# *Why we are here*

Proper notice was not given for Board Resolution No. R2024-26

Property acquisitions are ongoing for OMF-S, and many have been successful. Today's purpose is to ensure compliance and ratify property acquisitions previously authorized.

# *Next Steps*

- Implement corrective actions to ensure proper notice going forward
- Resume remaining property acquisitions for OMF-South
- Continue relocation assistance
- Demolition/early work early 2027

*Thank you.*
