal*

Reducing the ST Express fare from \$3.25 to \$3.00 aligns with the Link fare of \$3.00.
